Wildcat

Once a King, Always a King,
But once a Knight is enough

To Henrietta Lots of Luck

Ronnie Smith

David,
Boy we've come a long
way since I remember.
But it's been fun? (Glad)
Cool.
Steve Owen

David,
We've known each other
for a long time. Thanks
for the help in becoming
"spaz."
Joe Magarian

David,
you better look out because
one of these days I might
out play you on the court (not likely)
- your a great guy

Larry Clinton Sorry
you would know that I don't
I would write in pen. about
your friend & mine that
me not
Sandie making
Moore sense

See page
50

David,

You're a good kid.
Stay that way & maybe
next year in French II
you can get on the
side of the room with
all the girls.

Bruce Green

David,
Great to hear
that this year.
I've really enjoyed
knowing you since
Grade School. You
are a great guy.

Love ya,
Hebby Davis

David
You're Kool!
Really
You're A NEAT Guy
Genard Haskins
soph 65-66

Hey David.
It's me
again.

Shelia Howard

Ronnie Treat

David,
I've enjoyed having you
as a friend a great deal and
I feel that I have gained a
great deal from our friendship.
Good Luck in everything that
you undertake, especially band.

Best of Luck
Ronnie Treat

Dedicated to Mrs. Searcy Thompson

This is our way, Mrs. Thompson, of trying to say "Thank you" for all the beautiful things you and your students have created for us during the fourteen years you have taught art at Senior High.

We remember the huge backdrops that made the stage setting for Musical Varieties, the beauty of the prom decorations, the programs and favors for banquets and breakfasts, and the pageantry of Color Day.

Thank you, also, for the splendid example you set for all of us in being one member of the faculty who has never been heard to say an unkind thing about a student or another teacher.

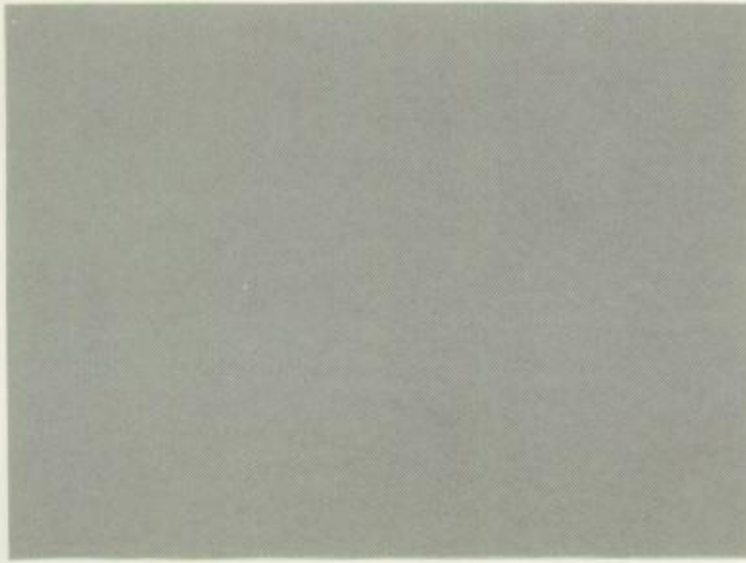

Mrs. Searcy Thompson
Art Teacher

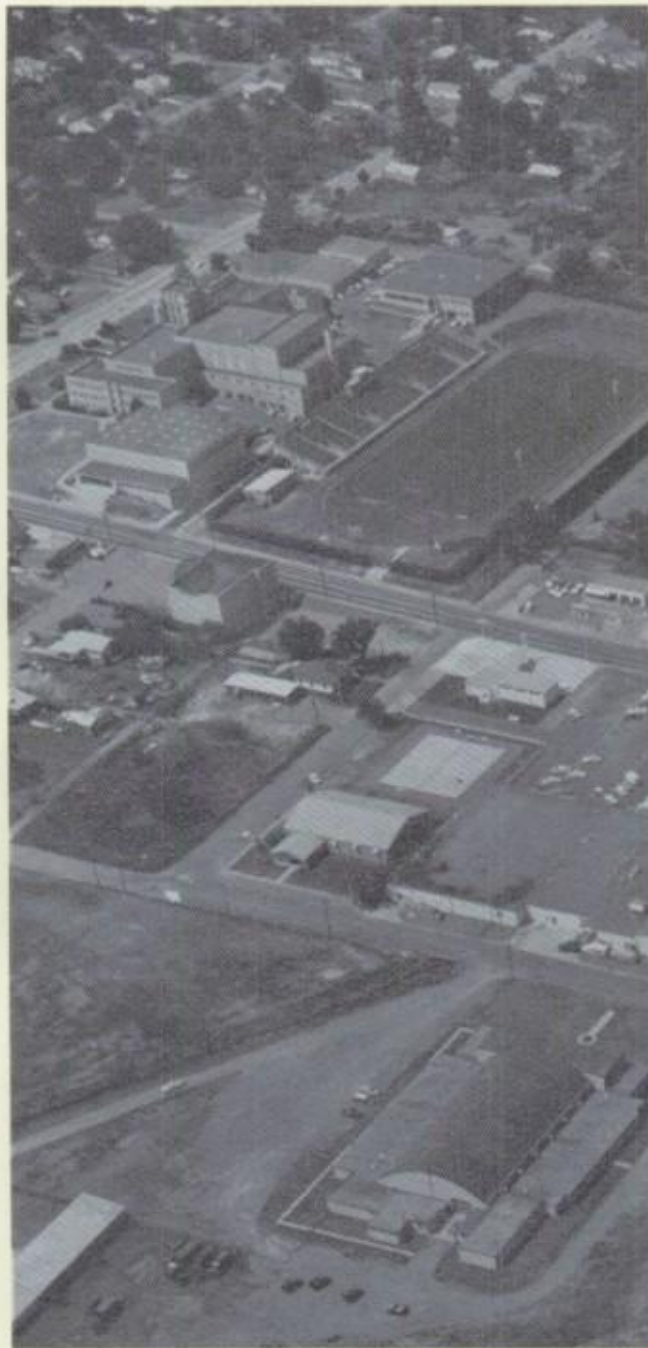

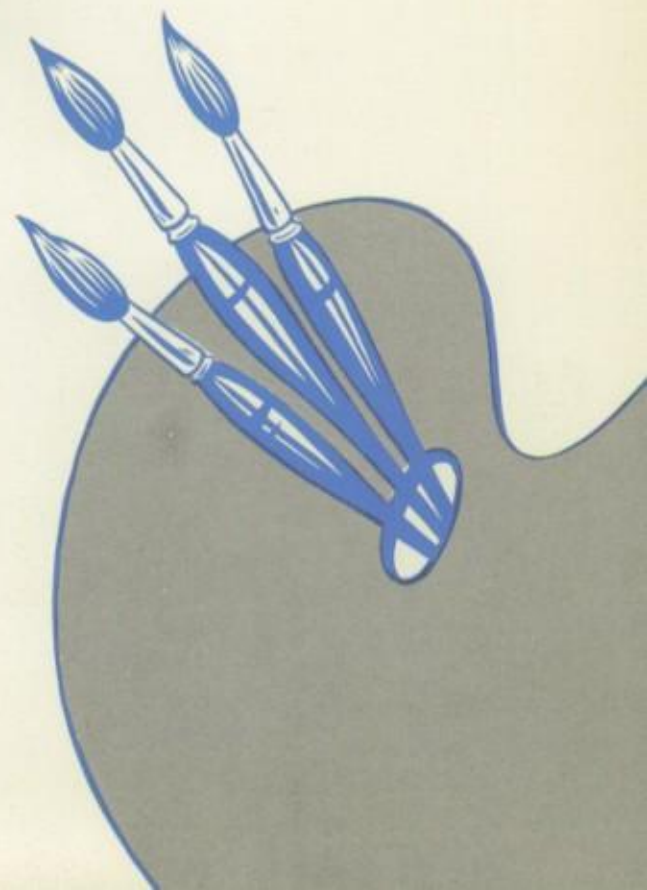

Palette, Brushes

and Easel

2	Dedication
4	Palette, Brushes, and Easel
20	Art of Learning
82	Art of Winning
102	Art of Serving
128	Art of Achieving
160	Art of Being
242	Art of Making Friends

First Hints of Autumn. . .

are in the air . . . summer is a memory and winter a dream . . . the first football game and the joy of winning . . . the unaccustomed clang of a bell calls hesitant minds to reality . . .

The first assembly . . . the Homecoming Game . . . the excitement of choosing royalty . . . the realization of belonging . . .

Winning the State Gridiron Crown . . . a record Thanksgiving Day Game attendance . . . This is Autumn on Wildcat Hill.

It was the year of the total look . . . and the Beatle haircut . . .

. . . of spending the night on the front terrace . . . to be first in line for a Senior ring . . .

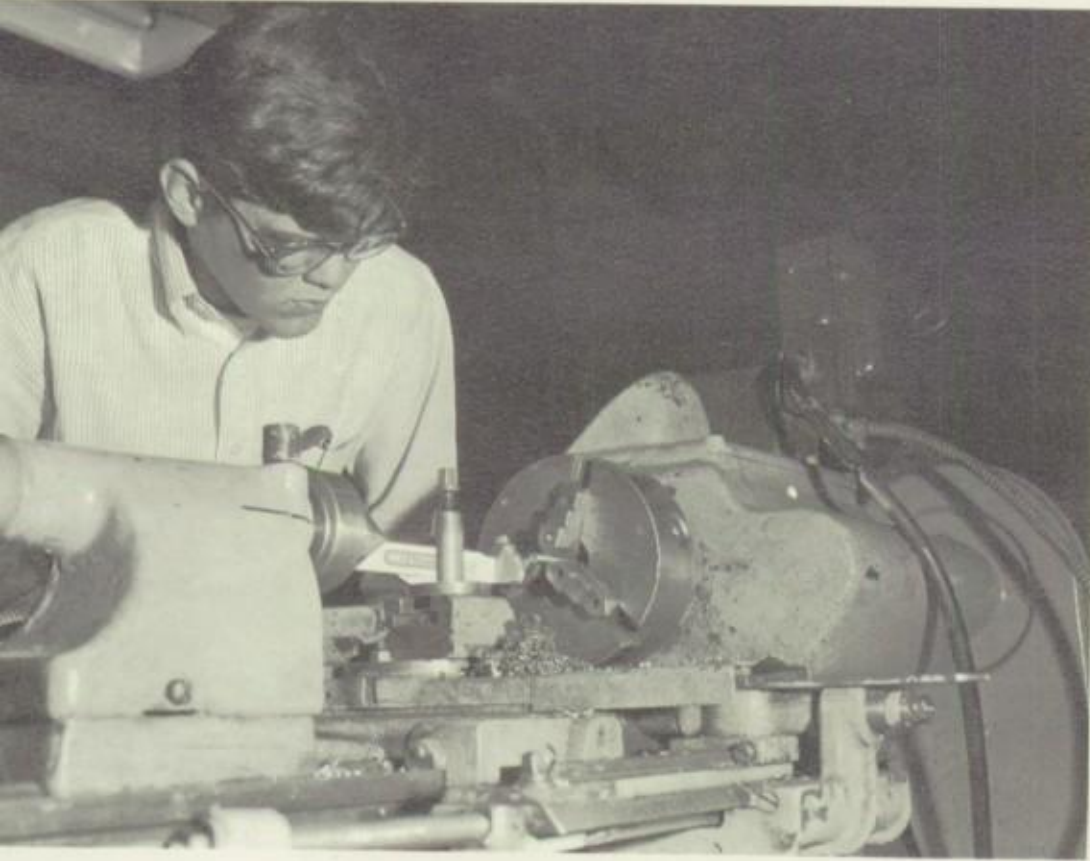

Yet, somehow we managed a Thanksgiving Assembly . . . and crowned a pair of Queens Color Day.

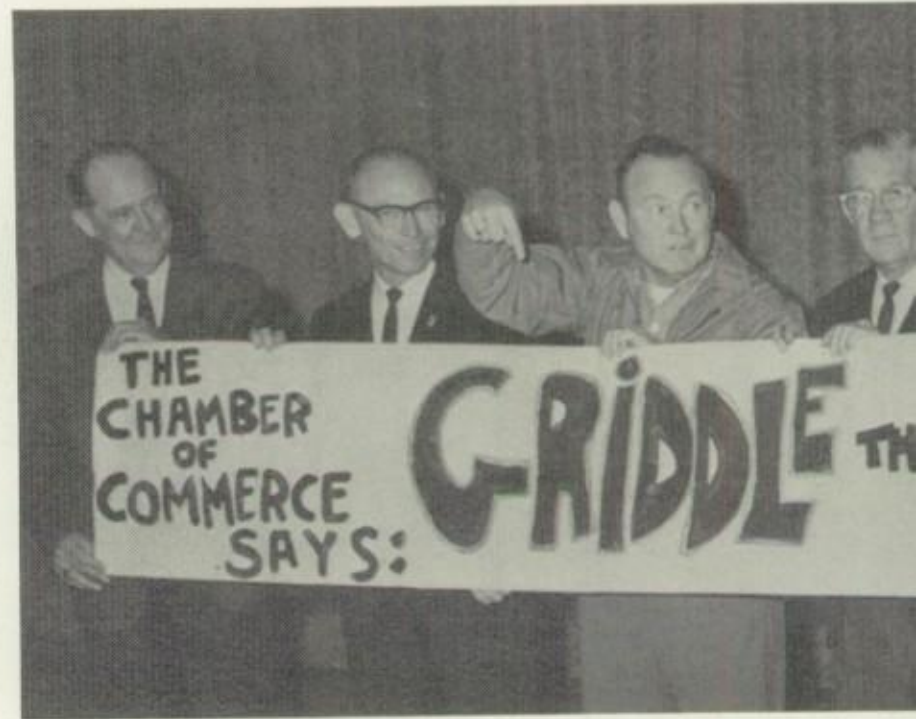

Vocational Arts Building

And we dug in with a will in the
labs and classrooms.

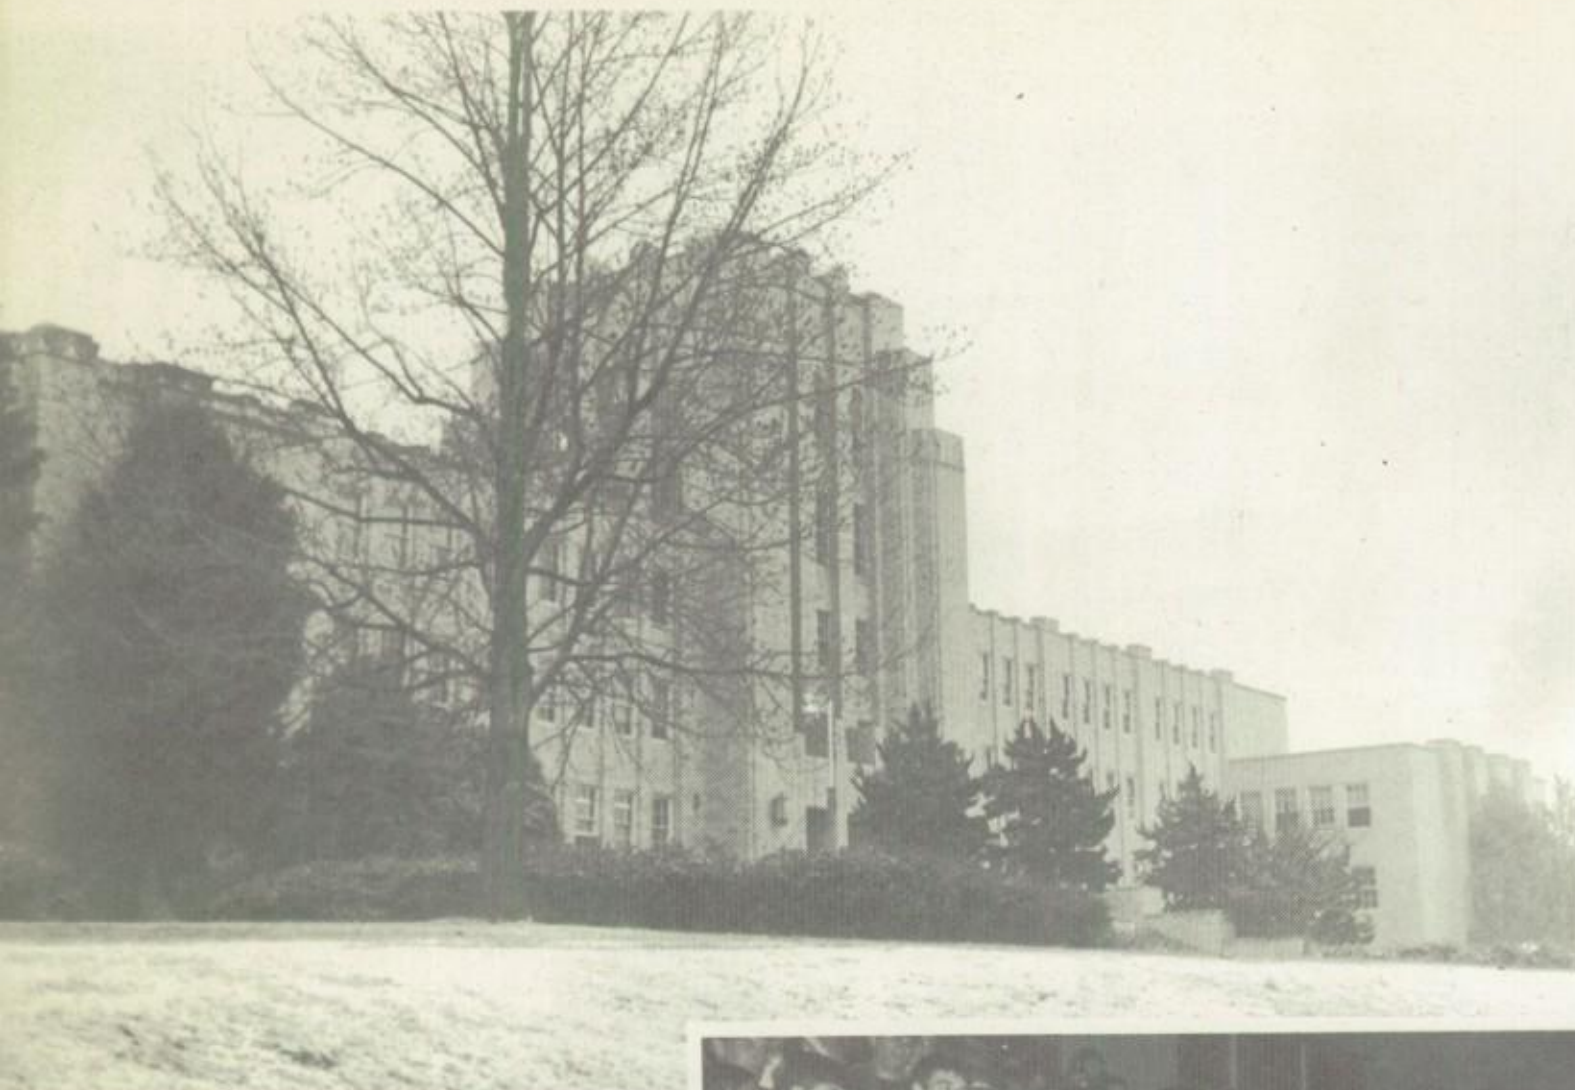

Spirit ran high during Autumn with the announcement of state championship and a trip to the Cotton Bowl for the football boys. Providing this vast amount of school spirit was the backing of the Pep Club, Drill Team, Chamber of Commerce, bon-fires and wonderful student body.

Winter brings the first snowflakes. . . .

. . . covering the Hill
with a mysterious
bright light . . .
Bright light was also
provided by the Phys-
ical Education Build-
ing as the Wildcats
supported their bas-
ketball team.

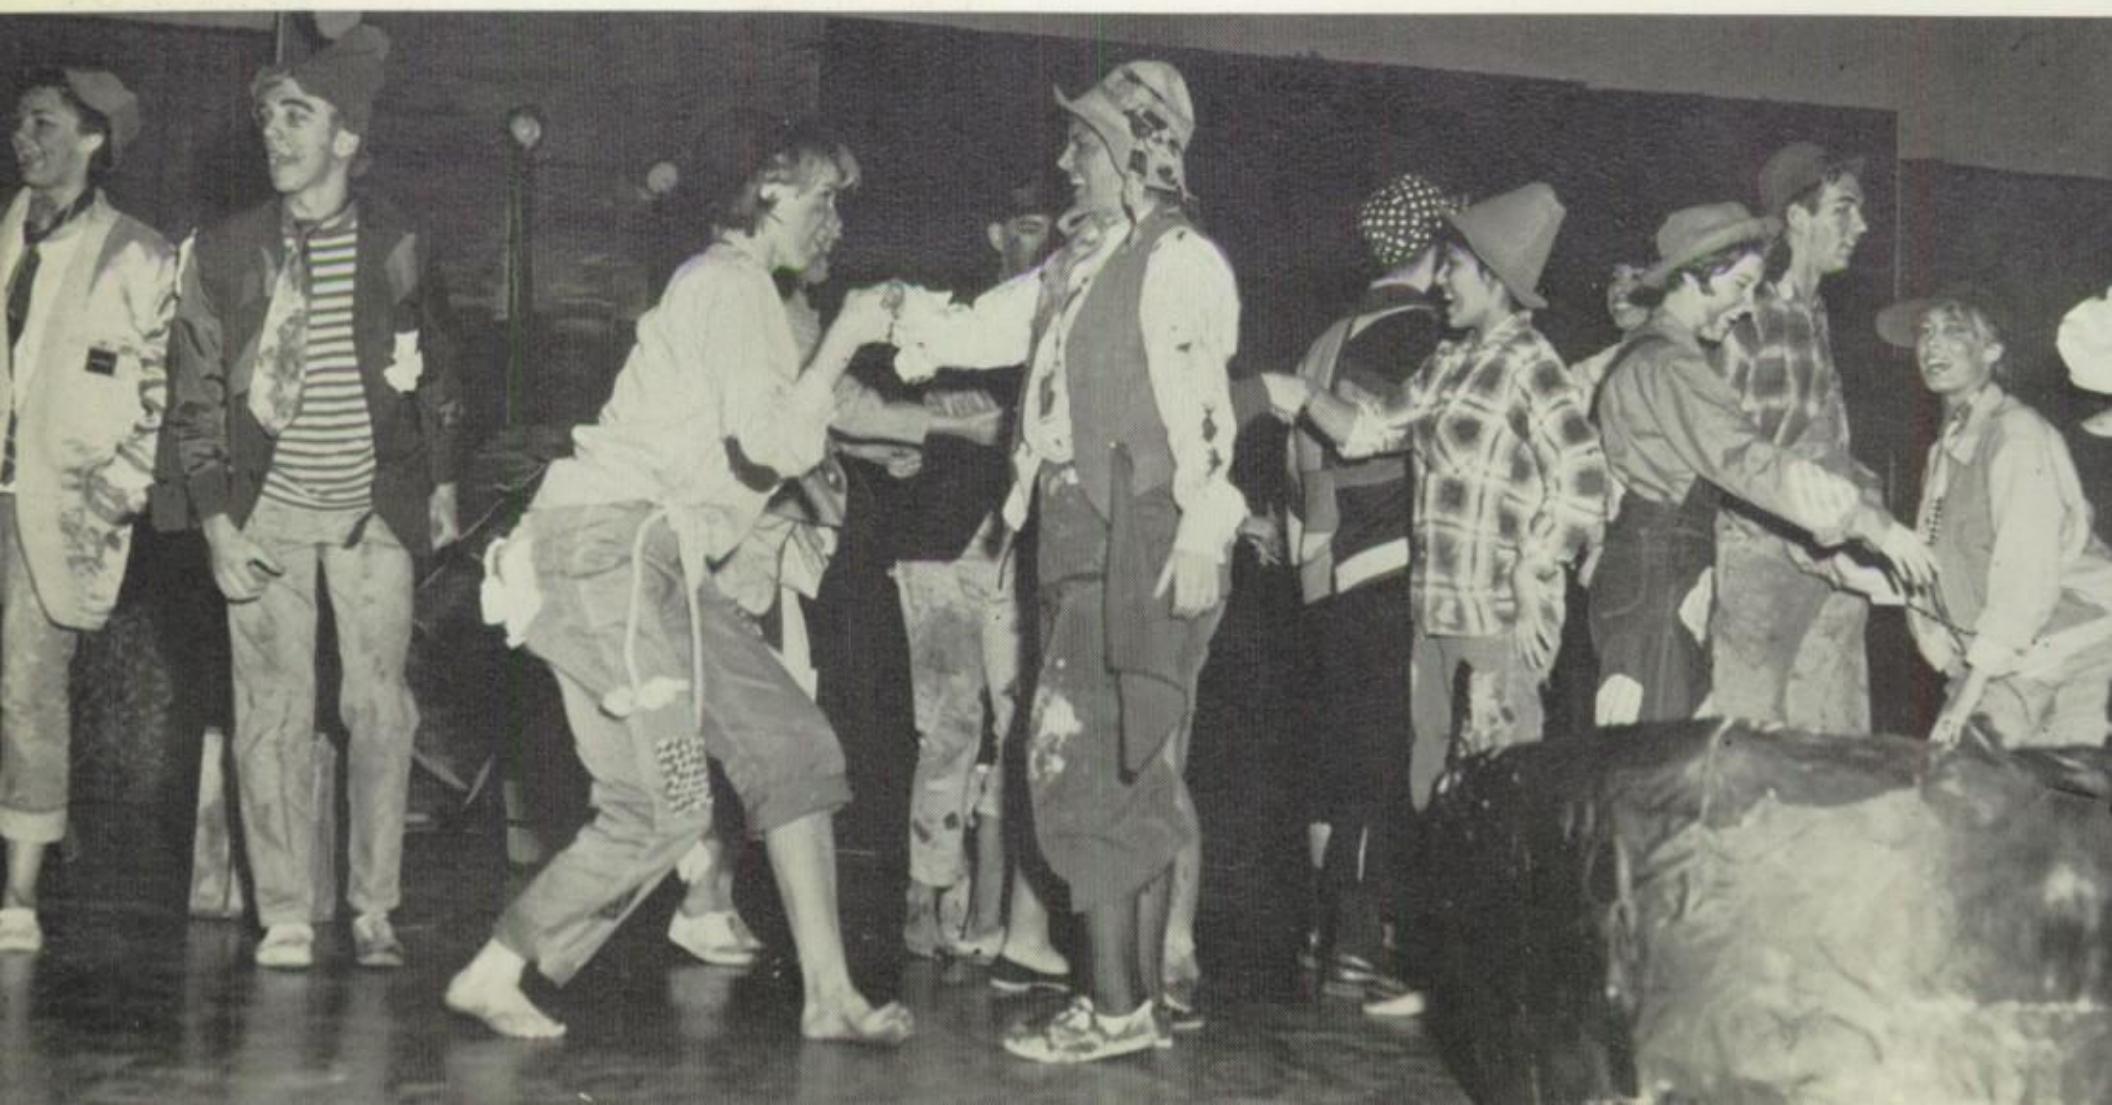

The auditorium was kept busy while the Thespians produced 'The Doctor in Spite of Himself', featuring star Thespians.

Winter Brings 'A Fine Life' to NLR...

... in the form of the Wildcat Fol-
lies with Norman Snow, Skip Cov-
ington, Kathie Jordan, and Le Ella
Ratcliff playing the leading roles.

The musical comedy was produced through the efforts of the student director Sally Riggs, the orchestra leader Mary Jane Ford, and business manager Steve Nickles. Elaine Anderson was responsible for the settings.

The Music Building is the scene of much activity in Spring as the choirs busily rehearse for Musical Varieties and the bands go through their paces for the Spring Concert.

Spring. . .

bursts upon Wildcat Hill as the brilliant butterfly climbs from its chrysalis. Dreary winter days give way to rays of sunshine and dreams of summer.

Thoughts of Graduation and the awaiting world invigorate the Seniors, while the Sophomores and Juniors are compelled only by the promise of the rollicking carefree days of leisure.

Finally, books are laid to rest in temporary graves of dust, but the Wildcats take memories of Wildcat Hill as they scatter in the winds.

Class of '66 Presents 'The Heiress'

One of the many Spring highlights was the Senior Play, "The Heiress" by Ruth and Augustus Goetz. With a cast of nine members it was presented the evening of March 18th. The two-act play was directed by Miss Donna Wasson and her assistant Elaine Anderson.

The play was the story of a retiring young heiress, portrayed by Carolyn Davison, whose chance to marry was blocked by her father, played by Steve Kilpatrick, an obstinate gentleman who believed the young man in question, characterized by Randy Shireman, was infatuated with the inheritance and not the heiress.

With a magnificent set, designed by the Art Classes under the direction of Mrs. Searcy Thompson, and a superb cast, the play was acclaimed by all who saw it.

Steve Kilpatrick as Dr. Sloper humiliates Catherine, his daughter, by telling her to be more like her mother.

The entire cast is shown before the curtain rises and lights go down.

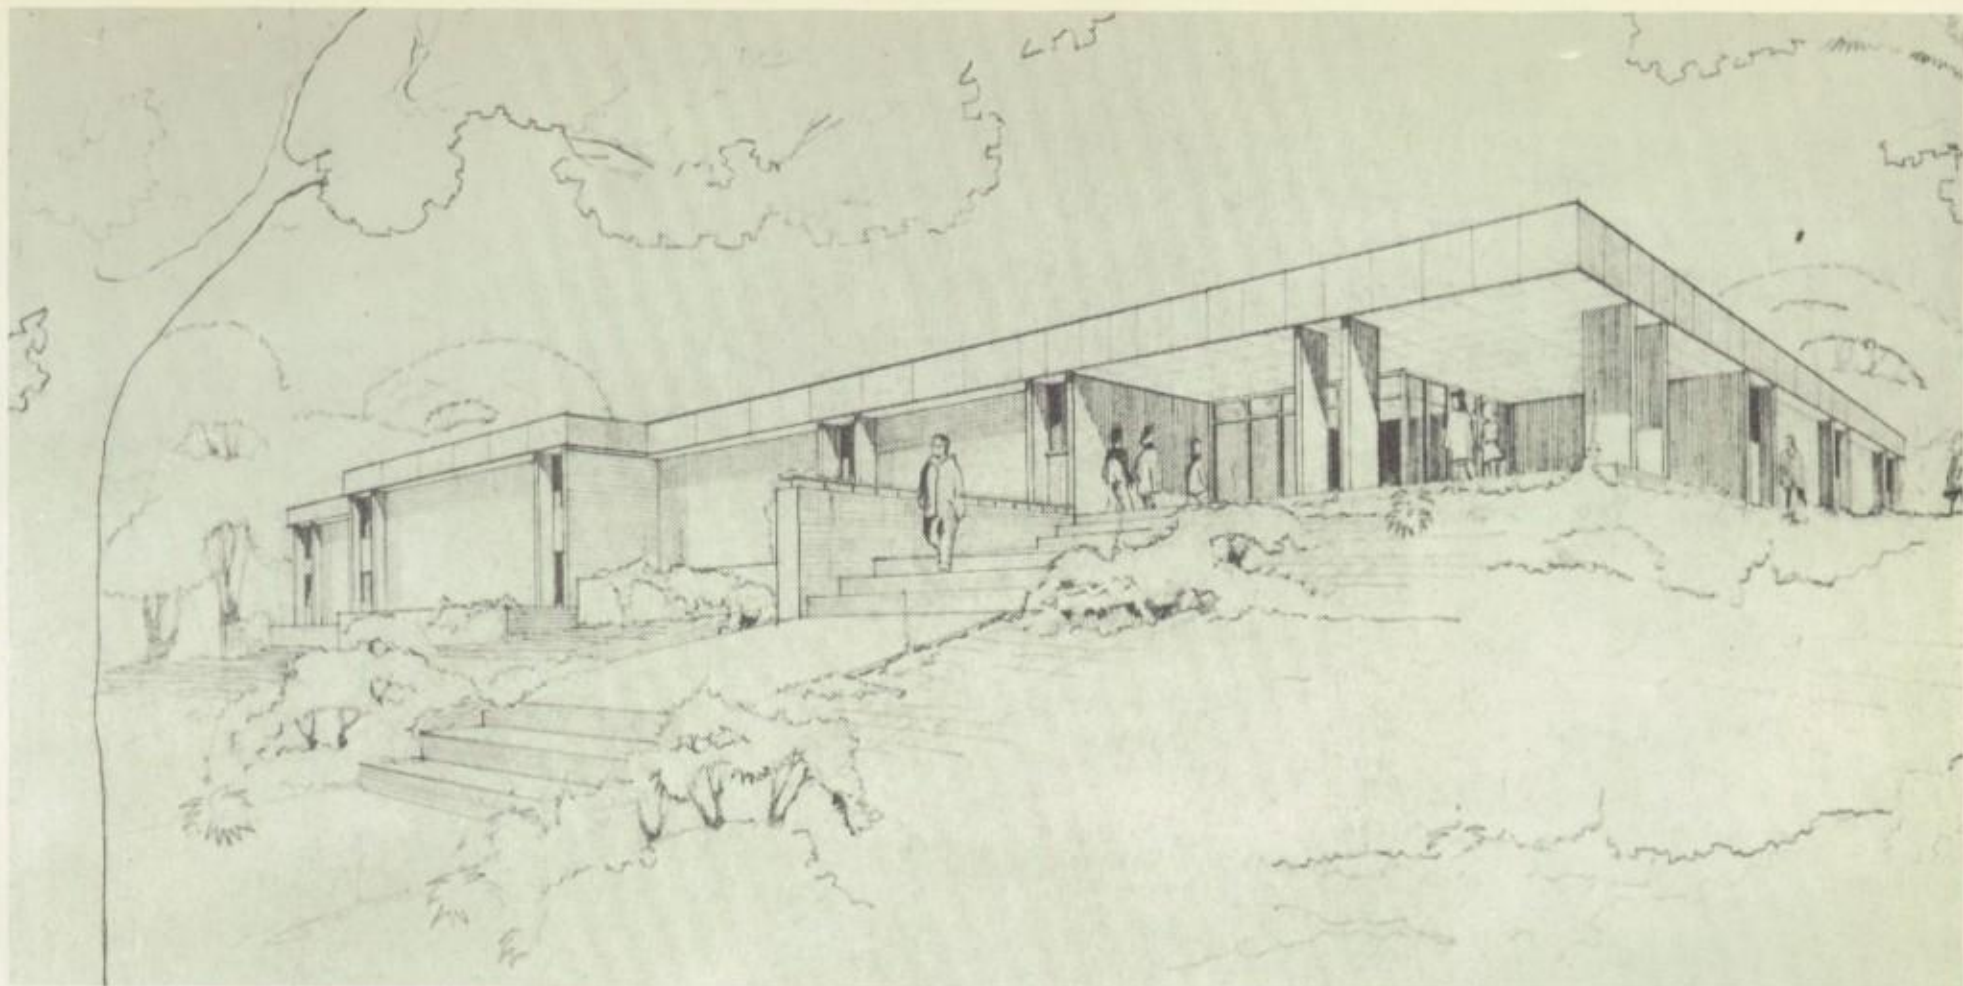

Gillis Bartholmey as Maria waits to take the message to Mrs. Montgomery, written by her boss, Dr. Sloper.

Carolyn Davison and Randy Shireman present the romantic atmosphere to the Heiress in their roles as Catherine Sloper and Morris Townsend. Below, Catherine breaks down while Aunt Lavinia (Sara Smith) tries to explain why Morris may not come for Catherine.

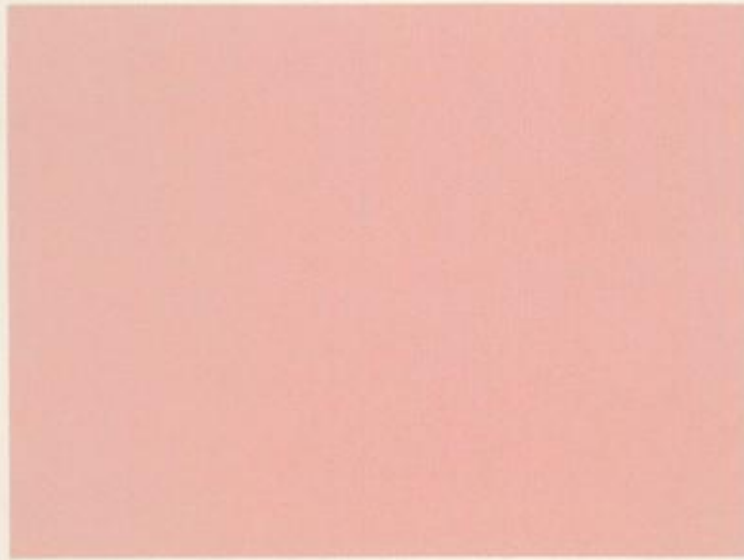

A. Sketch courtesy of architects Erhart Eichenbaum Rauch and Blass.

... and as the year draws to a close, Wildcats anticipate two major events — completion of the new Science Building on the West Campus, and that all important Night of Nights which would make all the trials and tribulations of the last twelve years worthwhile.

Mr. J. Harrod Berry
President

Board of Education Determines School Policy

Second only to the Missouri-Pacific Railroad facilities as the greatest enterprise of Arkansas' greatest industrial city is its public school system.

North Little Rock's 13,139 pupils attend 25 schools in the district, each manned by its own certified staff, and cafeteria and maintenance personnel.

These six people perform the super-human task of providing the best program possible for these ambitious young Americans on the meager budget of \$3,598,964. That they do a magnificent job is proved by the fact that the North Little Rock system is highly respected on both state and national levels.

The faculty and student body of Senior High are deeply grateful for this service which is given sacrificially and free of charge.

Mr. James C. Bohannon
Vice-President

Mr. W.D. Todd
Secretary

BOARD OF EDUCATION - - - approves purchase of land for the new Science Building. Mrs. Norman, Mr. Storm, Mr. Bohannon, Mr. Stroud, Mr. Berry, Mr. Todd.

Superintendent of Schools

Mr. James Albright, supervisor of physical education, health and safety, and Mr. James E. Taylor, supervisor of buildings and grounds for

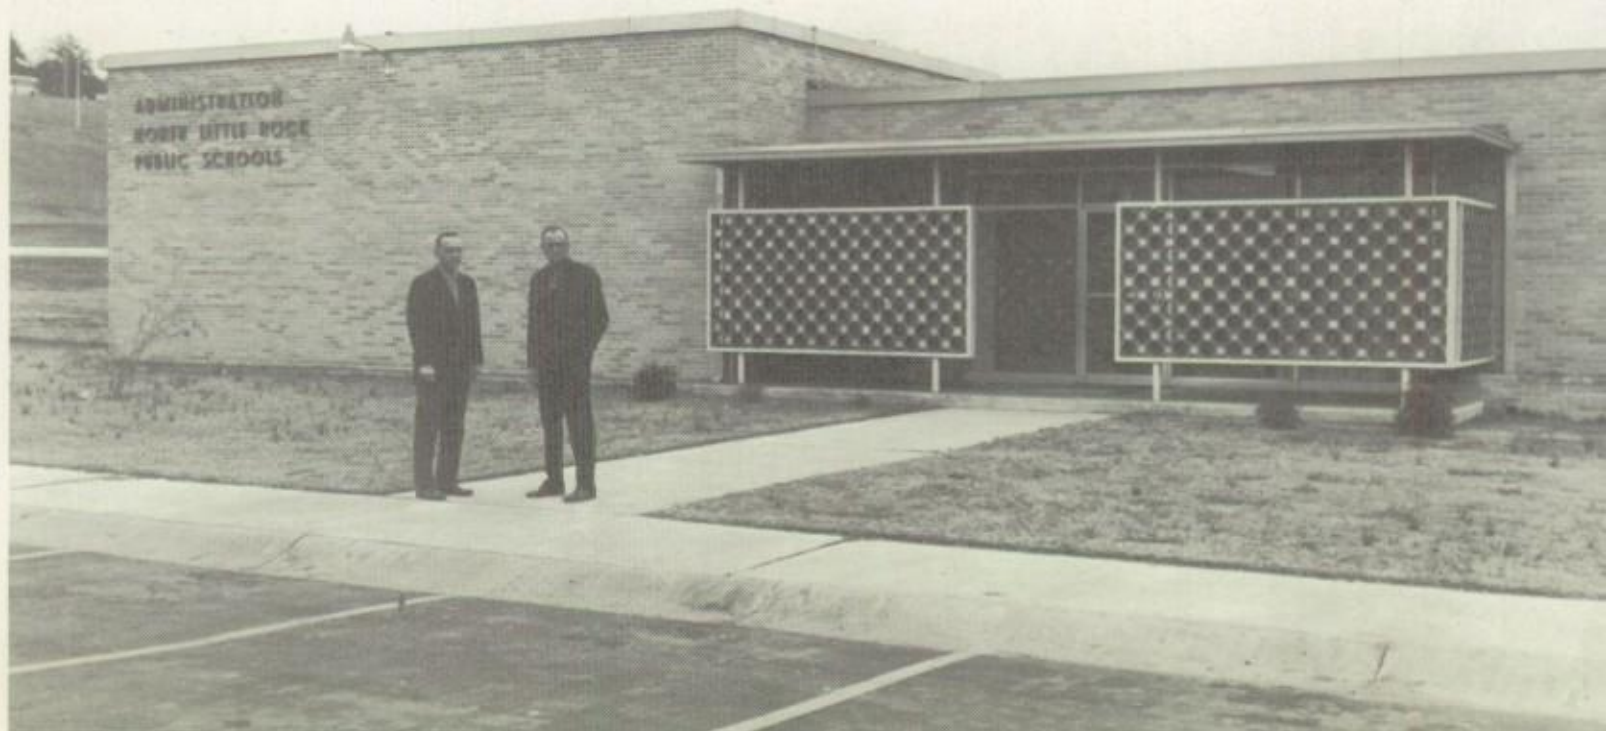

Administrators Direct The School System

In his ten years as superintendent, Mr. Wright has seen the enrollment of the North Little Rock Public Schools grow from 10,753 to 13,139; the instructional personnel from 345 to 531; the number of elementary and secondary schools from 19 to 24.

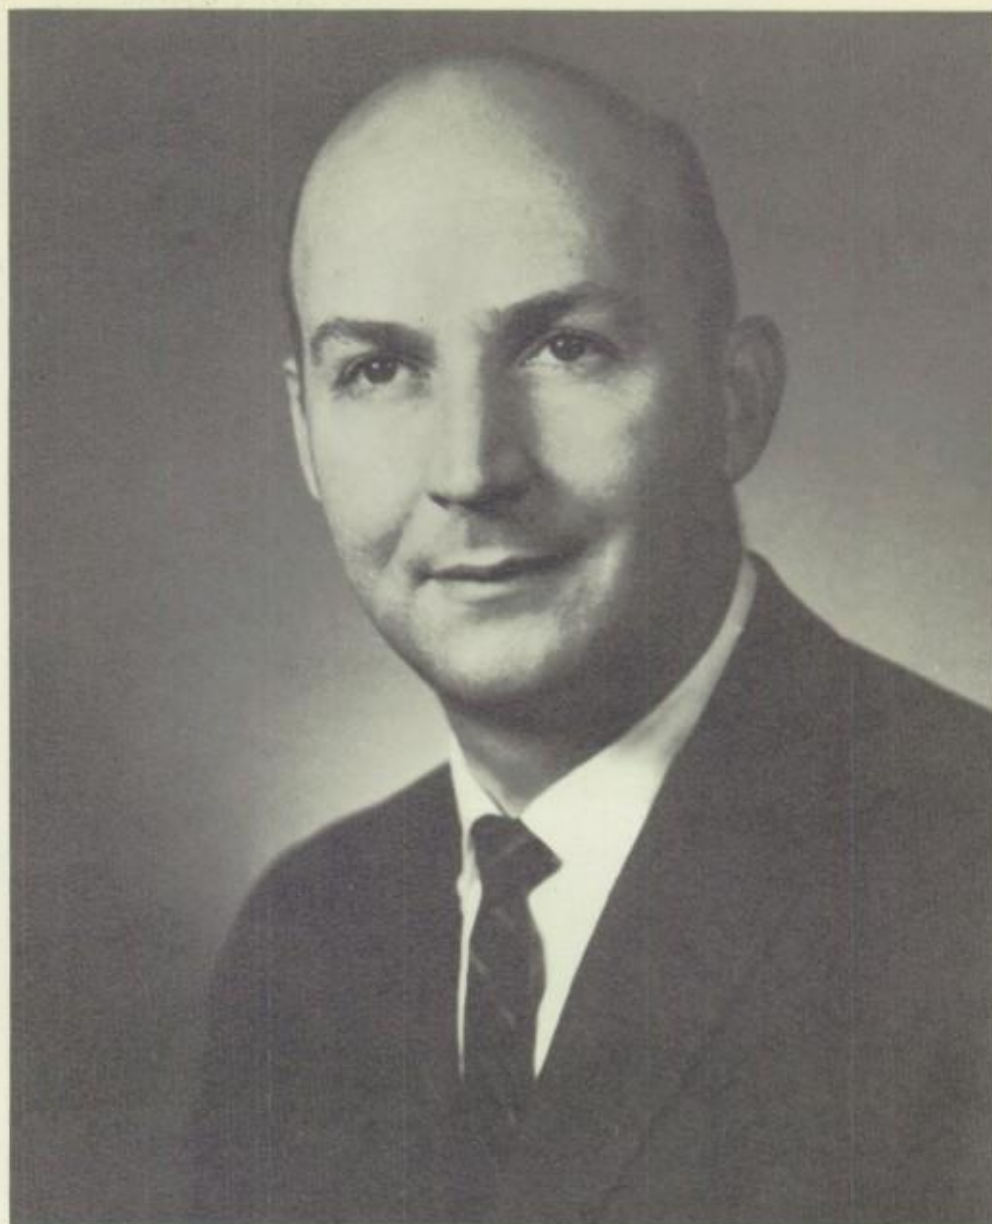

Already on the horizon are plans for another major classroom structure on the Senior High campus and another at Jones. Plans for a third high school are in the talking stage. Education is of top importance in North Little Rock.

Mr. Wright was formerly assistant superintendent and was at one time principal of Senior High.

the North Little Rock system, confer on the walk in front of the Administration Building.

Mr. George E. Miller
Deputy Superintendent

Mr. William E. Shelton
Assistant Superintendent

Principal Directo Senior High

Mr. Burnett is just completing his second year as principal of North Little Rock Senior High. Before becoming principal, he served as dean of boys and as head coach of the Wildcats.

A strong exponent of school spirit, Principal Burnett endeared himself immortally to the student body when he led the victory march down Main Street the night the Wildcats defeated the Fort Smith Grizzlies and clinched the football crown.

Mr. Raymond Burnett

Deans Assiost

Mr. John Montgomery
Dean of Boys

Mr. Montgomery also serves as a coach for the State Champion Wildcats.

Mrs. Vada Cowan
Dean of Girls

Mrs. Cowan teaches classes in senior English in addition to her duties as dean.

Guidance Counselors

Guidance Counselors take our past and our present and advise us about our future.

Miss Merdith Landers
Head Guidance Counselor
Coordinator of Guidance Programs for the school district

Mrs. Billingsley talks with Paula Boyd

Miss Helen Frasier
Counselor

Mrs. Faye V. Billingsley
Counselor

Mrs. Charles Carpenter
Head Librarian

The library was recently enlarged to include both the former library room and a previously adjoining classroom.

Librarians

Mrs. James Cook
Assistant Librarian

Mrs. Carpenter and Mrs. Cook coordinate their work to make an efficient and orderly library.

The high school library facilities have been enlarged and improved this year. They may be enjoyed and utilized by any high school student.

Secretaries

Mrs. Margaret McCloskey is secretary to the principal.

Secretaries form the backbone of the running of the high school. The never ending job of the secretaries pertain to helping students, select courses, and solving problems pertaining to school and family life.

Mrs. Mary Alice Blalock started her first year at NLRHS working hard.

Mrs. Richard Martin is secretary to the guidance counselors.

Mrs. Madge Millsapps is kept busy, busy, busy, with her many jobs.

Liberal Arts Perpetuate Culture

Math, science, history, without their basic skills no student can hope to succeed in the Twentieth Century.

Whether they be astronauts or deep-sea divers, housewives or computer analysts, the most advanced technological training in the world is wasted on those unfamiliar with the principles of American government, those not versed in the heritage of our country and people, those untrained in the applications of everyday commerce.

Nowhere in the world can a more solid and broadly based education be had than at NLRHS. Every facet of academic endeavor is covered in the NLRHS curriculum. Physics, chemistry, biology, trigonometry, algebra I and II, geometry, and math cover the more technical aspects of study. The history of the United States and the World is covered from beginning of time to the ever changing present. Human relations classes study the psychology of human compatibility. Journalism students produce an 8-page bi-weekly newspaper, the HI-Comet and a 288-page annual, the Wildcat. Economics students prepare to take the reins of high finance.

The realm of learning is a large one indeed, and the key note for the NLRHS system is "comprehensive."

English Is Magnificent Mongrel

Mr. Robert Steele, that man of many talents, instructs his class in folklore.

In this modern world, English is a language that is taught in every country and is rapidly becoming the universal language.

English is a magnificent language mongrel. It is the means by which we communicate with the past and future. We learn about the past from our heritage of literature, and pass on our literature to future generations.

Fortunate is the student who attains a mastery of English.

Mrs. Nita Allbright, head of the English department, lectures informally to her class.

Mrs. James T. Booker brings the Medieval Period to life for Veirlone McGinty and Doris Springer.

Mr. Ray Poindexter explains the ancient epic of Beowulf to Senior English students Tim Anderson, Diane Tucker, Mary John Turner, and Mike Hooper.

Mrs. Marianne Wilcox aids Junior Larry Holland in the principles of English grammar Mrs. Joe Bumgardner (below) watches Danny Holland study the American literature taught in Sophomore English.

Mrs. Paula Bookout checks the books of Juniors Ann Jackson and Mary Jo Ellington for the fast approaching book reports.

Mrs. Benny Swafford admires an English notebook as Sophomores Clay Boone and Jim Branson look on.

Walter Morpew asks Mrs. Lynn Tarkington for help in his Sophomore English class.

David,
It has been
a pleasure to teach
such a smart boy
& am looking forward
to great things in your
future. Best Wishes,
Mrs. Sue Perry

Mrs. Sue Perry discusses structural grammar with Sophomore Danny Wright(Below) A friendly smile from Mrs. Lucille Cook assures her class of a pleasant hour of learning.

Mrs. J. H. Riley utilizes that age-old visual aid - the blackboard - to demonstrate an integral part of Sophomore English.

Journalism Records Memories Of Today for Tomorrow

The journalism department trains the journalists of tomorrow. These students are responsible for the Hi Comet and the Wildcat yearbook where one year at North Little Rock High School is permanently recorded.

The journalism course of each year is a year-round job, since the yearbook cannot be turned out in the mere nine months of school.

Even as you hold this Wildcat in your hands the editors, artists, and photographers are already working on the 1967 Wildcat.

Miss Katye L. Russell, head of the journalism department, works with editor Prissy Petty on the annual.

Editors Prissy Petty, Susie Oswald, and Mary Anne Owen select pictures and draw up pages for the '66 WILDCAT.

Hi-Comet editors Carolyn Davison, Diana Johnson, and Christy Rodman work busily to meet a deadline.

Louie King and Sally Sockwell, both first year students, learn the various aspects of putting out the paper and annual.

Mrs. Hazel Ragland, head of the Social Studies department, is North Little Rock's only American Government teacher.

Economics, Government Provide Reins of Responsibility

Somewhere-somewhere among the youth of today are the governmental leaders of tomorrow. But finance and politics are no longer fields for those without formal instruction, and it is the job of the Economics and American Government teachers to prepare each student enrolled to take the reins when their day comes.

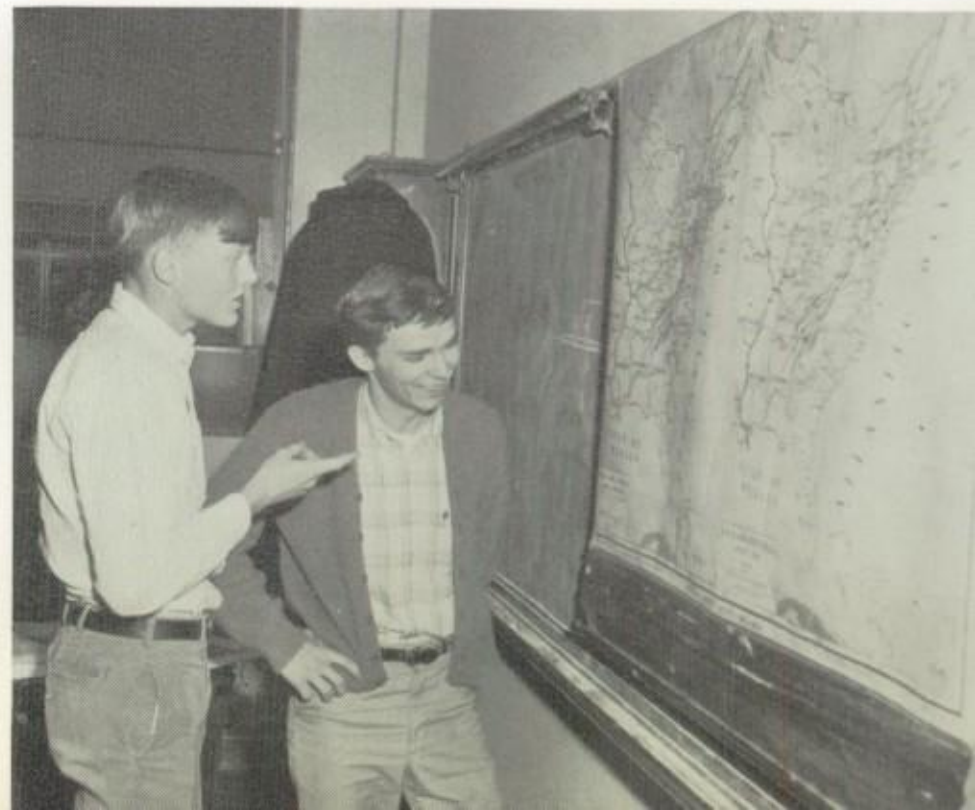

The American way of life may depend upon the quickness and ability with which they slide into the harness of responsibility.

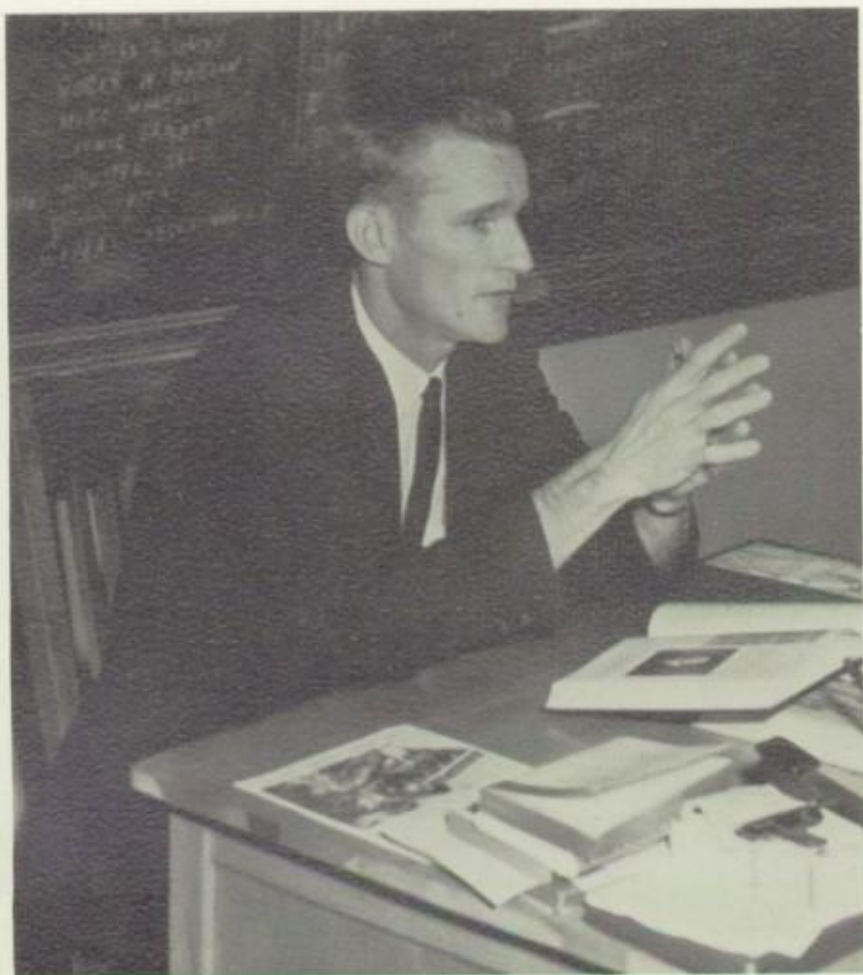

Nancy Luptok, Patsy Adams and Sheila Gailbraith study a map illustrating the Civil War supplied by Mr. Pate, a practice teacher. At right, Randy Keen and Joe Fishback also study maps concerning American Government.

Rickey McPhearson studies the workings of the government through various magazines.

American History Students Study Past, Prepare for Future

Mr. Carl J. Moore explains to this class a point brought out in a discussion.

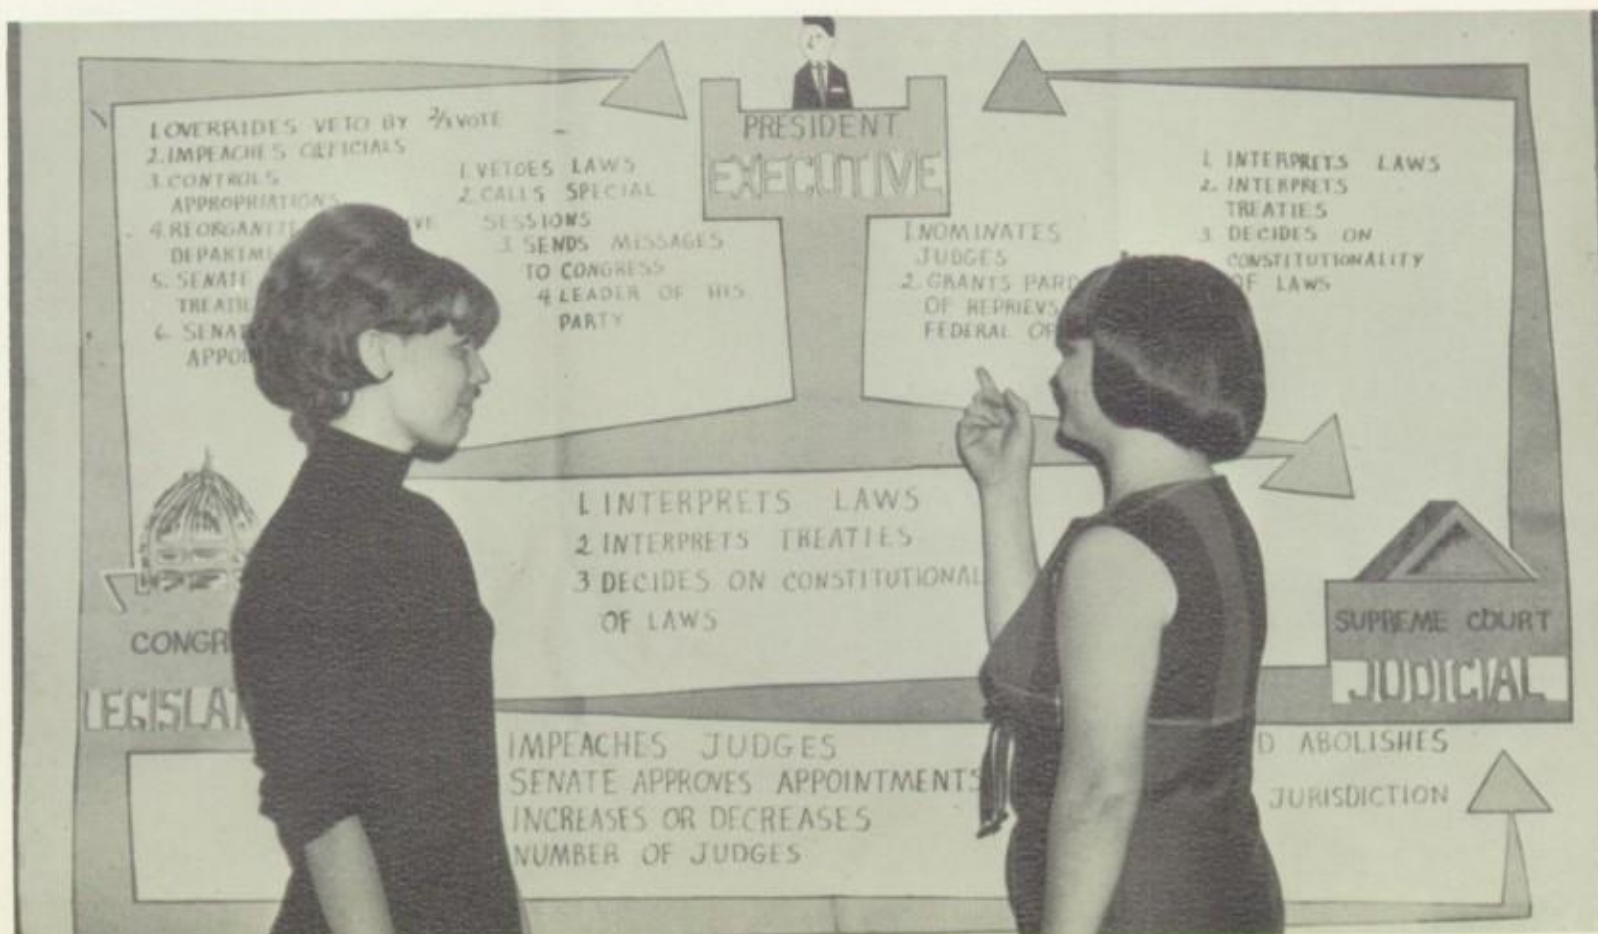

Mrs. Jean W. Fleming pauses from a class lecture to answer one of the many questions asked by inquiring students.

Dear to the heart of every American is the glorious heritage of our history and every Wildcat who has studied that subject here has a greater pride in our country, its government, its laws, its wonderful gallery of heroic personalities.

It is not likely that this campus will ever know any of the misguided youth whose warped conceptions of the American Way of Life make headlines elsewhere.

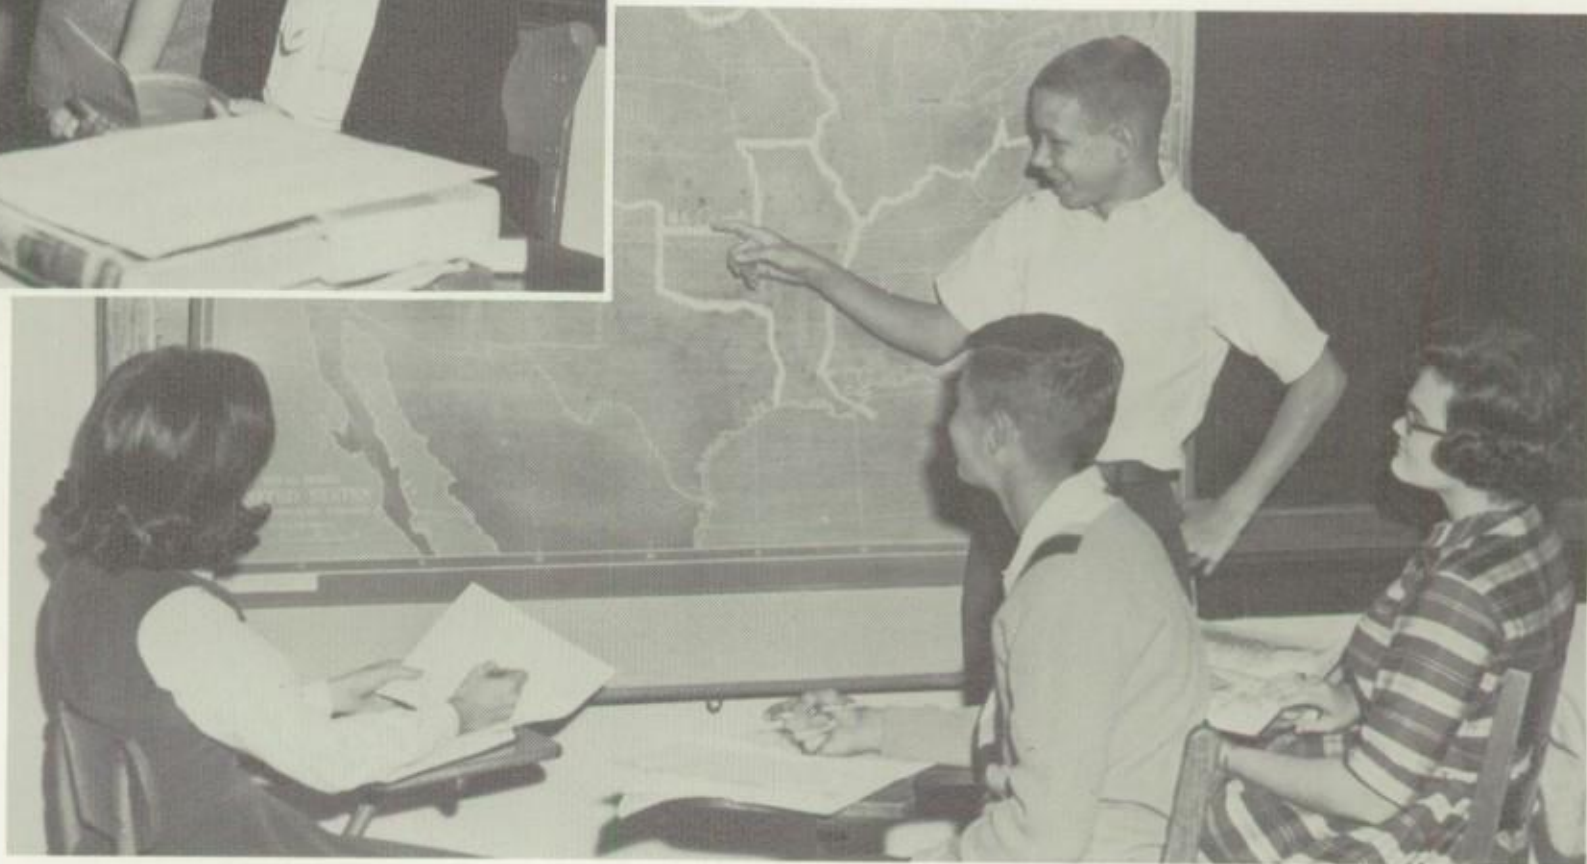

Judy Clowers and LeElla Ratcliff point out facts concerning the government on the class bulletin board.

At right, Mrs. Julian B. Priddy prepares to begin a lecture.

At left Mrs. Janet Pharr helps students proof read special reports and below Randy Prickett points out interesting points about the Louisiana Purchase to fellow classmate.

Mrs. Paul Mosley watches as Dan Blackwood and Brenda Smith prepare a flannel board about government.

World History Teaches Story of Mankind

World history is a dynamic course. Students in history class study about the development and problems of previous generations.

While learning the story of mankind, each student has a chance to explore the philosophical questions that have been asked since the beginning of time. Stimulation of thought through the discussion of history can result in ideals that will make the heritage of tomorrow a blessing for tomorrow's people.

Mr. C. W. McFall is North Little Rock's only World History teacher!

Students consult Mr. McFall's room library for extra reports. At right, Mr. McFall explains the story of world civilization to the class.

Mrs. Jacqueline Reams explains to the class the importance of the ever-changing world.

World Geography Explores Globe

A cab driver when being asked in an interview where Vietnam was replied, "I'm not sure, but I think that it is somewhere between England and Japan."

In this fast moving world, when we could all be vitally affected by the action or reaction of our foreign neighbors, a knowledge of the globe is of vital importance to all. For there is no reason for knowing the history and background of a country, without a knowledge of its locations.

John Williams and Lyla Taylor locate different parts of the world on the wall map.

Steve Witkowski and Johnny Quattlebaum make use of the new world globes which the school acquired this year.

Human Relations Provides Personality Insight

Glasses in hand and an intensity on his face, Mr. James R. Parker instructs a human relations class.

Mrs. Garland Beavers cheerfully aids a student in the art of social living.

Mixed reactions - resolution, contemplation, and "she must be kidding!" - are all common in the course that studies these very reactions (left) Sergeant Bob Reynolds animatedly talks about traffic regulations.

(Left) Mrs. Louise Cammack, a newcomer to the Hill, enjoys a discussion with David Harris and Cassie Mitchell. (Below) Mrs. Cammack uses various devices for making Human Relations interesting.

Human Relations classes strive to help students understand themselves and the people they live and work with. During the course of the year they study manners, driving etiquette, and many other topics related to the art of living.

Mr. Willard Campbell, a representative of the Christian Civic Foundation, speaks to the Human Relations classes on the dangers of alcohol.

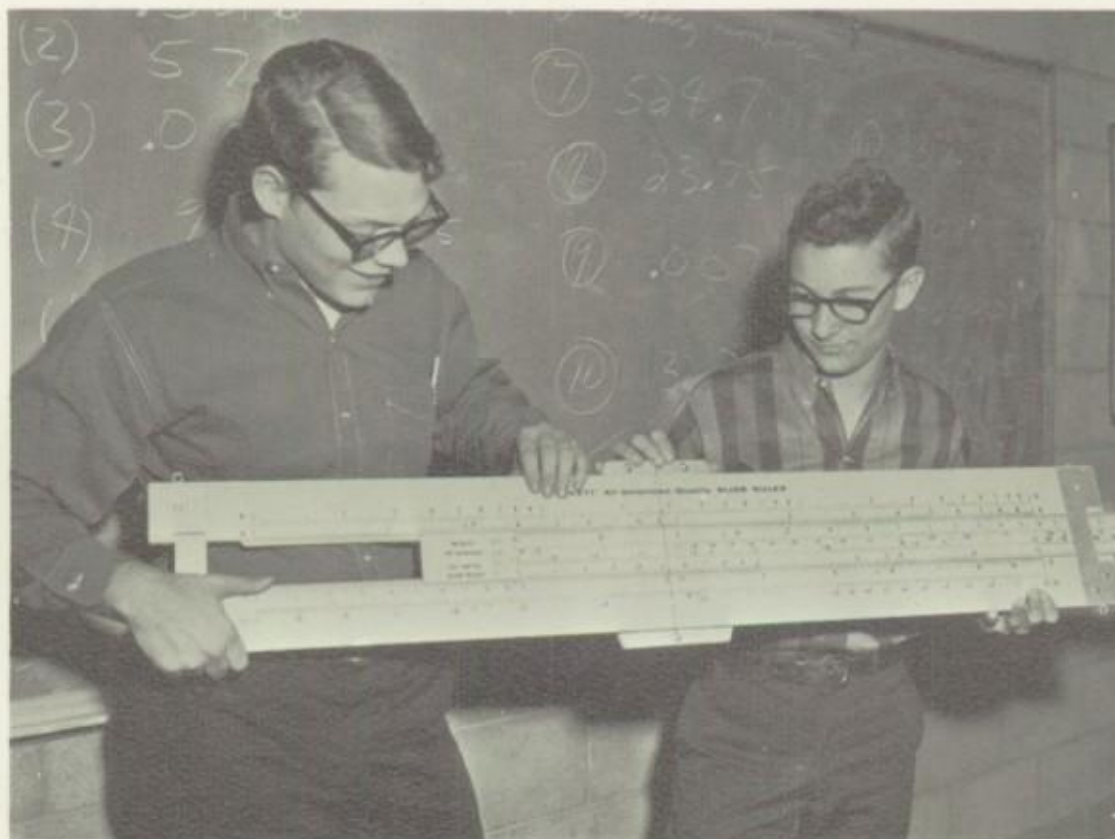

Plane Geometry Makes Solid Sense

Geometry is the math class primarily taken by Sophomores. It is a combined study of plane and solid geometry, in which formal proofs are the main medium of comprehension.

Mrs. Fred Croom encourages Gene Stafford with a geometry problem.

John Cook and David Hill learn the principles of the slide rule as they are taught in geometry.

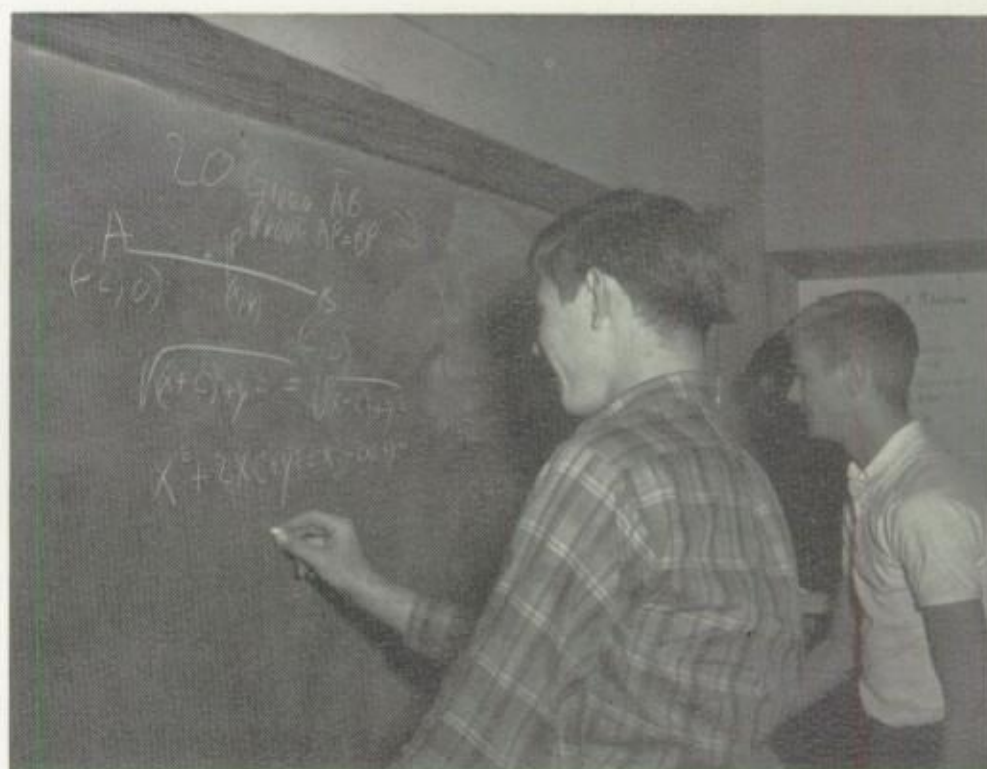

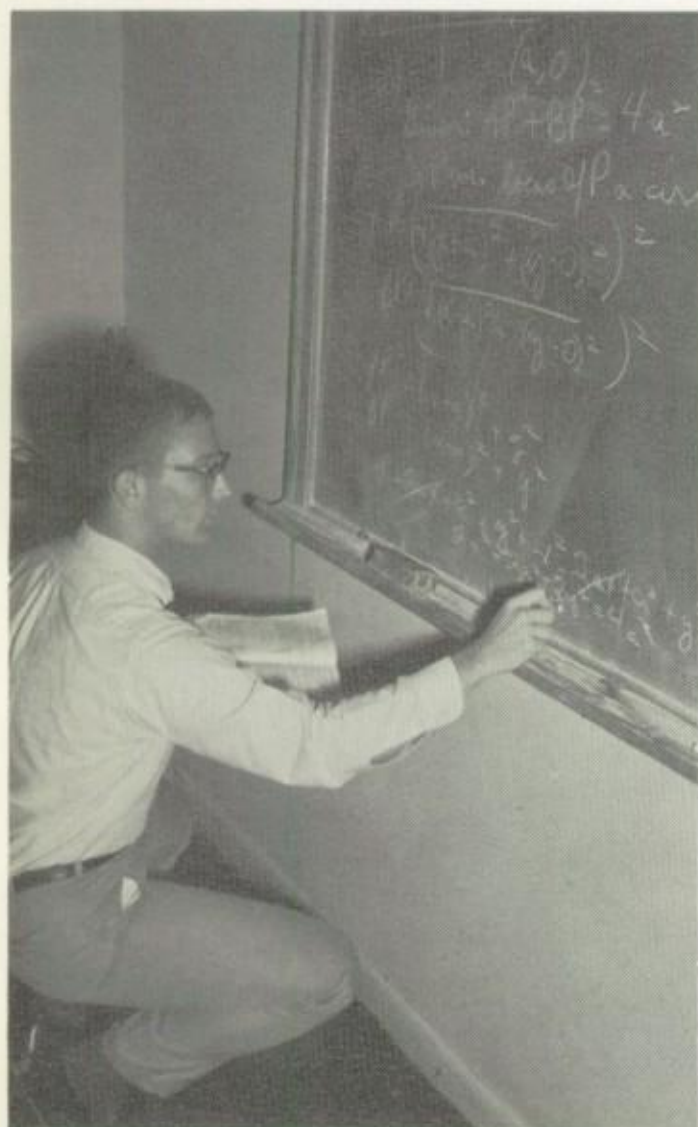

Mrs. Nora Lee Lawless, head of the math department, intrigues Sophomore Pat Reeves.

Advanced Math... Contemporary Combination

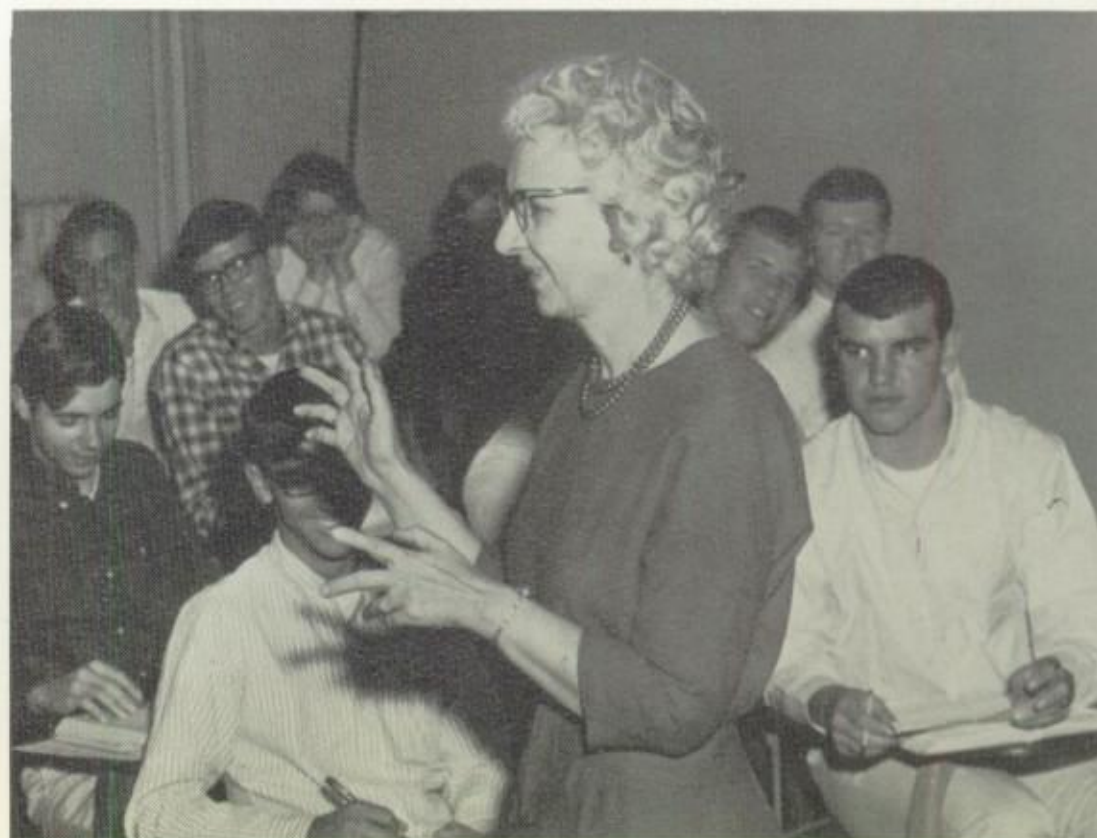

Mrs. Helen Weeks ponders over a difficult problem with Margaret Rozzell.

Jack Keathley and Rick Ault perform their skills in formal proofs.

(Left) Pat Goss, noted scholar, hinders another one. . . . (Below) Mrs. Weeks gestures to a class and is met by a variety of facial reflections.

Advanced math is a study of the combined mathematical fields of calculus, analytical geometry, and trigonometry. This course is offered to Senior students as an intensive course in preparation for college.

Algebra: Equations for Success

Mrs. Nancy Wilson indicates a bulletin board of interest to math students.

Algebra I and II concern the search of the unknown factor by means of equations and calculations, while general math is a generalized study that covers the basic aspects of the language of numbers.

These three math courses are offered to any student who wishes to take them, with no restriction as to grade.

Mrs. J. E. Ferguson utilizes the math workbook as an aid to her students.

Mrs. Suetta Lilley explains a problem both visually and audibly. . . . Mr. Nik Nikpour, our math teacher from Iran, lectures casually.

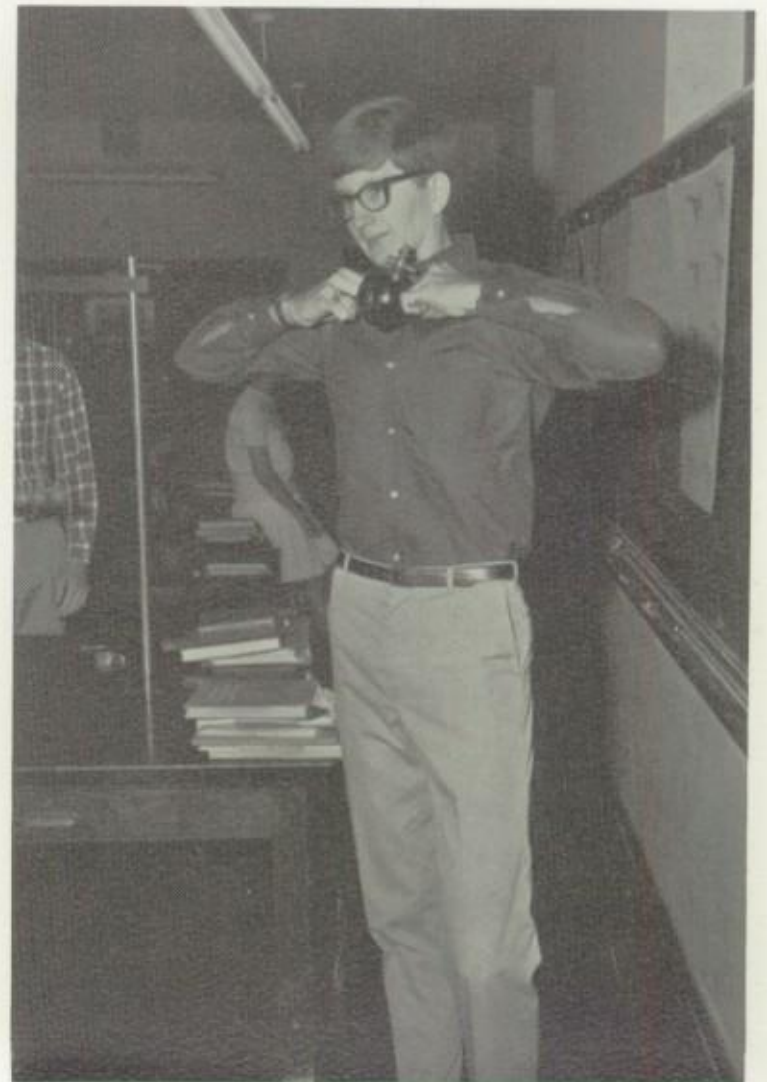

Physoico: Fundamental for the Future

Mrs. Rheba Taylor watches while students Prove the theory of Boyle's Law.

Cheryl Matthews finds the mass of a brass cube.

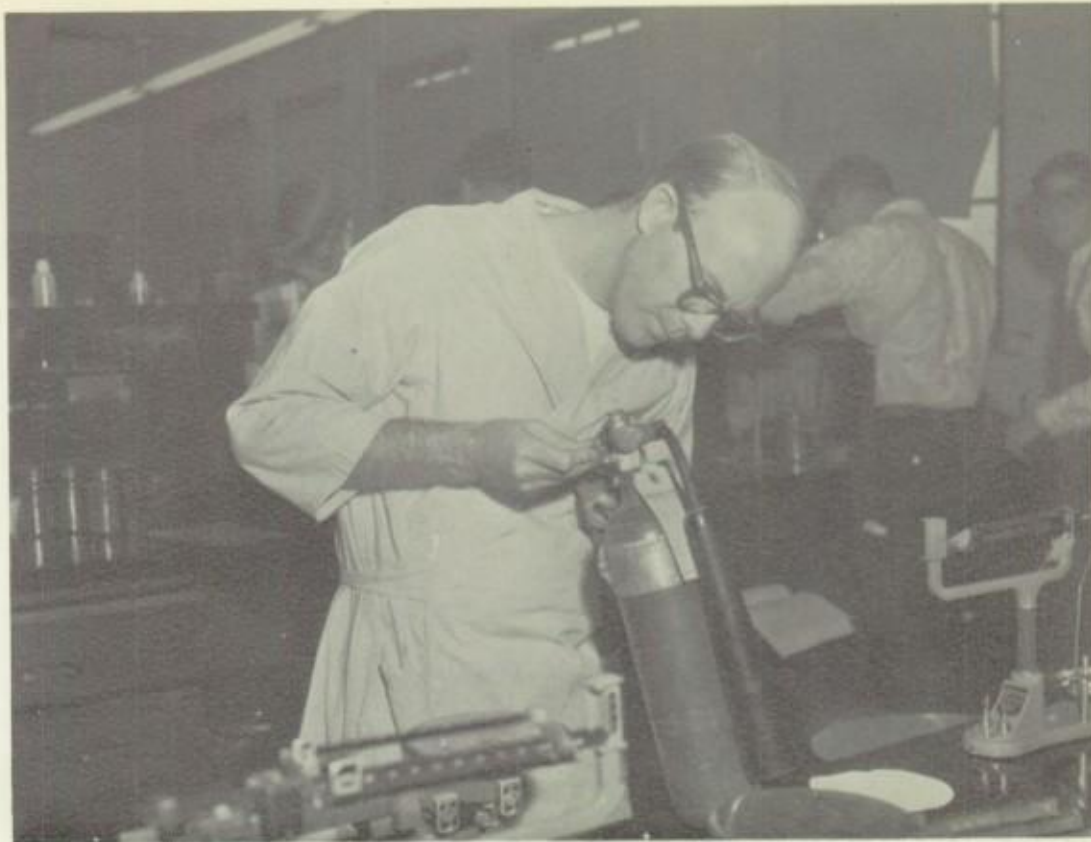

Physics students test nature to confirm her laws.

Physics is the most advanced science offered in North Little Rock High School. It deals with the study of matter and energy and the transformations of energy. The classroom schedule is varied with laboratory work, lectures, and films.

Chemistry Classes Probe The Elements

Mr. Jack L. Ward, chemistry teacher, checks the fire extinguisher in preparation for a lab experiment.

(above) Tommy Prince heats a chemical to produce a reaction. (below) Dan Blackwood and Anne Brinkley learn to use various lab equipment.

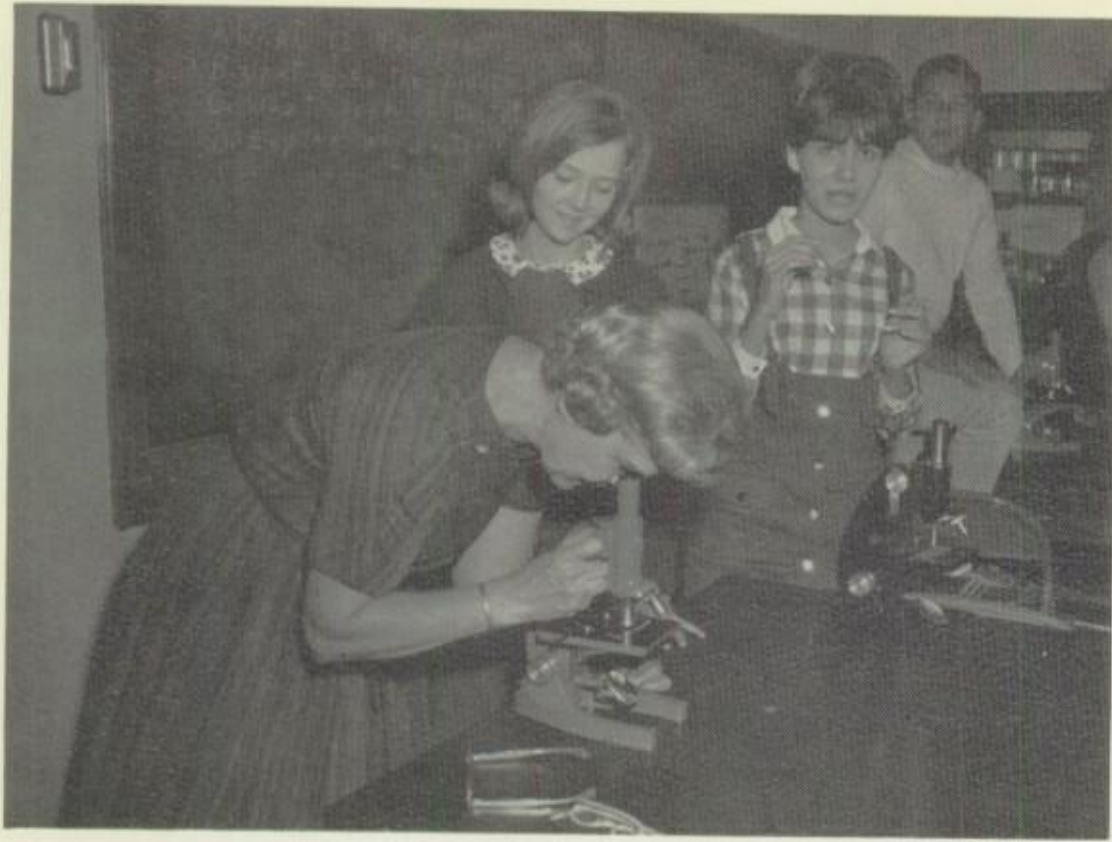

Bill Conrad and David Grissom look on as Tommy Stiffler pours a chemical into a test tube.

Chemistry is the science of the future which realizes the hopes of yesterday and the dreams of today.

Through chemistry man speaks the language of the very atoms, probing their secrets and solving their intricate mysteries.

In the lab Chemistry students learn the fundamentals of the subject - studying, learning, experimenting-preparing for the day when they will use the atom to challenge the universe.

Mrs. Mary Emma Hess teaches her students what every scientist must know. . .how to use a microscope.

In our ever-changing world the modern use of science grows. Improved techniques lead to man's understanding of life. Our new understanding of genetics, microbiology, and ecology has reached new heights.

The learning process involves the mastery of certain fundamental concepts and progress into protists, plants and animals, and man.

Relationships of living things and their environmental adaptations should bring about a dearer comprehension of the significance of life and its importance in human welfare.

Leonard

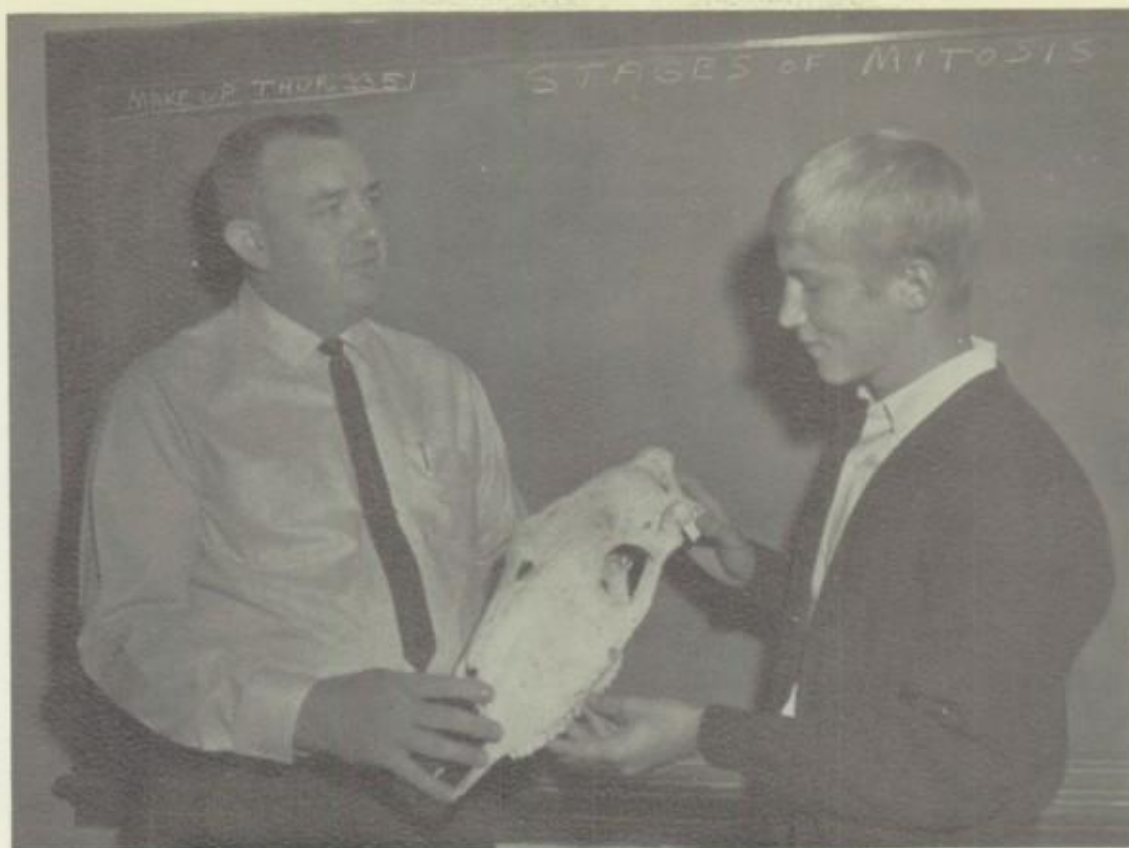

Miss Mary Law teaches Leonard Gaskins and Edgar Cox how to handle the tarantula, Dracula, safely.

James Chaney explains heredity's effect on bone structure to Beverly Ingles.

Edgar

Mr. David Manson discusses fossils with Mark Rydell.

Terry Waldrop proves the perfect balance between plant and animal life with his white rats. (Below) Kay Adkins and Roger Bartlett learn to use the microscope.

Romance Languages Create Intrigue

The spoken and written languages are the basis by which men are able to understand and work with each other. To gain a better understanding of other people in other countries NLRHS offers courses in Latin, Spanish, and French.

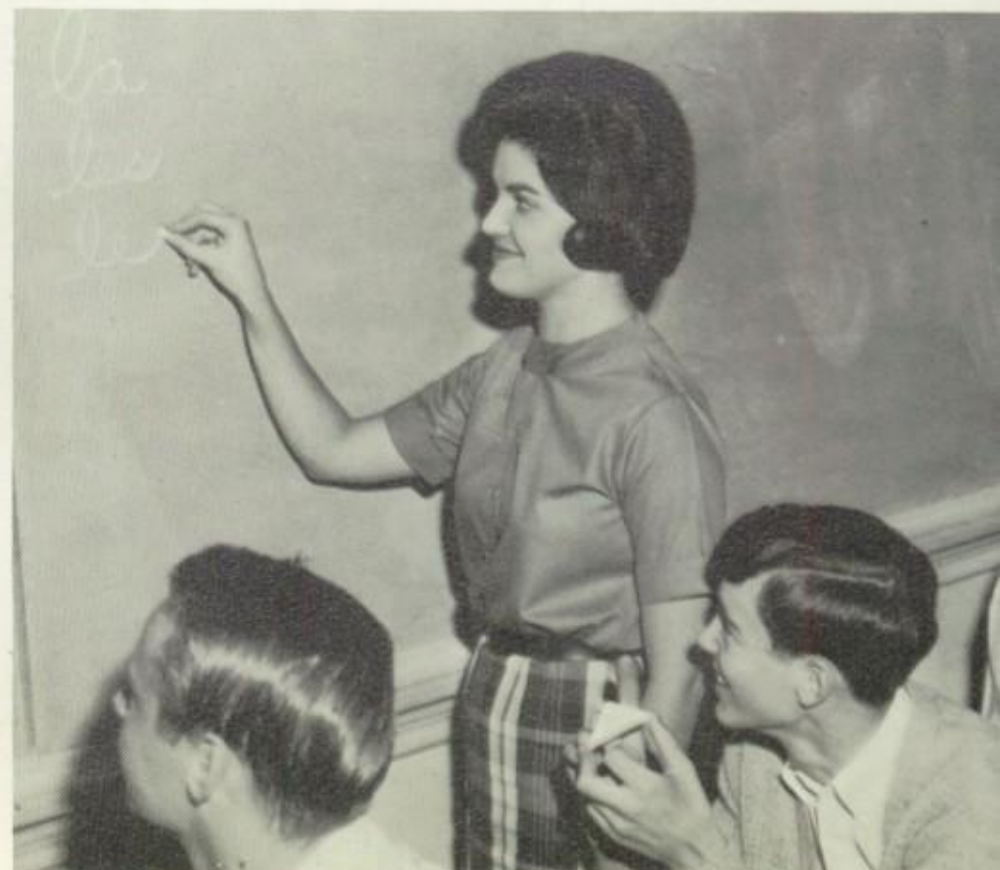

Each of these courses requires concentrated effort on the part of the student as well as the faculty. The courses are difficult but rewarding as the student goes through two years of writing, reading, and speaking the language of his choice. The students learn both in the classroom and in the modern, well-equipped laboratories.

Latin Students have to concentrate intently to master difficult translations. Right, Mrs. Sarah Helms, Latin instructor, is also the head of the Languages department.

Miss Jane Gill helps a student with some tough French assignment. Miss Sharon Fielding conjugates a verb for the benefit of her attentive students.

Spanish Students Promote Foreign Relations

An air of Espana, or Spain, centers around the intruder in room 115. Here the room is decorated with Spanish relics, and the language is chiefly Spanish.

Three years of Spanish may be studied at the high school. Spanish-type entertainment is a prominent variation of the regular classroom work.

Mrs. Bernice Hunt shows Skip Covington Spanish Christmas cards centered around a proclamation of a religious holiday.

Nathan Calhoun and Earl Fleming add an atmosphere of sleepy Mexico to their dialogue Janiva Toler, Marilyn Book, Cecilia Kirkpatrick, and Susan Walker play Spanish musical instruments in a classroom club meeting.

Fine Arts Add The Extra Touch

Nationally renowned for its musical achievement the NLRHS band has made trips to many parts of the U.S., displaying the country's most promising young musicians.

The Marching bands provided color, flair, and excitement to the season's football games half time exhibitions. The Concert and Symphonic bands lend a bright note to the crisp weather of the winter music season with concerts, clinics, and assembly programs.

The light notes of the Vocal Music Department are familiar to all students on the Hill. From secular to sacred, the various choir and groups are the pacesetting vocalists of the state. Climaxing each year the Spring Musical Varieties presented by the choral department is an invaluable asset to campus life.

From the early Masters to the Impressionists through the Cubists, every Art student has his favorite style and pattern. The transfer of ideas to canvas is a taxing challenge, and with brush in hand, and determination of spirits, the students of art prepare for a lifetime of pleasure or maybe a profitable career.

Art Classes Release Creativity

Double your pleasure and double your art work... Pat and Pam Barkley work on one of the many art projects.

Elaine Anderson listens and watches attentively while Mrs. Searcy W. Thompson helps make a finished product.

Mrs. Thompson oversees the work done on the crowns used on the Color Day assembly. Gary Bolin and Sarah Handley make a tinsel Christmas tree in preparation for the Holidays.

Throughout the year the art classes have been doing a double job; learning new techniques and serving the school.

Under the direction of Mrs. Searcy Thompson, Art Instructor, the students have been pursuing many categories, from individual painting to group projects. Besides constructing the enormous Wildcat head which the football boys run through at each game, they also make the backgrounds for many of the assemblies.

Each student that takes art may not become a great artist, but when he leaves he will have a much greater knowledge of the field of art.

Mr. Raymond Brandon, above, looks over a sheet of music before trying it out on the band. At right, Mr. Eldon White lifts the baton to direct the band in practice. Below, the marching band performs various formation for the Thanksgiving Day half-time ceremonies.

Band Provides Bit of Boost

Often striving musicians lack the desire to fight to attain perfection in their talent. This can easily be supplemented by the band student in high school. For the secondary schools will add to the style, form, skill and musical standards of this musician. Here he will find the enthusiasm and associationship of other interested students in the musical field.

The band of NLRHS is by far one of the state's finest. Aside from the musical experiences he or she will find here, there will be countless numbers of enjoyable tours, trips, and displays of their ability to perform on the football field as well as the basketball court.

*you helped to make this a very fine year - good luck for the year ahead!
J. Raymond Brandon*

Another light which will shine on the talents of these high school students is that of the school assemblies. During this time students will perform and bring into view the merits of being in a band, and the unity, before the entire student body. Also, the annual band concert is of the utmost importance, for at this concert the musicianship of these dedicated students is displayed before the entire city.

Surely at this time of year we must stop to think of the many times we have enjoyed hearing the music of the North Little Rock Wildcat Band.

The Pep Band plays an important part in the school spirit at assemblies and basketball games.

The Marching Band falls into the formation of ONE--the word with which most football supporters were most familiar.

After defeating the Ft. Smith Grizzlies the Band led the way in the victory march proclaiming to the city our state position.

The Concert Band, under the direction of Mr. Brandon, presented a mid-winter concert to the public . . .

. Kathie Jordan as the featured soloist.

Britt McCoy practices in sectional for the up-coming concert.

Choir Program

Notes Talents

Throughout the Year the Choral Music department adds to the activities on Wildcat Hill. The choir is a highly organized group of vocalists that performs in many programs throughout the school year.

Some of the choral department's greatest contributions, including the Christmas assembly, continue through the winter. In the spring begins the widely popular Variety Show and various song festivals over the entire state.

Each member of this musical program receives a better understanding of the rules and regulations of music as well as the personal enjoyment of singing for one's own personal satisfaction.

Mr. Clarence S. White is choral music director.

Choir officers for this year were Brady Gadberry, Theresa Story, Becky Bice, and Skip Covington.

Mrs. Elizabeth Bickford is also a choral music director.

Under the direction of Mr. Clarence S. White the Senior Choir performs on the Thanksgiving assembly.

The Boys' Quartet is heard for the first time on the Color Day assembly.

The Girls' Trio captures the heart of the audience as they sing in the auditorium before Christmas holidays.

Sophomore Glee Club and Junior Girls Chorus sing at Christmas.

Members of the Senior Girls Ensemble practice for perfection. (Below) Mrs. Bickford directs the Junior Choir and Sophomore Glee Club in a Christmas number.

Speech and Debate. . . Art in Communication

The speech department cultivates one of man's greatest abilities; his ability to speak. However the speech department is not satisfied with that. It teaches students to speak well, under many conditions, on many topics; to many different groups.

The speech department also wishes to improve poise and composure as well as the speaker's quality, by such things as panel discussion, impromptu speeches and debates.

Mrs. Ruth Grimmatt adjusts the recorder before a speech is given by William Woodward.

Above Steve Kilpatrick attacks the plan of the affirmative while at right, Mike McNeill and Lynn Mansfield, the voices of the affirmative, plan their rebuttal.

Louis Harroll and Donnie Lee give a demonstration speech which needs no other explanation.

Drama Students Learn Art of Arts

The study of dramatics is one that has fascinated the "thinkers" of all six civilization since its beginning.

It has held the works of the greatest of all creative writers. And through a year's study in the art of arts, one will become well acquainted with the artist of the stage. A student can drift from the works of Kitt Marlowe to the creative realism of Edward Albee.

But above all, he will become well acquainted with the masters of creative writing and the essence of pleasure that has held the attention of its audiences since the first curtain was raised and will until the last curtain call.

Miss Donna Wasson applies the final touch to the mustache of Bruce Firestone before the play begins

Drama students participate in the Thesplan play "The Doctor in Spite of Himself."

The acting out of Bible scenes was one of the many things that drama offered the students.

Commercial Arts Produce Valuable Skills

Shorthand, typing, bookkeeping, and office practice make up the commercial arts curriculum at NLRHS. All are skills of the most valuable kind. All require talent, patience, and dogged determination to master.

The fields of employment these courses open are innumerable. For instance, shorthand and typing students may choose careers in anything from secretarial work to legal assistance. Those who study bookkeeping and office practice may choose from such lines as stockbroker, or they may choose to start on the long road to becoming a Certified Public Accountant.

The commercial arts series prove to be solid, foundation courses for anyone, especially students planning to attend college or a university. The machine-gun, note giving characteristic of college professors is no fable. Shorthand eliminates having to spend costly class time writing lectures out in long-hand. Typed themes and term papers are required, and the scholar is not advised to count on his "two finger typing" to prepare rush papers.

The practical applications of bookkeeping are obvious. Every student must look forward to the day when he manages his finances on a larger scale than a weekly or monthly allowance; that is, a paycheck numbering in the hundreds or even in the thousands.

Office Practice Makes Perfect Business

Clickety-clack, clickety-clack! No it's not a train coming, but the noise of the machines seeping from the office practice class.

Rotary calculators, key-driven calculators, ten-key, full-key, IBM typewriters, and filing are some of the instruments and knowledge that Senior students have to master on their upward climb in the business world.

Janice Sanders and Kathie Harrison put their learning to practice while using the IBM machine.

Mrs. Phylliss Fisher explains to a student the techniques of office practice.

Donna Venable and Havanna Gatewood seem to be operating something other than an office practice machine.

Bookkeeping Teaches Precision Scale

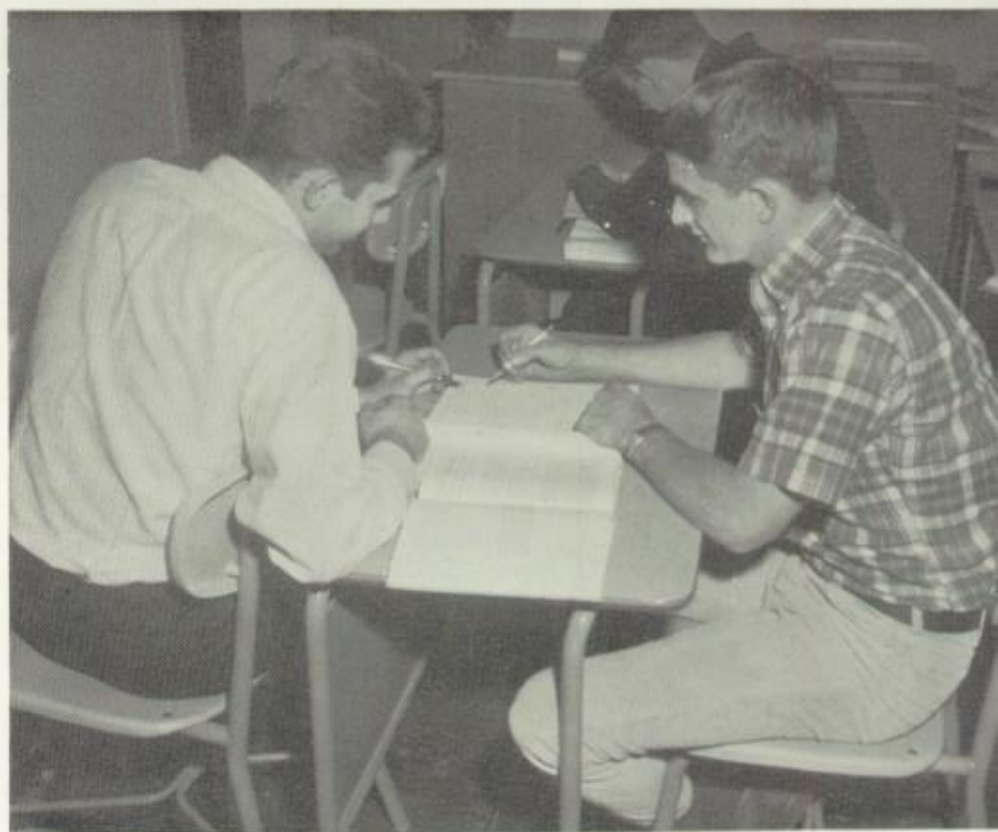

The bookkeeping classes consist of students who are interested in scientific careers, in art, in mechanics, as well as those who wish to major in the business field.

As students study the principles of "double entry bookkeeping" they begin to realize the necessity of keeping neat, accurate records. When students receive their practice set, they become the bookkeeper for a business and must record all the transactions of that firm.

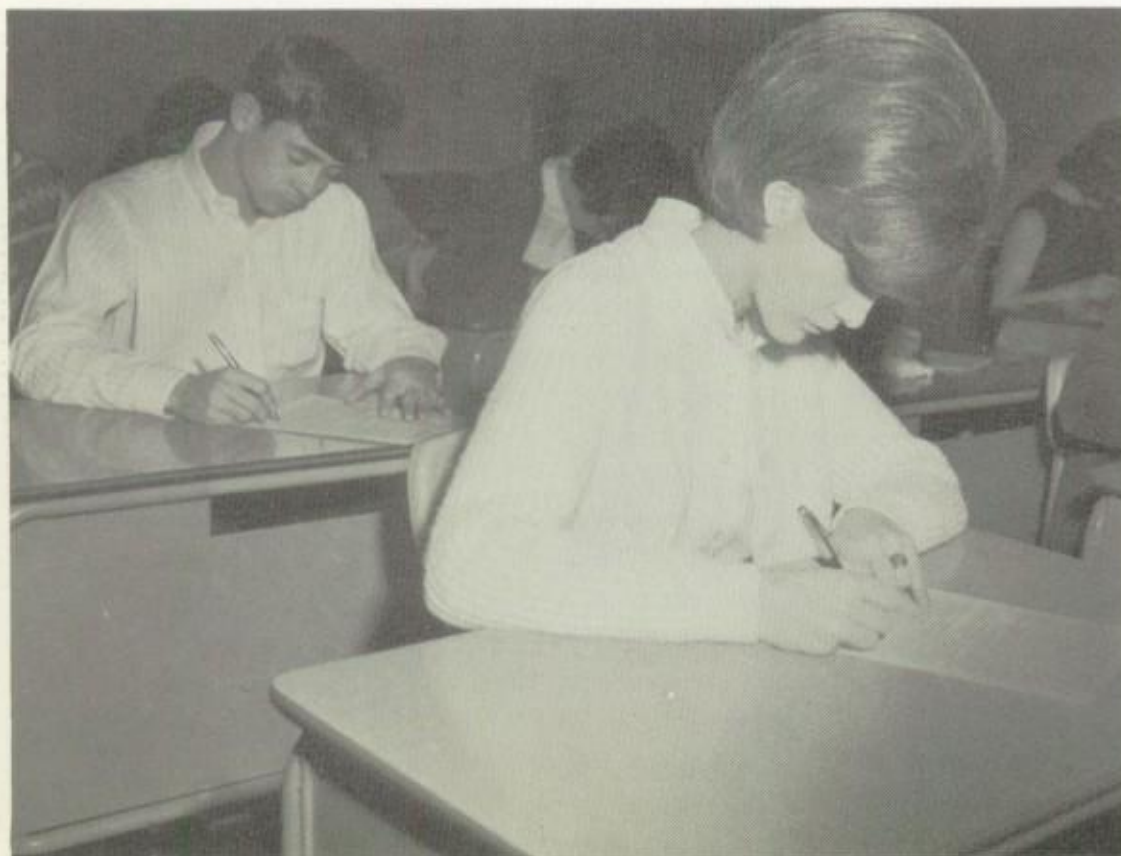

Those who complete the course, whether they enter the business world or not, have an asset that will make their future budgeting much easier.

Mrs. Mary Louise Schmidt answers the question of a confused bookkeeping student.

Bobby Fortner and James Fisher consult each other on one aspect of the course.

Sandy Barnett and Johnny Bumgardner work with an endeavor to balance the budget.

Shorthand and Typing: Skills for Success

To be able to do secretarial work well is to succeed in many phases of business. There is a need for proficient typists and stenographers, and the Commercial Department at NLR endeavors to fill this need by offering sound courses in both subjects.

Students who take these courses need to have an above average vocabulary and a general background in English.

Mrs. Jana Farris is the Shorthand I teacher.

Cheryl Swann, Marilyn Brisby, and Brenda Gordon assist Larry Nicholas in his shorthand transcription.

(Left) Mrs. Mary Hendrickson, typing instructor, helps Nancy Campbell with a problem. (Above) Sandy Buckley works diligently to finish the week's assignment.

Mrs. Mary Miller is head of the Commercial Department.

(Above) The skills Louis King learned in typewriting are applied in his sports writing for the Hi Comet. (Right) Pam Dunivan is well on her way to mastering that mechanical monster, the typewriter. (Below) Mrs. Patricia Donahey assists Steve Hopkins in setting his typewriter.

Business Courses Train for Tomorrow

North Little Rock High School's young people are being prepared to face the business world. Business and Business law classes give students a clear idea and an understanding of it.

Through this course, students learn what to expect when they step into business or jobs as study of business emphasized the fundamentals of selling and trading.

Mrs. Judy Fletcher, in her characteristic charming manner, instructs business training and business law.

Mrs. Bernadine Bryant gives a pointer to business law student Harold Jones. Mrs. Vertie Baxley pauses from her business training courses.

Carolyn Carver, Donna McRoberts, Bobby Hayes, and Quin Godsey conduct a discussion in their business law course.

Practical Arts Put Learning to Action

The practical arts courses are the most specialized subjects offered. Woodworking, auto mechanics, electronics, machine shop, mechanical drawing, crafts, and home economics are included in this section and are designed for students who have chosen their careers or those who are interested in developing a technical hobby or pastime.

Electronics and mechanical drawing are invaluable to the student who dreams of becoming an industrial engineer or a draftsman or architect. Machine shop helps future mechanical engineers understand the properties of metal. Woodwork and crafts students create beauty from such inanimates as wood, plaster, glass, plastic, and paint. Auto mechanics trains its students the intricacies of the internal combustion reciprocating gasoline engine. Requiring much work and study, auto mechanics uses the latest electronics trouble shooting equipment to track down an auto's ills.

Home Economics is really in a class by itself. Covering every phase of the domestic scene. Home Ec prepares each girl for practically every activity the young homemaker is likely to encounter. Cooking, sewing, and home management are studied for up to three years, should the student elect to take all three courses.

Home Economics Builds Better Homes

The girls in Home Economics learn such skills as child care, home decorating, home nursing, cooking, and sewing. They learn from that faithful teacher, "Experience". Two years of Home Ec are offered, and in these classes the girls prepare themselves to be competent homemakers.

Mrs. Billie Robinson stops to check roll before passing out papers.

Mrs. Janive Blanchard points out the different parts of a sewing machine to her home ec. class.

Donna Nichols learns that with every tea comes dirty dishes that must be washed.

Sandy Yarbrough acts as hostess to Miss Law and Mr. Manson at the teacher's tea.

Hellis Lloyd learns to follow a pattern.

Senior Linda Muncy is intent upon doing a good job.

Mrs. Anne W. Browder demonstrates sewing techniques to her classes.

Peggy Sharp practices the art of using a tracing wheel.

Auto Mechanics Keeps the Wheels Turning

Auto Mechanics, a two year course, has taught automotive repair and maintenance to twelve seniors and seventeen juniors this year. The boys spent their classtime doing engine and transmission repairs and overhauls, brake repairs, front end repairs, and rear drive system jobs.

The first year of Auto Mechanics is a try-out period determining the student's acceptability for a second year.

Team work plays an important part in Auto Mechanics as the boys work in teams of two or three.

Cars were brought by both students and faculty to be repaired at the shop. This offers the student actual experience in either personal or vocational training.

Billy Biggs connects cables to test the engine of a car with complicated equipment.

(Right) Mr. Eulin Downing helps Rex Vint with a wheel. (Left) Mr. Downing assists in the reassembling of an engine.

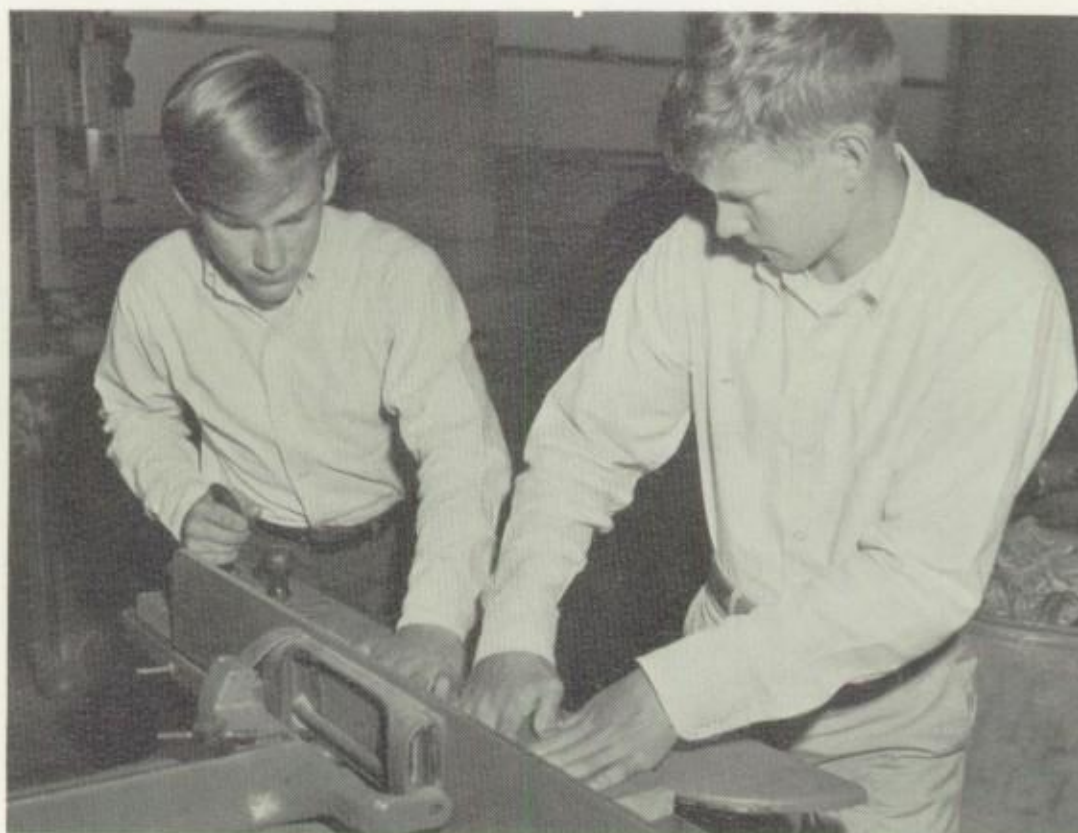

Tommy Simpson gets up to his neck in his work in Auto Mechanics.

Woodwork . . . Art in Carpentry

Mr. A.J. Robertson, teacher of first and second year woodwork, instructs Charles Atterberry and Gary Kelley in the construction of a clock.

Clyde Davis and Ricky Edwards practice their skill on one of the many machines in their classroom.

Woodwork is a study in the creative arts of one of nature's most versatile fibers. The students develop their previous knowledge of woodwork into practical and handsome creations, such as tables, racks, and clocks. First year students depend on their hands for their skill, while second year students utilize the machines provided for them.

Danny Adams and David Millbaugh use a bandsaw to begin a woodworking project.

Arts and Crafts Create Handiwork

Ronnie Davis consults Mr. Neal Johnson on some molds before they are ready for use.

Gene Barrett prepares a mold for the clay that Mr. Johnson is mixing at the right. Below, Vance Gustus and Mike Barrett seem proud of the finished product.

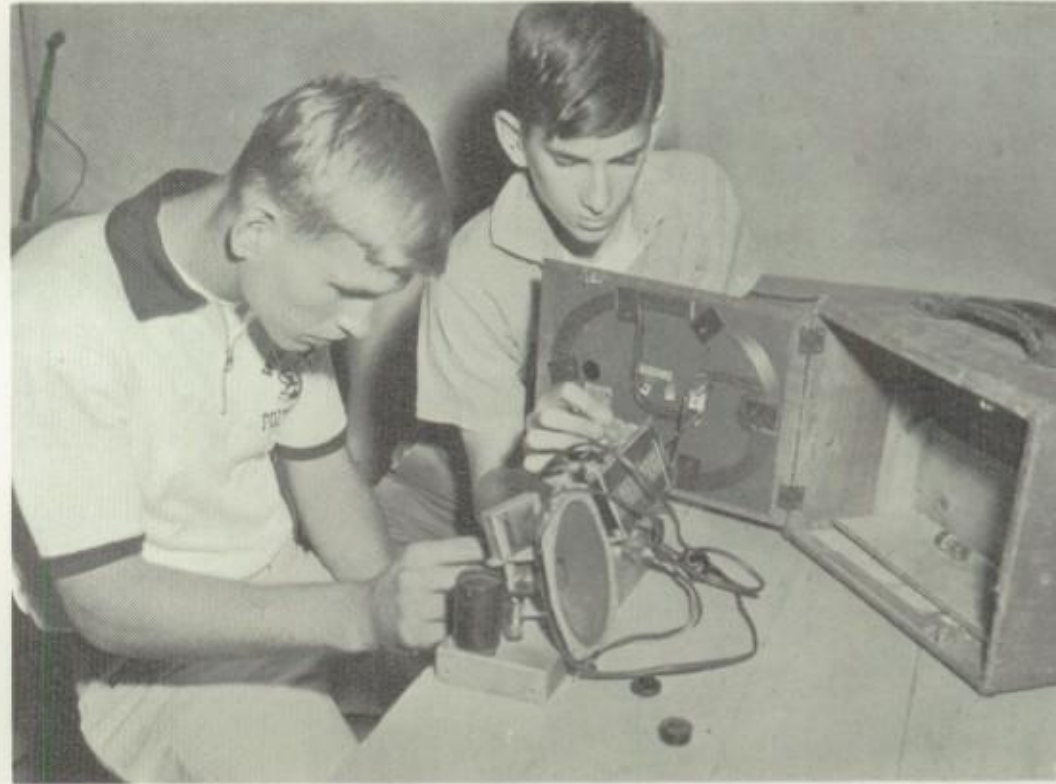

Students of Arts and Crafts learn to use and employ a more refined aspect of Industrial Arts. The boys work with ceramics, leather, and various other materials.

Electronics: Communicating With the World

Mr. Dale Grady is the electronics instructor.

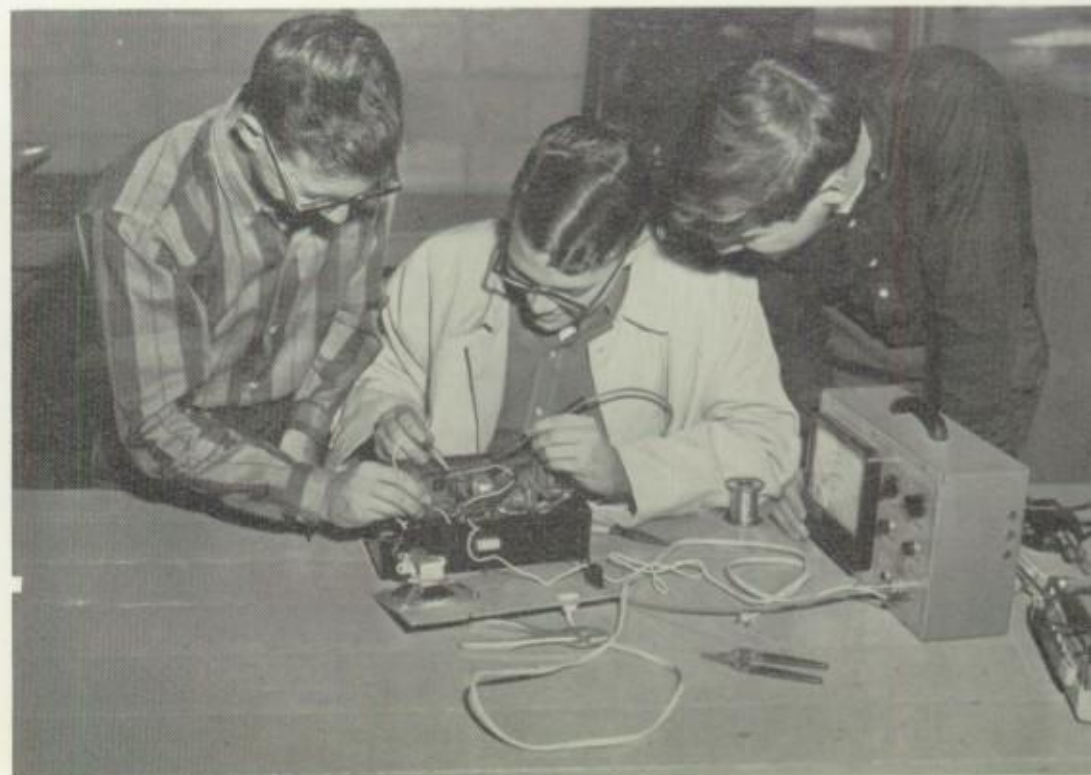

(Left) James Hamric, Lloyd Harril and Kenneth Ingram test radio tubes. (Above) Travis Holmes and James Hamric work at constructing a radio. (Below) David Hill, John Cook, and Bobby Strong put the finishing touches on a radio that they built.

A bold new world of electronics and mechanical technology will greet the graduates of Electronics and Auto Mechanics, young men who are prepared to meet the challenge of this world with fists at ready.

Prepared by the rigorous training and standards of these courses, these students will become the engineers, technologists, architects and draftsmen of tomorrow.

Mechanical Drawing Plans for the Future

Mechanical drawing is taught as a general education subject to acquaint the students with our industrial society. It is a requirement for entrance into engineering schools.

Mechanical drawing is an elective subject, and the interest in the course is high among both boys and girls.

Jimmy Fink learns to use a French curve in drawing ellipses.

Darrel Hatchett works intently over his day's assignment. (Below) Chuck Hicks demonstrates to Jerry Irby just how it should be done.

Mr. Lonnie Johnston, mechanical drawing instructor, lends a helping hand to Jane Smith.

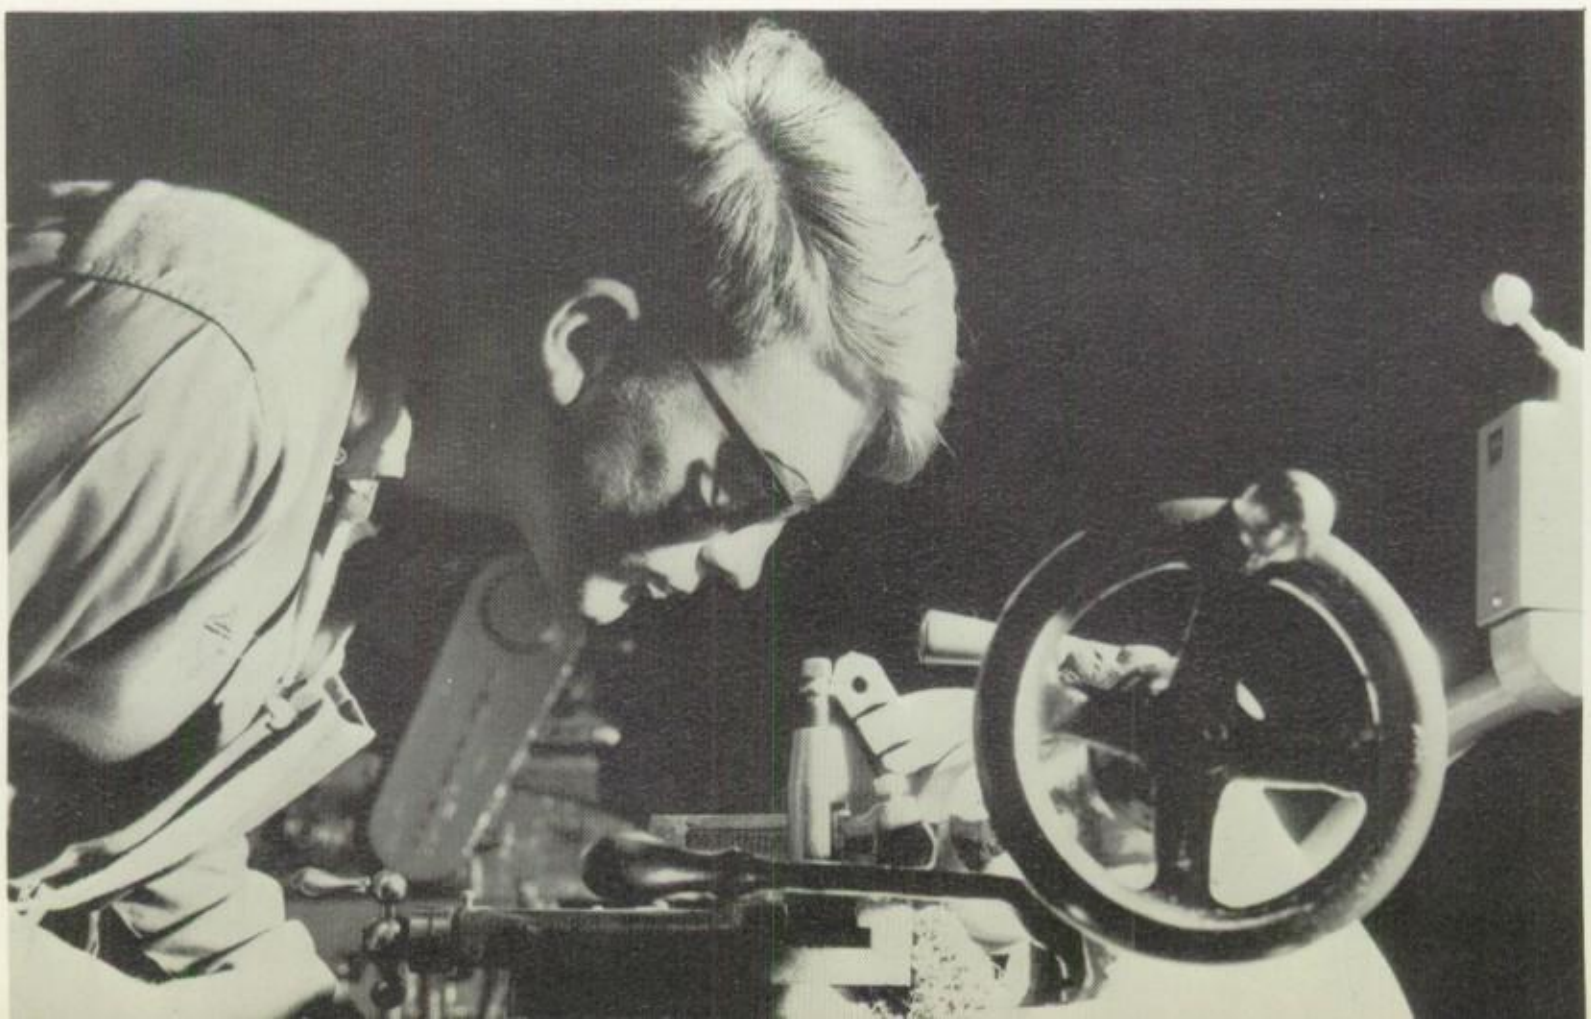

Machine Shop Prepares For Industry

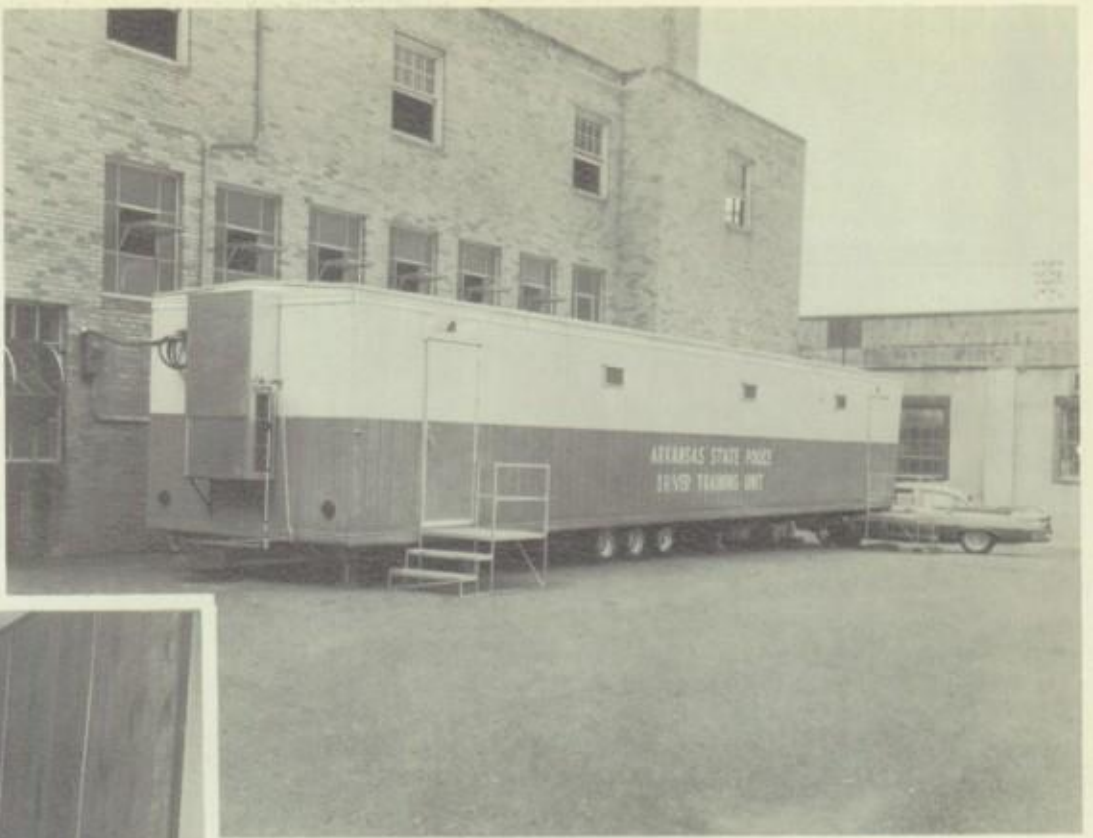

The machine shop course is designed to prepare interested boys for future work in heavy industrial machines. The course is open to all three grades.

(Above) Mr. Hastings welds metals together while Mike Shoup looks on. (Right) Mr. Robert Hastings, machine shop instructor, checks some of the heavy machinery used. (Below) Darrel Edwards concentrates upon his job of grinding a metal.

Driver's Education Makes for Safety

With an ever increasing number of young drivers on the highways, the importance of safety and courtesy cannot be stressed enough. The Driver's Education course offers this instruction by means of films, lectures, and actual driving.

After six weeks of Driver's Education, the students are ready to take the test for a license.

The Arkansas State Police loaned NLR this Driver Training Unit for the first six weeks of school. Above, Drivers Education students put the Training Unit to good use, under the watchful eye of Coach Hawk.

Left, Coach Henry Hawk is the Driver's Education instructor. Above, Coach Hawk prepares to give firsthand driving instructions to Charlotte Phillips, Billy Grey, and Linda Wilson.

Physical Fitness Arts Build Strong Bodies

What would school be like without sports? The colorful, extra-exciting, wonderful world of athletic competition! From the pageantry and autumn enthusiasm of football to the floor-pacing, edge of the seat suspense of basketball through the spasmodic bursts of applause at track meets, NLRHS is one of the most well-versed schools in athletics in the United States. But the pigskin, court, and cinder-track are only a part of the story. Golf and tennis teams represent NLRHS all over the state.

The human body is God's most beautiful creation, and the responsibility of developing it to its full potential is a large one indeed. Only the student can shape his muscles and lengthen his breath, but the instruction and encouragement must never cease. This burden is shouldered most ably by the Physical Education staff. Both boys' and girls' P.E. classes concern themselves with the body strong and the mind clear.

Health classes study the science of hygiene and physiology, and are concerned with educating the youth of NLRHS with health and safety tips and current problems in health.

Even in our advanced world of science and technology, it takes more than just brains to succeed. Thus it can be said that the future belongs to the fit, and the future at NLRHS looks very bright indeed.

Lenard

Health Teaches Hygiene

Coach Carol O. Henry lectures to his class on the importance of hygiene and below, Brenda Jordan and Carolyn Pagent take part in a discussion with practice teacher Joe Presley.

The physical well-being of the students at North Little Rock Senior High School is dealt with in depth by the students in the Health Department taught by Coach Carroll Henry.

Those students that are unable to participate in the regular physical education classes, either temporarily or permanently, take a course in health that covers everything from artificial respiration to good first aid techniques. They make studies in health, community sanitation, and hygiene.

Bobby Hefner, Robert Dumas and Guy Tilbury point out facts about teeth on charts drawn in class.

Trina Fegert explains how cavities may be prevented to Carmen Snyder with the help of the charts.

Miss Francis Lewis jokes with her sophomore students before roll call and clothes check.

Strong Bodies Make Strong Minds

When the Late President John F. Kennedy began to promote physical fitness programs in the school systems it became evident to the whole world how he felt on the subject.

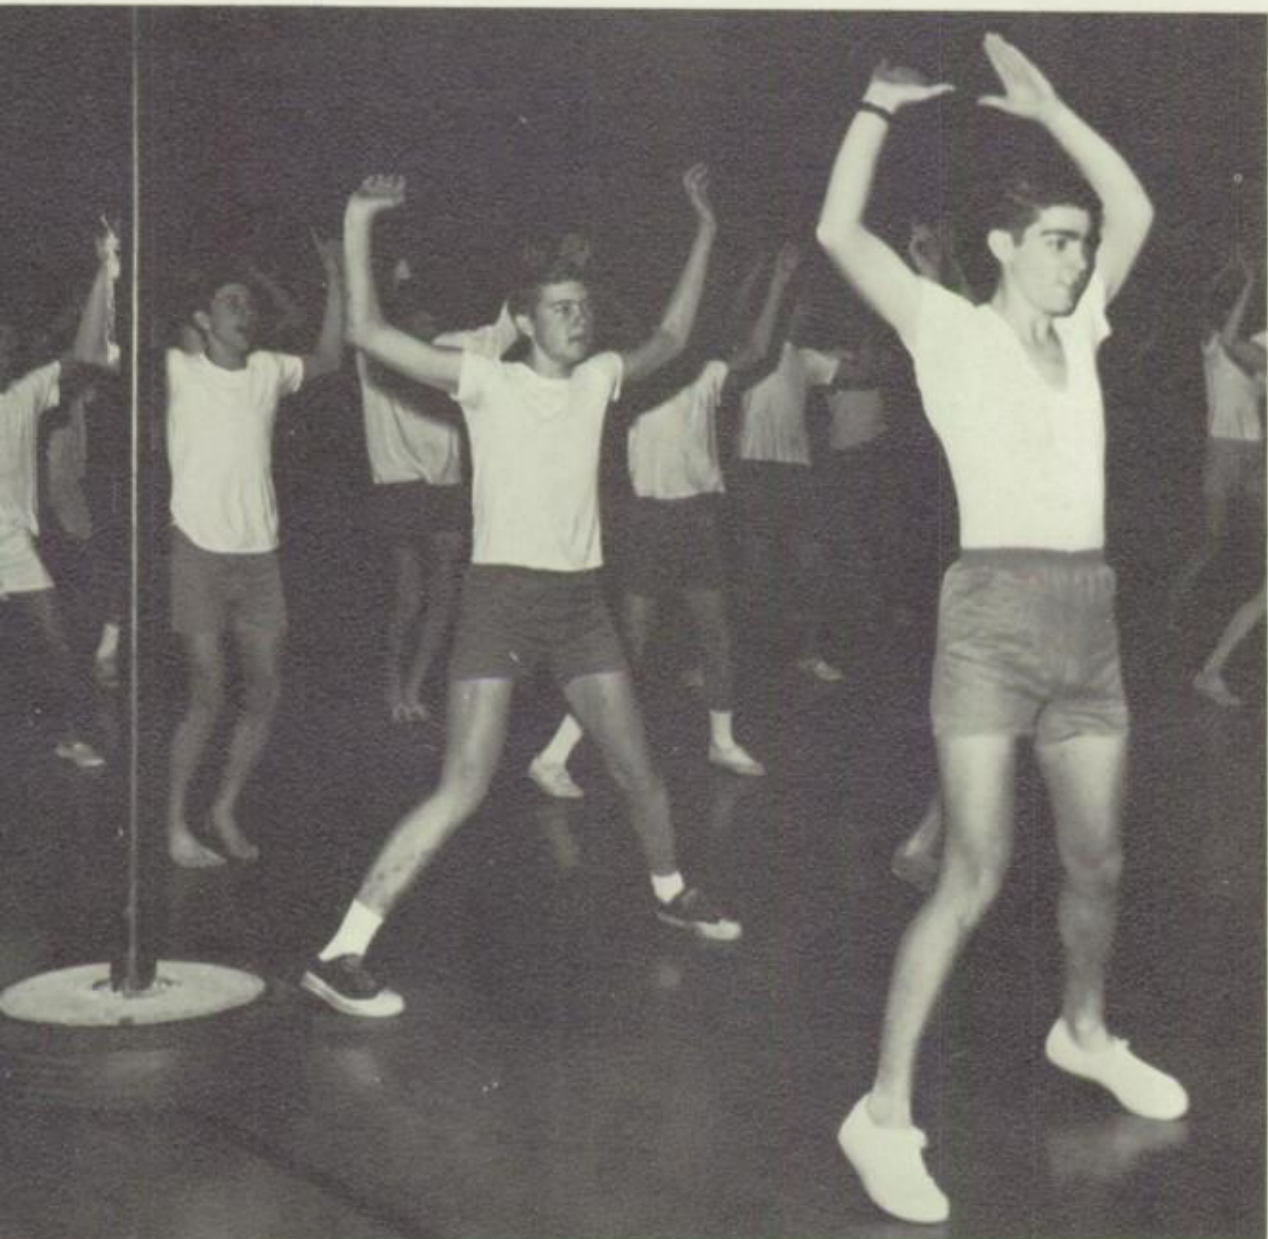

"Strong bodies make strong minds," and every year this is proven by our physical education department. It has become evident that an investment in one's physical condition is one that will pay the highest in dividends.

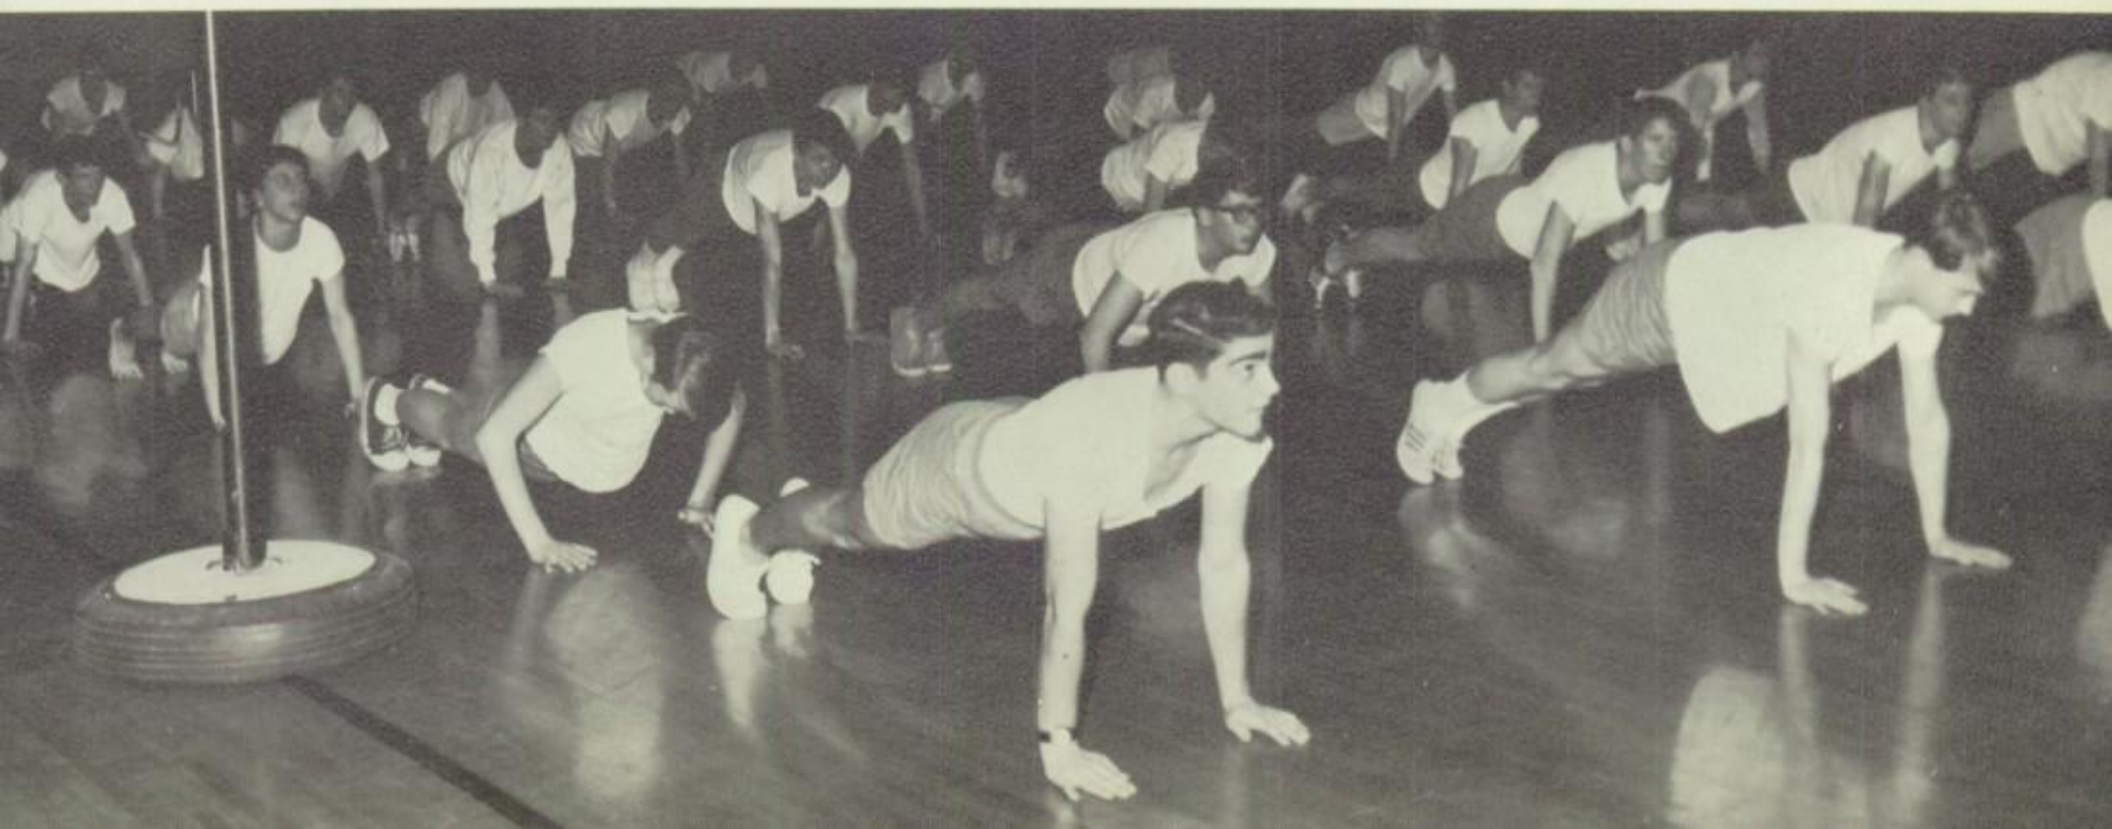

Mrs. Syble Malczycki takes a break in the office before PE girls assemble in the gym.

Volleyball and learning folk dances are two of the many things a girl will learn during the year of physical education.

The boys' P.E. classes which are taught by the coaches have various courses in indoor calisthenics, illustrated here, and outdoor activities such as football and baseball. There is also programs with the usage of mats and weights.

Offensive line coach John Montgomery, defensive line coach Carroll Henry, and coach Hawk share shop talk with coach Bright.

In case there's any doubt in anybody's mind- -they're NUMBER ONE in Arkansas!

Glen Bond is trapped trying to elude the Central High tacklers

1965 Wildcats Win First State Championship

"Leadership, workmanship, plus sportsmanship equal CHAMPIONSHIP!"

This so-called "formula" certainly does apply to the 1965 North Little Rock Wildcat football team, who went undefeated and compiled a record of 10-0-2.

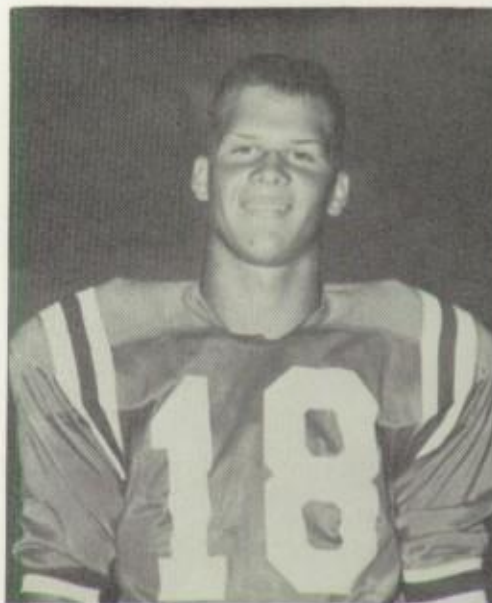

Under the coaching of head coach Ken Stephens, the Wildcats worked hard to gain the position of No. 1 in the conference and State AAA Champions. They underwent practices at full speed during the summer to get ready for the first game, and from then on it was up to the boys. They did it.

Leadership was provided both by the senior football players and the entire student body. The senior players knew what was expected from them and they passed it along to the others. But there is also this question, "Who can win without support?" The student body provided the support by filling the stadium with a capacity crowd and cheering their "heads off" for the Wildcats to win.

Win, lose, or tie, it didn't matter to our football team or our student body. They were capable of accepting defeat but were fortunate in not having to face it.

With these three things the Wildcats compiled a near-perfect season. This was the first time they had gone undefeated and their first time to win a state championship, and they are entitled to shout, "We're No. 1."

Cats Trounce Jacksonville 35-0

The North Little Rock Wildcats opened their 1965 season with a bang by defeating the Jacksonville Red Devils.

In the first quarter the ball bounced back and forth. No one could get on the scoreboard. Finally in the second quarter, quarterback Darrell Hatchett took it in for the first six points.

Later in the second quarter Maurice Graham returned a Red Devil punt all the way from the Jacksonville 46 yardline.

Hatchett's pass to Leon Kumpe helped to set up the final score of the half. With a little over a minute left Graham scampered five yards and a touchdown.

Ricky Thurow, who wasn't expected to play because of an injury, came in in the third quarter and passed for two touchdowns. The first one was a 14 yarder to junior end Ronnie Jones. The other one was in the last stanza, where he connected with Kumpe on the Jacksonville 40 and Kumpe dashed for the goal line.

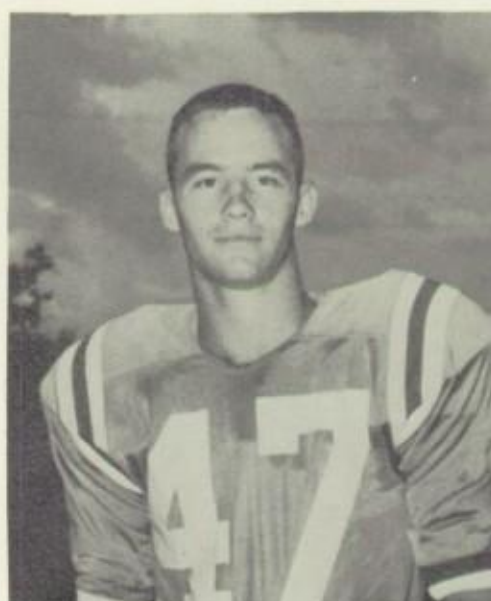

Mike Loibner converted all PAT'S.

Cats Get Second Win 33-0

The Wildcat Bandits, defensive team, was able to top the Sylvan Hills Bears with no score. Travis Holmes led the pack with 16 tackles, while Charlie Foehner had 15, James Redmon 14, and Steve Holland had 11.

While the Bears fumbled on their own three, it took only one play before Ricky Thurow plunged over for the first Wildcat TD. Mike Loibner missed the PAT.

Holmes jarred the ball away from a Bear runner and in two plays Thurow drove to the Bear two yardline. Glen Bond went in for the touchdown in the second quarter.

With the hands of Leon Kumpe and the arm of Thurow, the Cats moved the ball again to the seven after Bond's 16 yard scamper. Thurow decided to let Bond have it again, and did for six points. The Cats left at the half with a 19-0 lead.

The Bears had no real chance of scoring because of the tough Wildcat defense.

The Cats followed the first half with two touchdowns, one by Maurice Graham and a spectacular interception by line-backer Charlie Foehner who ran for 27 yards for paydirt. This ended the scoring for the night with a 33-0 victory.

Thurrow pulls for every yard against the hard hitting Fort Smith defense.

First Conference Tilt Is Successful

Dominating the first half and most of the second the Wildcats managed to win their first conference game.

The first touchdown came when Ricky Thurrow faked to Jay Holsted and kept around end for nine yards and six points. This concluded a sixty-two yard drive.

Holding the Blytheville Chicks enabled the Wildcats to score again before half-time. After Glen Bond and Holsted carried for a series of plays, Thurrow rolled to the right and sneaked in for the touchdown to give the Cats a 12-0 lead at halftime.

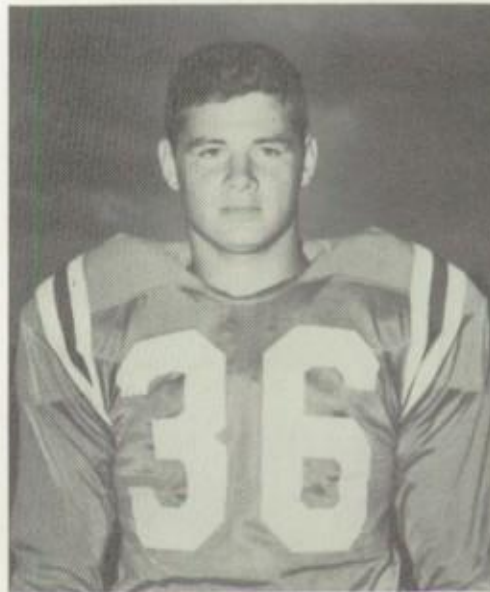

Coming back in the third stanza, Blytheville recovered a fumble and started a big drive which ended because of a Chick fumble that the Wildcats took advantage of. This fumble enabled the Cats to get the clinching touchdown, as the Cats drove from their own nineteen yard line.

Blytheville finally scored in the third period after intercepting a Thurrow pass.

This victory gave the Cats a 3-0 record and a rating of number 2 in the state.

Wildcats Maul Hall for First Time

Keeping up the undefeated record with a 4-0, the Wildcats defeated the Hall Warriors 14-6. Ball control was the winning factor of the game. The Warriors were allowed 28 plays while the Wildcats had an impressive 59.

The first period was idle for both teams, but in the second stanza the Wildcats broke loose. Leon Kumpe was connected with an 18 yard pass from Ricky Thurow to put the ball on the Warrior 46. After a five yard penalty, Thurow was switched to tailback. Thurow took a pitch from quarterback Darrell Hatchett and scampered to the Hall 35. Then Thurow hit Kumpe with another pass to the Hall 22. After four more plays Glen Bond drove off tackle for the first touchdown.

The second half opened when the Warriors kicked off and Thurow picked it up at his own 12 and ran it back for 88 yards for the score. This started Hall to begin a passing attack. The Cats defense dumped the signal caller for an 11 yard loss, but connected with a pass to get the first down. Three plays later, a Warrior ball carrier drove over for the score. The Cats stopped them from making the extra point.

El Dorado Ties North Little Rock 13-13

Ranking No. 1 in the state, NLR Wildcats tied the ElDorado Wildcats without the services of Ricky Thurow because of an injury that came in the first period of play.

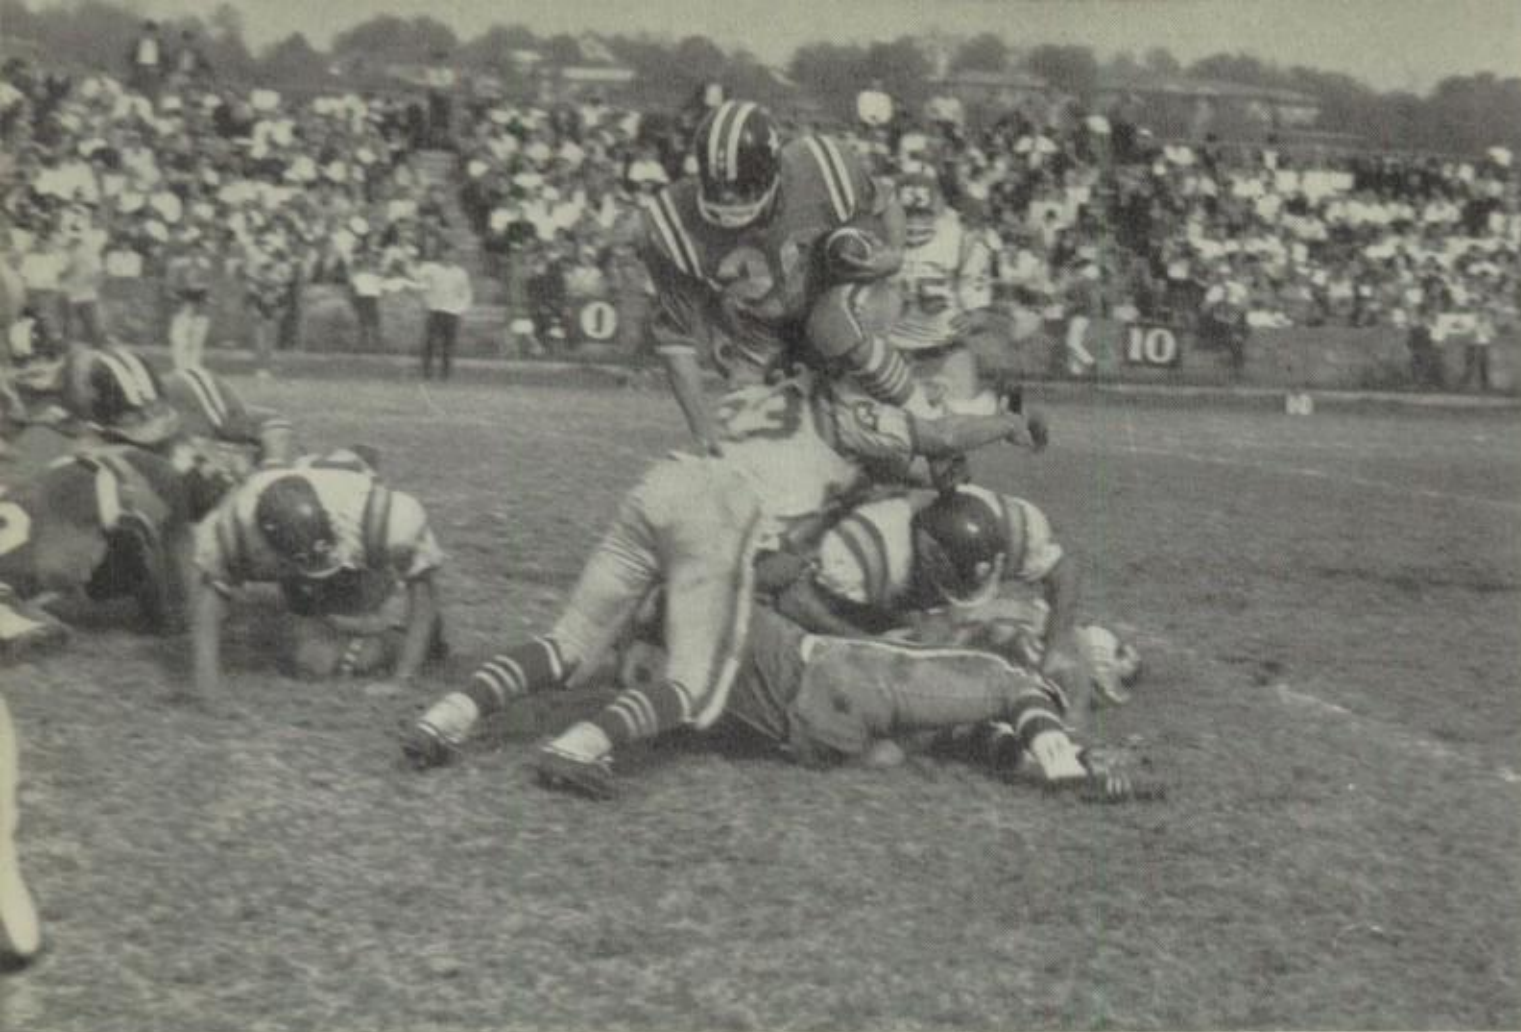

The final score was 13-13 but the Cats still possessed an undefeated record.

A fumble at the Wildcat's 12 set up the first score for the ElDorado team. ElDorado ran two plays, then Don Griffin sneaked over in the second quarter for the score.

North Little Rock came back and marched 66 yards in 12 plays. Darrell Hatchett took the ball and scampered the last ten yards for the touchdown and last score of the half. The teams left the field with a score of 6-6.

Coming back in the third quarter, the Cats drove 70 yards in 12 plays. Jay Holsted gained 10, and a 11 yard pass to Ronnie Jones helped to set up the touchdown. Hatchett passed to Bond for the touchdown. Mike Loibner's PAT was good.

Starting a drive of their own, ElDorado moved the ball to the Wildcats 39 yardline. There an ElDorado ball carrier managed to drive off tackle for five yards and a touchdown. They converted with the PAT.

Dale Biery goes crashing into the Rocket line but is upended for little gain.

ElDorado managed to repossess the ball in the last stanza. They moved the ball to the Wildcat's 11 yardline. Two plays later the ball was placed on the Wildcat's goal line where the No. 1 team's defense tightened up and stopped the charging ElDorado team's chance for a touchdown. The Cats kept the ball until the buzzer sounded.

Undefeated Wildcats Top Jonesboro

The North Little Rock Wildcats remained the only undefeated team of the AAA by defeating the Jonesboro Hurricanes 27-13, October 8th.

The first quarter was idle although both teams had good drives. Recovering a Wildcats fumble in the second quarter helped to set up the first Hurricane score. It took the Hurricanes only six plays to put six points on the scoreboard.

Glen Bond and Dale Biery came back with tremendous running plays that enabled quarterback Darrel Hatchett to sneak through for the score on the goal line. Mike Loibner converted the PAT making the score 7-7.

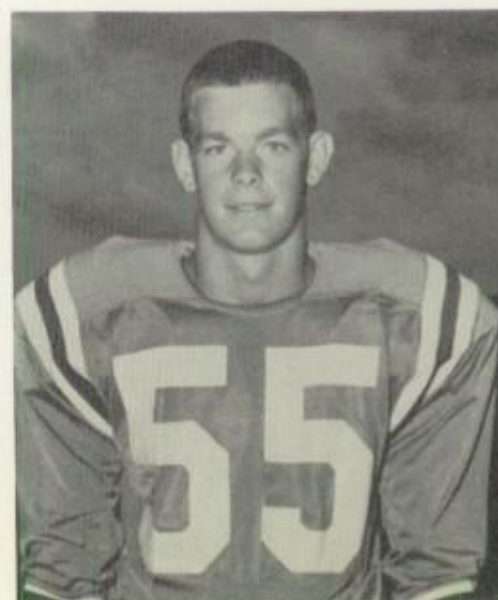

After stopping the Jonesboro team with an interception by Travis Holmes, Glen Bond and Maurice Graham moved the ball to the two yardline where Hatchett went over for the score. Loibner's conversion was good.

Forcing the Hurricanes to punt, Graham returned the ball to the 40. Here Bond made a fabulous 40 yard run as he scampered to paydirt. Loibner made PAT. Thus making the final score a 27-13 and another victory for the Wildcats.

Defeating the Trojans Make Win No. 6

Taking the opening kickoff, the Hot Springs Trojans drove 69 yards in 16 plays for the Trojan score. The Trojan placekicker converted the PAT.

After Leon Kumpe's 45 yard kickoff return to midfield, Glen Bond and Darrell Hatchett moved it to the 35. Dale Biery ran for nine yards and then four plays later Hatchett hit end Ronnie Jones with a pass for the score. Mike Loibner's conversion was good.

Glen Bond had a tremendous 70 yard run in the second quarter with Jones setting up an all-important block. The Cats were determined to score again before the half ended. This time the Cats recovered a Trojan fumble on the 30 and taking only six plays before scoring. Bond ran for 13 while Hatchett connected Jones again for 20. Hatchett drove over the one for the score. Loibner's kick made it 21-7 at halftime.

Forcing the Trojans to punt, Maurice Graham returned it to the 40 where the Trojans were penalized 15 yards. Hatchett decided to give Biery the honors this time as he broke loose and scampered for paydirt. Loibner's PAT made it 28-7 to give the Wildcats a 6-0-1 record.

Wildcats Whip Wampus Cats on Color Day

Fumbling and punting was the story of the first half as the ball moved back and forth for both teams. Conway couldn't spring loose their all-state halfback J. B. Pendergraft and North Little Rock's backs were held for very little gain.

Late in the third quarter the Wildcats managed to put together a touchdown drive. This drive consisted of plays such as a 31 yard aerial pass from Ricky Thurow to Leon Kumpe, the combination of Jay Holsted's and Glen Bond's power running, and a 14 yard pass from Thurow to Ronnie Jones for the TD. Mike Loibner's conversion was good with 1:10 remaining.

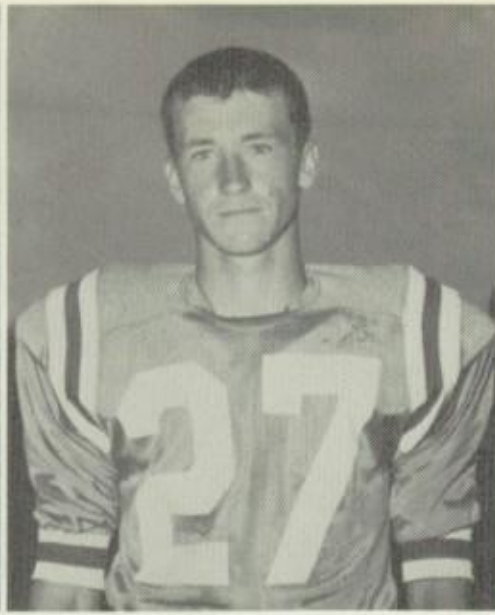

After the Conway series of plays expired, the brilliant running of Bond moved the ball to the two yardline. Here quarterback Thurow hit end Jones for the second touchdown. Thurow hit Kumpe for the PAT, with the score 14-0 starting the final stanza.

Aided by two 15 yard penalties, the Wampus Cats managed to hit paydirt as Pendergraft went in for the score.

While winning not only the Homecoming game, the Wildcats stayed undefeated and won their seventh game.

The Cats didn't waste any time after they stopped the Tigers for just one series of plays. Taking the ball on the 29, Ricky Thurow moved it to the 42. After Glen Bond and Ricky Thurow moved it to the 12 yardline, Thurow sprinted for the score. Mike Loibner converted the PAT to make it 7-0.

Holding the Tigers again enabled the Wildcats to score again. This time Thurow was faced with a fourth down and eleven yards to go. Thurow faked to Maurice Graham, faded back to pass but decided to run. On this run he picked up the all important first down. With second and five Thurlow started around right, but he connected a pass to Bond for the score. Loibner's PAT was blocked.

Central's star, Gary Tate, gave them their first and final score when he sprinted 17 yards for the touchdown. Tate's PAT was no good.

Bond's 39-yard run for the touchdown and Mike Loibner's PAT ended the scoring for the night.

The win gave them the Eastern Championship and an impressive record of 8-0-2. This also gave the Wildcats a No. 1 rating in the state.

Zebras and Cats Draw Scoreless Tie

Defense was the chief story of this game. We have to admit that Pine Bluff has one of the best defensive squads in the state to hold the North Little Rock's tough offense.

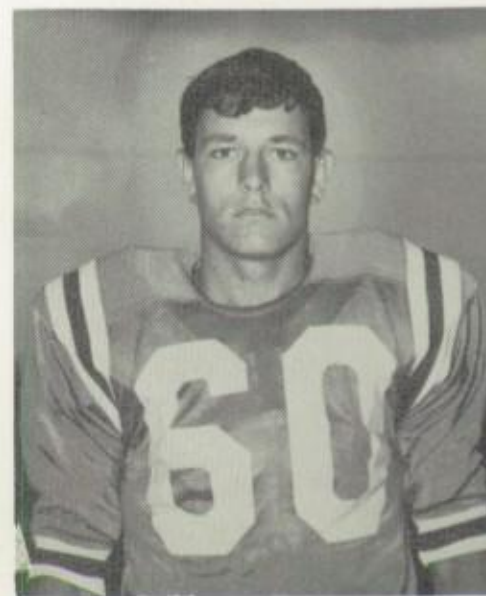

In the last ten minutes of the game was the only opportunity to score for the Wildcats; but it was ended because of three penalties.

Neither was able to score but North Little Rock led in overall statistics. Pine Bluff had four first downs to the Wildcats 11, and in total offense Pine Bluff gained 72 yards to North Little Rocks 173 yards.

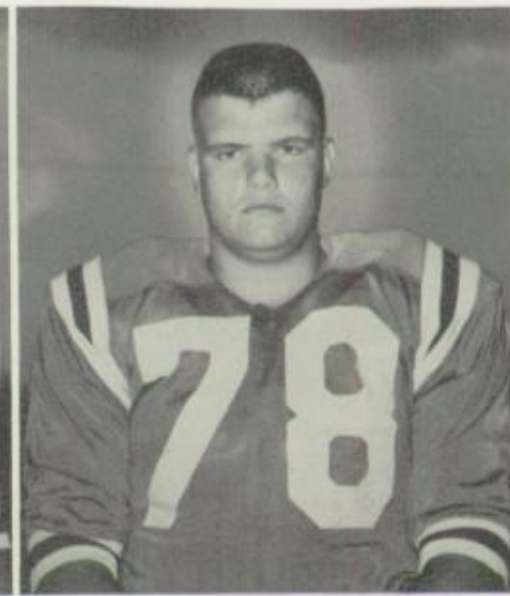

This was the Wildcats second tie, the other to Eldorado. This gives the Cats a record of 7-0-2.

Wildcats Clinch AAA East Division

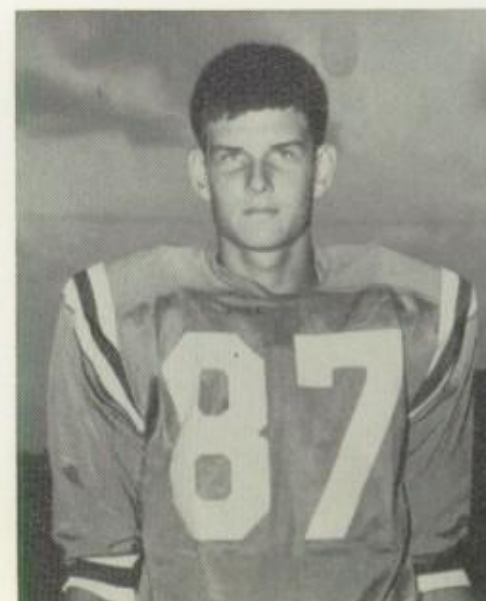

November 5, the North Little Rock Wildcats clinched the Eastern Division Championship with a 20-6 defeat over the Central Tigers.

Win Over Grizzlies Clinches State Championship

Friday, November 12, the tough defense of the North Little Rock squad had to stop time and again the hard hitting Grizzlies of Ft. Smith but managed to come out ahead to win, 14-7.

Taking over in the second quarter, the Cats signal-caller Ricky Thurow connected a pass to Ronnie Jones who went 52 yards into paydirt. Mike Loibner's extra point gave the hosting Wildcats a 7-0 halftime lead.

Ft. Smith came exploding back in the second half, determined to get on the scoreboard. They started on their own 30 and marched down to the Cats eight yard line. At that point came the biggest play of the game. Grizzly halfback David Carter cut right with a blocker in front of him. Defensive end Bill Burnett threw himself into the on-coming blocker who was knocked back into Carter forcing him to fumble. Safety Randy Crowell picked up the ball and raced 94 yards for the second and final Wildcat score.

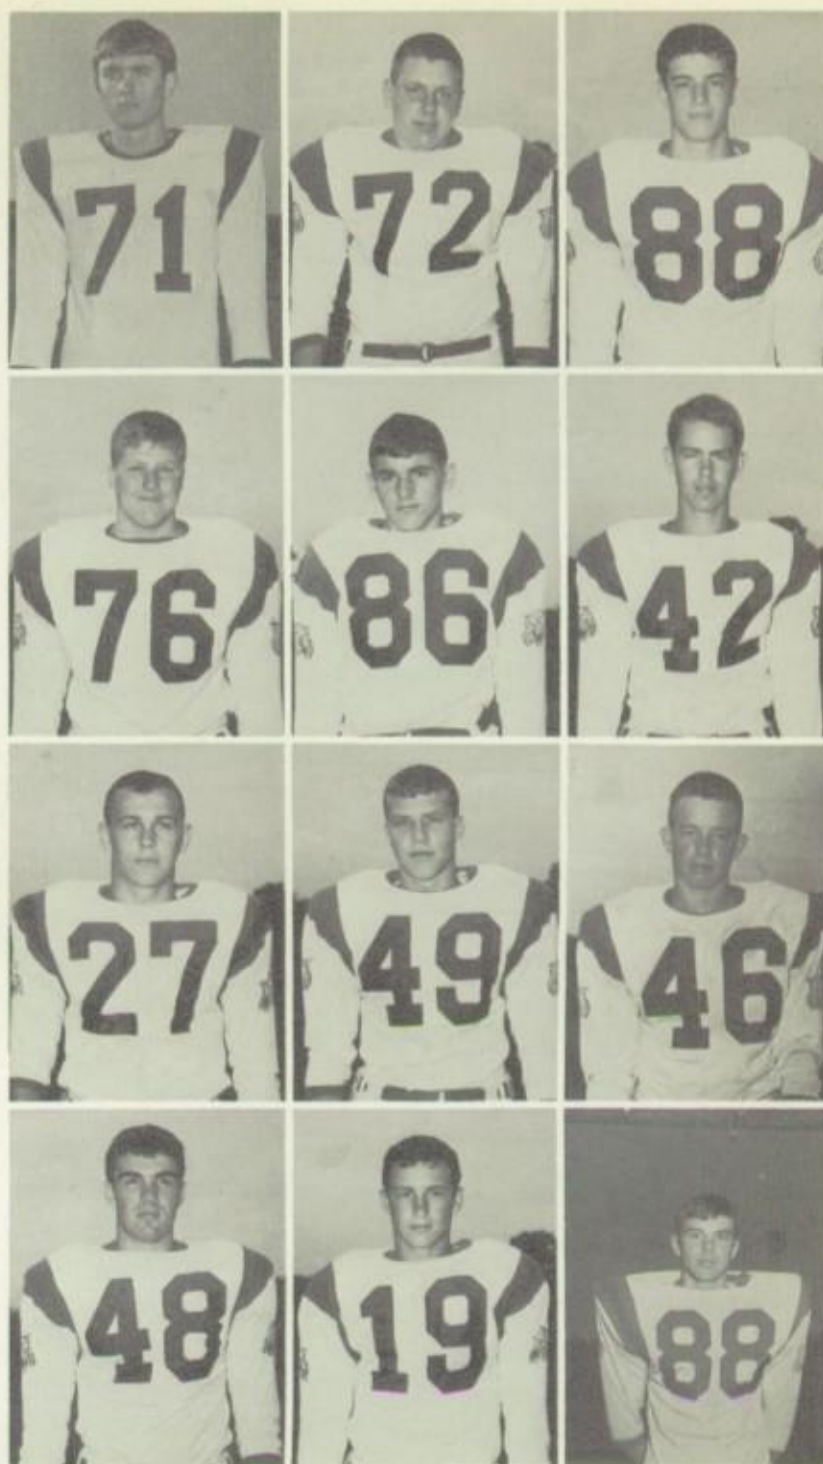

The Grizzlies were able to finally score with a passing attack. After marching 44 yards they were able to step into the Cats end zone.

The win gave the Cats the AAA State Championship, the first in the history of the North Little Rock team.

Cats Go Undeclared After Turkey Day

On Thanksgiving Day the Catholic High Rockets clashed with the AAA State Champs, the North Little Rock Wildcats. This victory, 14-7, gave the Wildcats their first undefeated, season.

Catholic High scored the first six points and PAT with an interception by the Rockets.

Squadmen--Phil Begin, Jim Branson, John Bost, Glen Carpenter, Danny Cooper, Gaylon Cruse, Micky Davis, Steve Dew, Dickey Dillon, Danny Duke, Phil Fisher, Gary Garrison.

Squadmen--Danny Grantham, Gordon Hamblin, Billy Ray Harris, Mike Harvey, Skip Hearne, Larry Holland, David Knight, Harry Langley, Dickie Lee, Danny Linn, Clyde Little, Pete Martin.

Coming back, Thurow threw a pass to Bond for a TD. During the third quarter Thurow ran 72 yards for a touchdown. The Rockets drove and hit hard, but Darrell Hatchett's two interceptions stopped them.

The win gave the Cats the State Championship Title and an undefeated season. The Wildcats had compiled an almost perfect record, 10-0-2.

Kittens Compile 10-0-2 Record

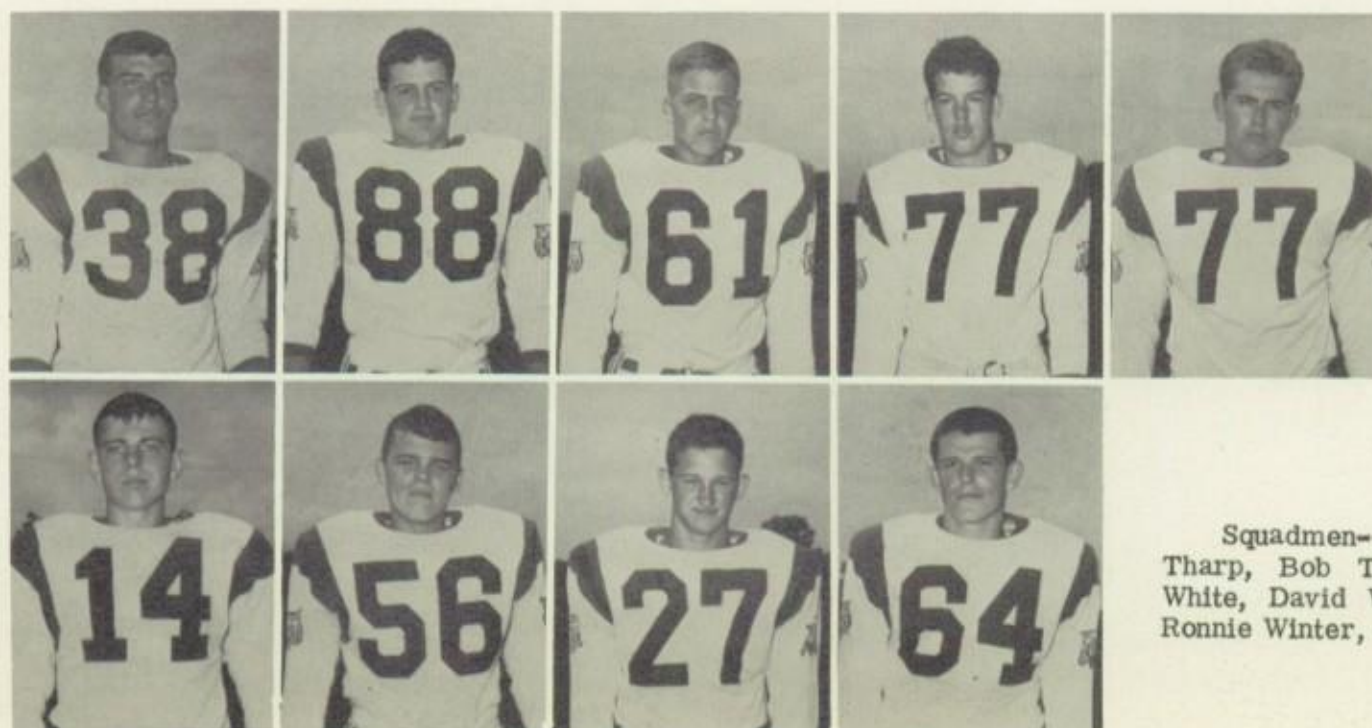

It appears that Wildcat Hill will be having a winning team around for the next few years. The Sophomore Wildkittens battled through their 1965 season without a defeat, and came up with the same record as their parent team, the varsity 10-0-2. The two ties came at the hands of Central, and Hall, both of Little Rock.

Not only did the Kittens have a fine season themselves but helped the varsity to their championship season. The Kittens would run the opponents plays against the varsity defense so the defense could be able to combat against their Friday night opponents.

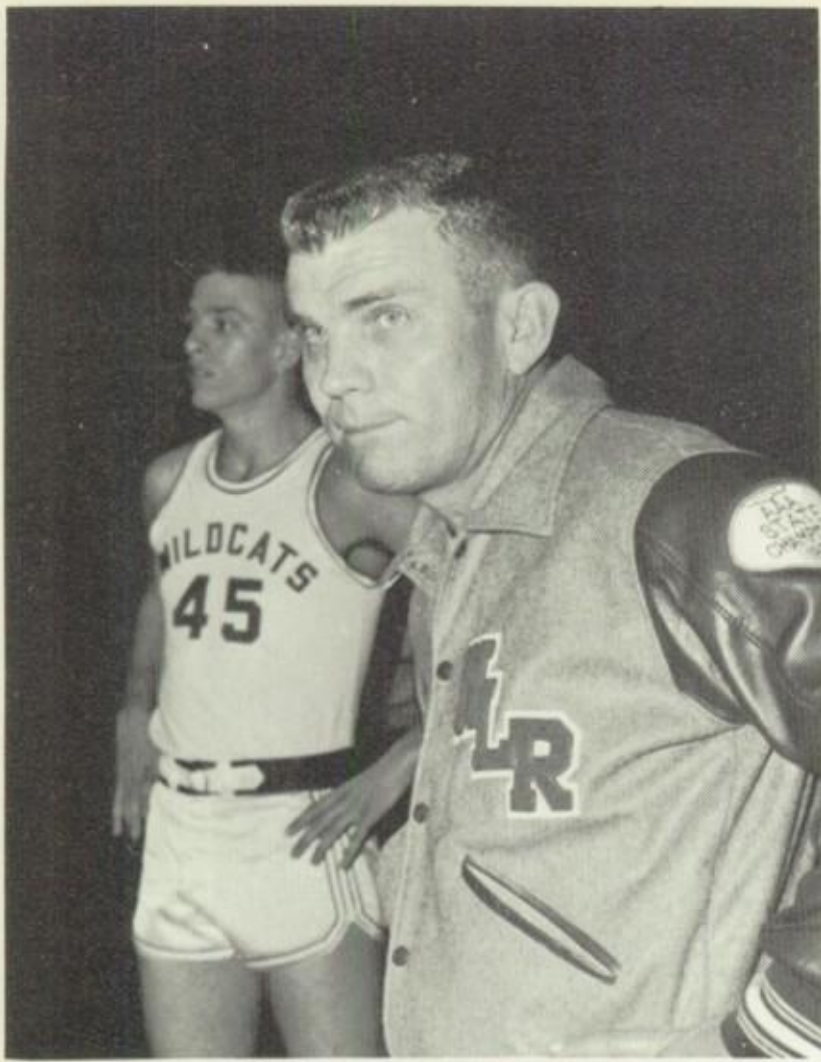

Coach Paul Clark is in his second year as mentor of the Kittens to a fine season, but scouted other teams for the varsity Wildcats.

This year's 10th grade team was the largest Wildcat Hill has had in the past three years. The Kittens were composed of 44 team members.

During the winter, spring and summer, the sophomores prepare themselves to be juniors on next year's Wildcat varsity by weight lifting and miles of running.

Squadmen---Norman Snow, Phillip Tharp, Bob Thirion, Steve Vick, Teddy White, David Wingfield, Dennis Wingfield, Ronnie Winter, Johnny Wright

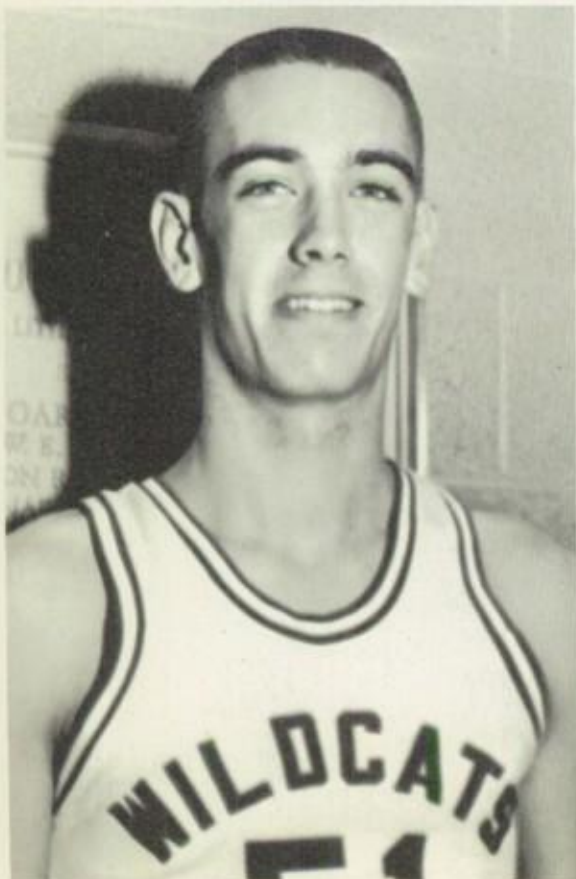

Cage Mentor, Coach James Clark, looks the situation over and plans strategy as Danny Russell looks on.

Cats Placed Seventh in AP

The Wildcats ended the year with a 20-9 season record and a 9-5 conference mark. Although the Cats had one of the worst season in years, they never gave up. They went all the way to the finals in the LRU Tourney where they were defeated by Central and managed to get to the semi-finals and again the victor was Central.

The Cats were under a new cage mentor, James Clark. Seniors Bobby Vint and Danny Russell were in the top ten scorers of season in the AAA. Vint was the leader with a 21 point average. Russell had a 19. These two big guns also represented North Little Rock to the AAA All-State team.

Central Drops Cats In LRU Tourney Finals

In the first game against Fuller, the Wildcats grabbed most of the rebounds to defeat them 78-44. Danny Russell had 17 rebounds while Ray Malcolm and Bobby Vint had 16 and 15 respectively. Russell also led in points with 19.

The Wildcats had more trouble with Jacksonville than Fuller in the second game. The Red Devils had three point lead at the half, 36-33. Jacksonville also went into the last period four points ahead, but North Little Rock steadily started popping the bottom of the net to come out on top 67-62.

In the final game the Central Tigers dumped the Wildcats, 80-60. The Cats kept it fairly close the first quarter, but with Central hitting and North Little Rock fouling the Tigers moved out in front to stay.

Bobby Vint led the Wildcats with 24 points, while Danny Russell had 18 Central's Ricky Tannenberger led all players with 28.

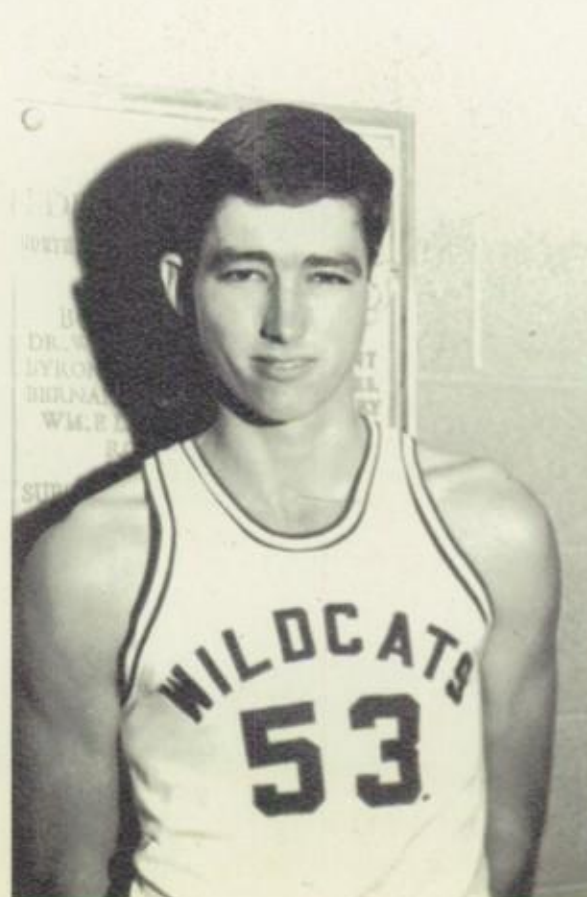

Swish goes the net as North Little Rock Wildcats score another two points.

Cats Manage a 9 - 5 Season

Wildcats 61, Jonesboro 60

The game was won in the closing seconds. The ball was tipped from Danny Russell to Bill Burnett, who scored the final points. Russell had 20 points, Bobby Vint 19, and Bill Burnett had 12. Malcolm led in rebounds with 15.

Wildcats 66, Blytheville 54

Russell and Vint led the pack with 21 points each. The Wildcats led all the way up to the final buzzer. During the final period the Cats went into a stall with 3:03 left, and the Cats got their second conference victory.

Wildcats 80, McClellan 51

The Cats were determined to get out in front and stay out in front. At the end of the first quarter the Cats led 22-10, at the half the score was 30-26, and at the end of the third stanza the score read 65-35. Bobby Vint had 31 points, Russell 16, and Malcolm 10.

Wildcats 61, Hall 54

At the end of the first quarter the Warriors led 19-14, and after the half the score was 33-31. The Cats got their first lead in the fourth stanza, 44-43. The Cats pulled out four points ahead and kept edging on out, but the Warriors pulled back within two points. Vint fouled out but it still didn't make the difference. Vint scored 31 points, the high of the night.

Wildcats 58, Central 67

The two rivals battled all the way to the final quarter. Central seemed unbeatable the first quarter by grabbing an 15-8 lead, led by Mike Moore and Ricky Tannenberger. Bobby Vint finally got hot and moved the score to 22-21, Central. At the half the score was tied 29-29. The third quarter was evenly matched, but during the final quarter the Cats had foul trouble which enabled Central to win the game. Vint had 34 points while Tannenberger had 14.

Wildcats 47, Pine Bluff 51

This loss put an end to the 49 game winning streak on the Wildcats home court. The Zebras and Cats played back-to-back basketball until the last quarter when the Cats had foul trouble. Danny Russell led in scoring for the Wildcats with 19 and Bobby Vint had 17. Bruce Norwood hit 27 points for Pine Bluff, 13 of them coming in the final stanza.

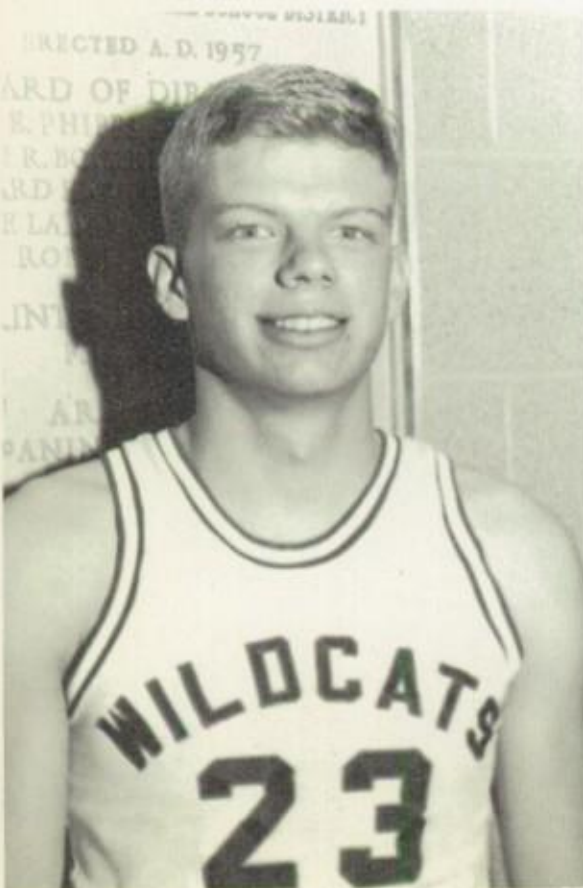

Wildcats 59, Blytheville 38

After the first quarter, which ended in a tie 12-12, North Little Rock took the lead and stayed that way throughout the rest of the game. Vint had 22 points and Russell had 18 for the Wildcats while Danny Lane led with 28 points for Blytheville.

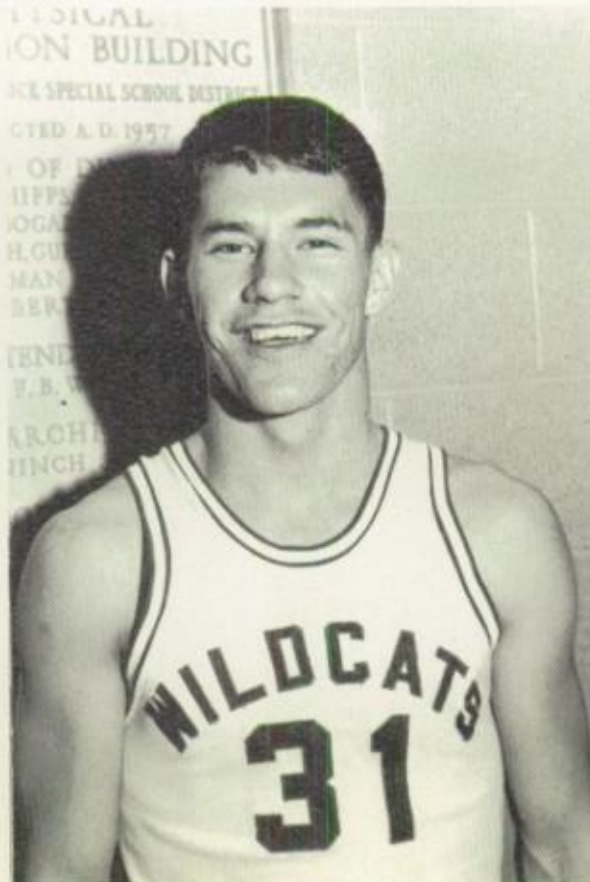

Russell goes high for two points in the Hall game.

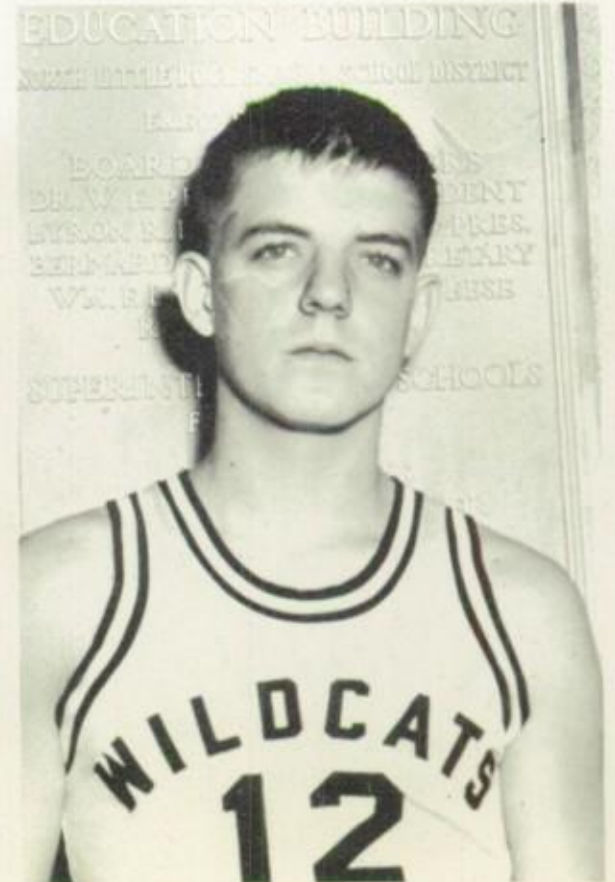

Lee Davidson, forward, 1 year letterman

Jerry Killion, guard, 1 year letterman

Wildcats 53, Hall 67

During the first period the Cats had a four point lead 17-13, but at the end of the half the Warriors narrowed the margin to take a two point lead, 25-23. Handicapped by fouls, Bill Burnett, Lee Davidson, and Danny Russell fouled out. Vint had four fouls. Russell had 19 points and Vint collected 18. Rusty Tower led the Warriors with 21 points.

Wildcats 74, Jacksonville 55

The Cats grabbed a 10-0 lead right off the bat, which lasted almost six minutes. At the half the score read 43-30 North Little Rock. Vint hit 23 points, Burnett 15, and Russell with 14.

Wildcats 70, McClellan 51

With the hot shooting of Danny Russell the Cats managed to defeat the McClellan Lions. The Lions hardly ever came close to the Cats that night. Russell popped 38 points and 14 rebounds, while Vint hit 11 points and 15 rebounds. This was a "must" victory for the Wildcats.

Wildcats 68, Central 66

The Wildcats surpassed the big charge the Tigers had given them. In the first quarter the Cats led 24-18. During the second stanza, Danny Russell was the story, scoring a total of 13 points. In the third quarter, Central got hot and managed to catch up and eventually go ahead of the Cats for the first time. But the Cats had the desire to come back to win a thriller. Russell had 30 points and Bill Burnett 24 for the Wildcats, while Ricky Tannenberger had 29 for the Tigers.

Wildcats 61, Pine Bluff 75

The Pine Bluff Zebras defeated the Cats in an all important game. The Zebras led throughout the game. After the first quarter the score was 18-10. At the end of the half the scoreboard read 43-33, and at the end of the third stanza the Zebras led 57-49. Bruce Norwood (Pine Bluff) and Bobby Vint (NLR) both scored 29 points to lead each of their teams.

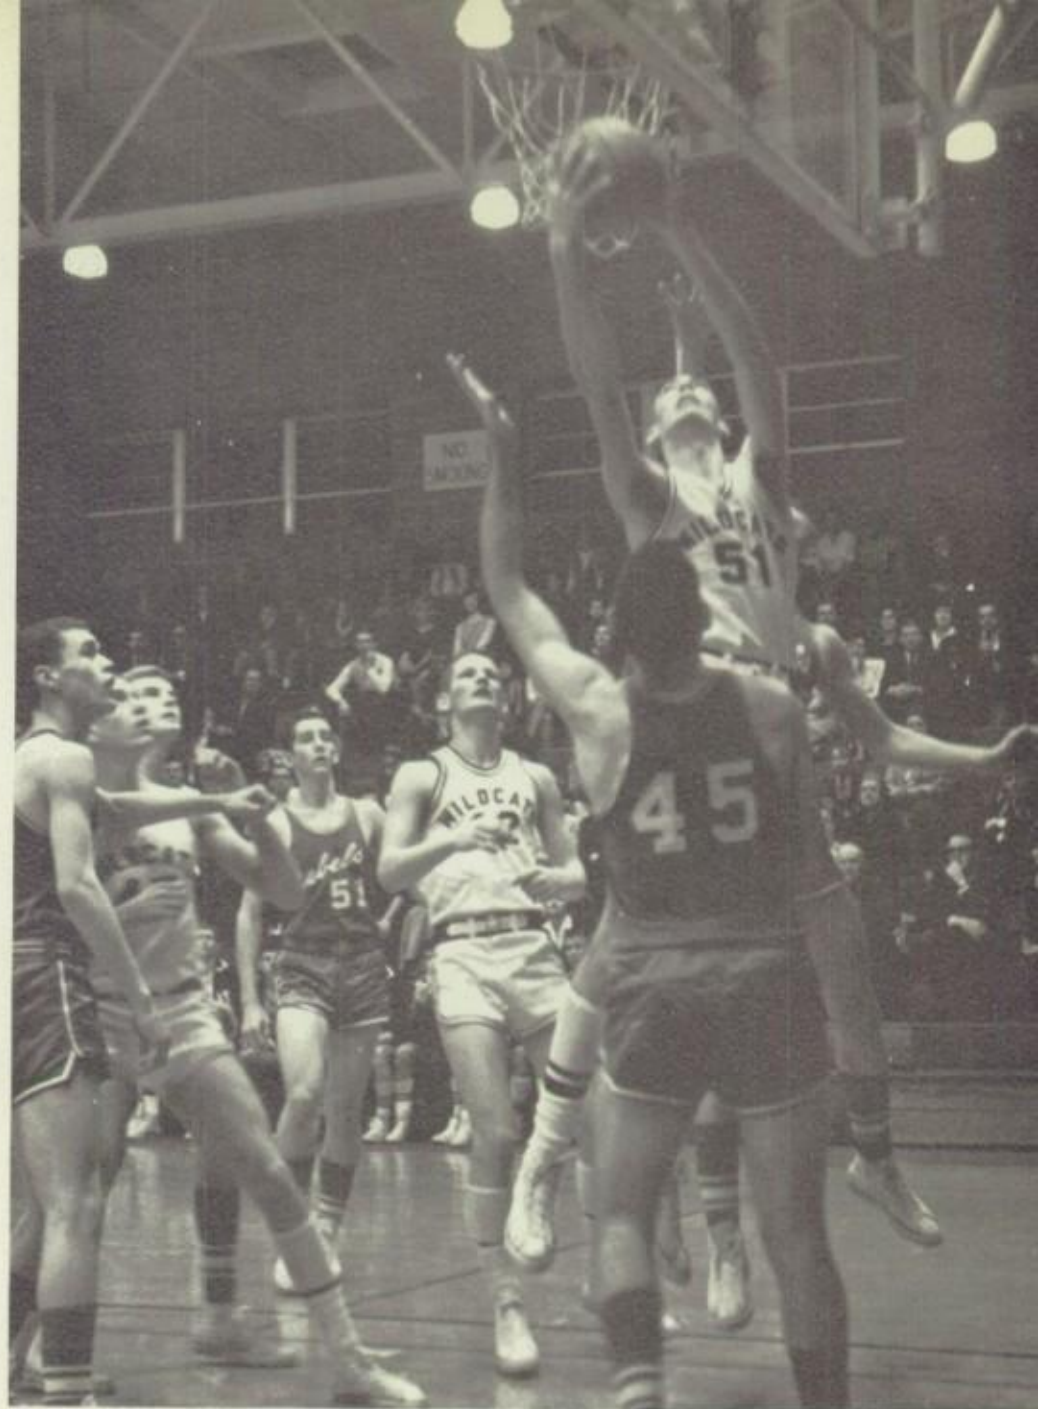

Wildcats 55, Jonesboro 61

This was probably one of the most important conference games (besides Central) the Wildcats had to face this season. This win would have given the Cats second place in the Eastern Division. Danny Russell led the Wildcats in scoring with twenty-three, while Vint had eighteen. Mac McAllister led the winners with twenty-one.

Wildcats 75, Jacksonville 38

Showing good hustle and defense, the Cats managed to whip the Red Devils 75-38. Bobby Vint led with nineteen points and Russell right behind him with seventeen. Miller Ford and Robin Bogle sparked Jacksonville with 15 and 10 points respectively.

Although the Cats did not have a real successful conference season, they managed to stay in contention in the conference race.

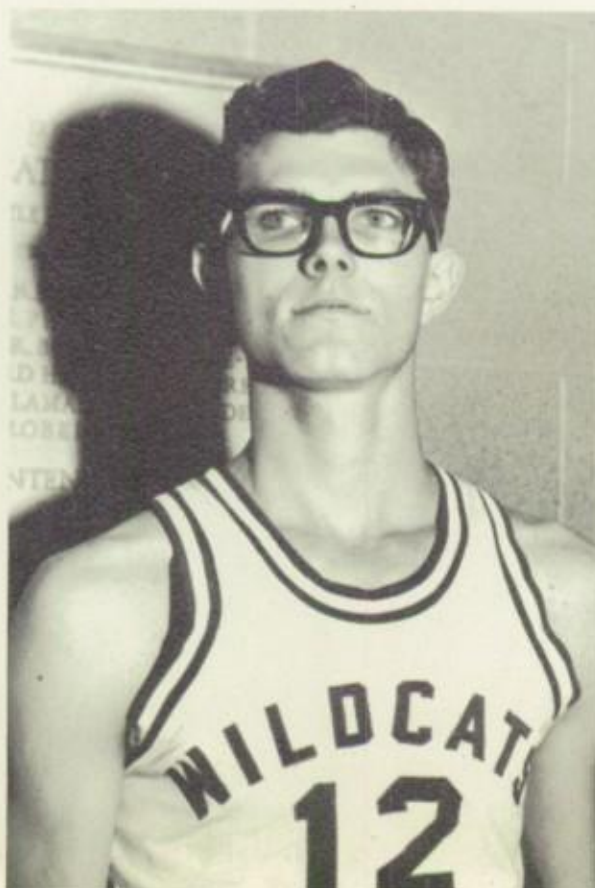

Vint goes high for "two" against Fort Smith Southside.

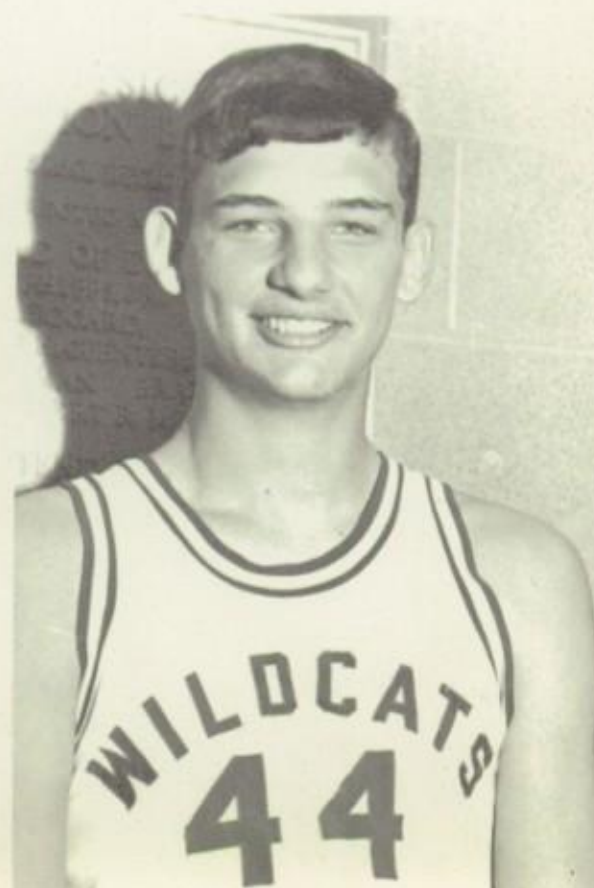

Donnie Jones, forward, 1 year letterman

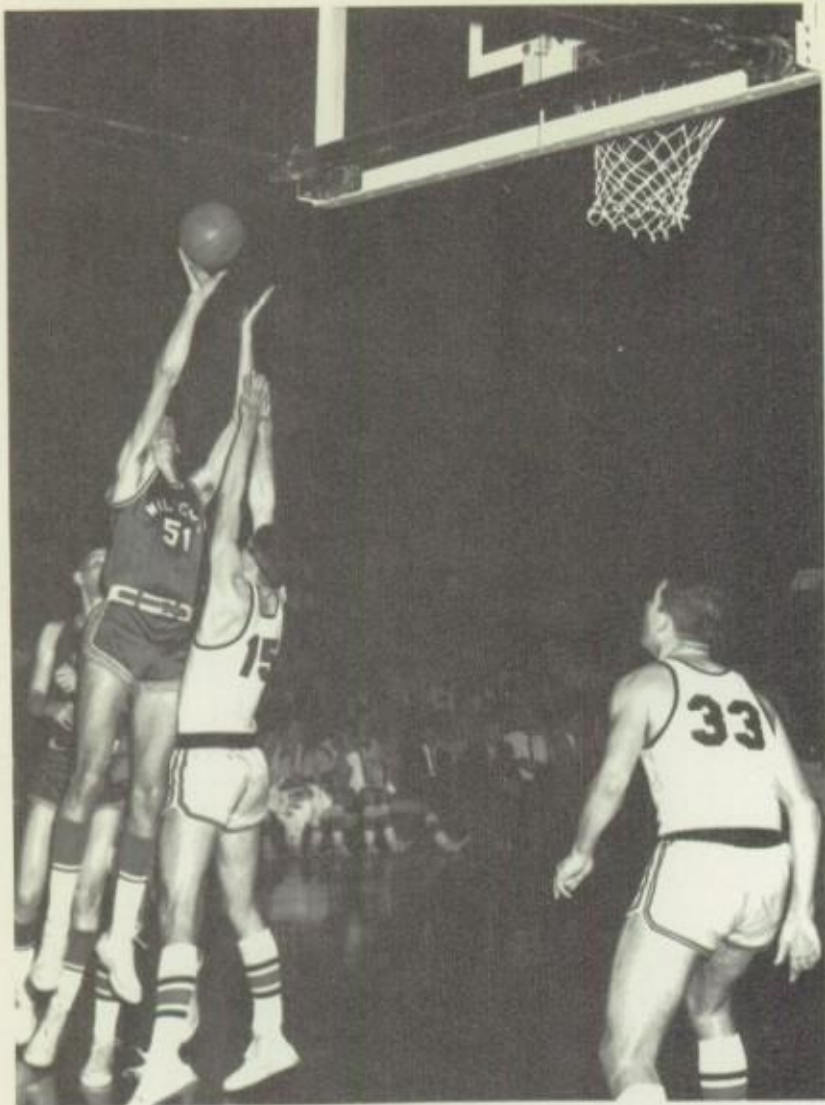

Dwight Newcomb, forward, 1 year letterman

John Salmon, center, squadman

Vint's height enables him to get over Mike Pyron (15) to get a shot off.

Cats Bow-Out Grandly In State Tournament

The North Little Rock Wildcats ended their basketball season as they were defeated by the AAA State Champs, Central Tigers, in the semi-finals.

In the first game Danny Russell paced the Cats over ElDorado by hitting 25 points as the Cats won 69-60.

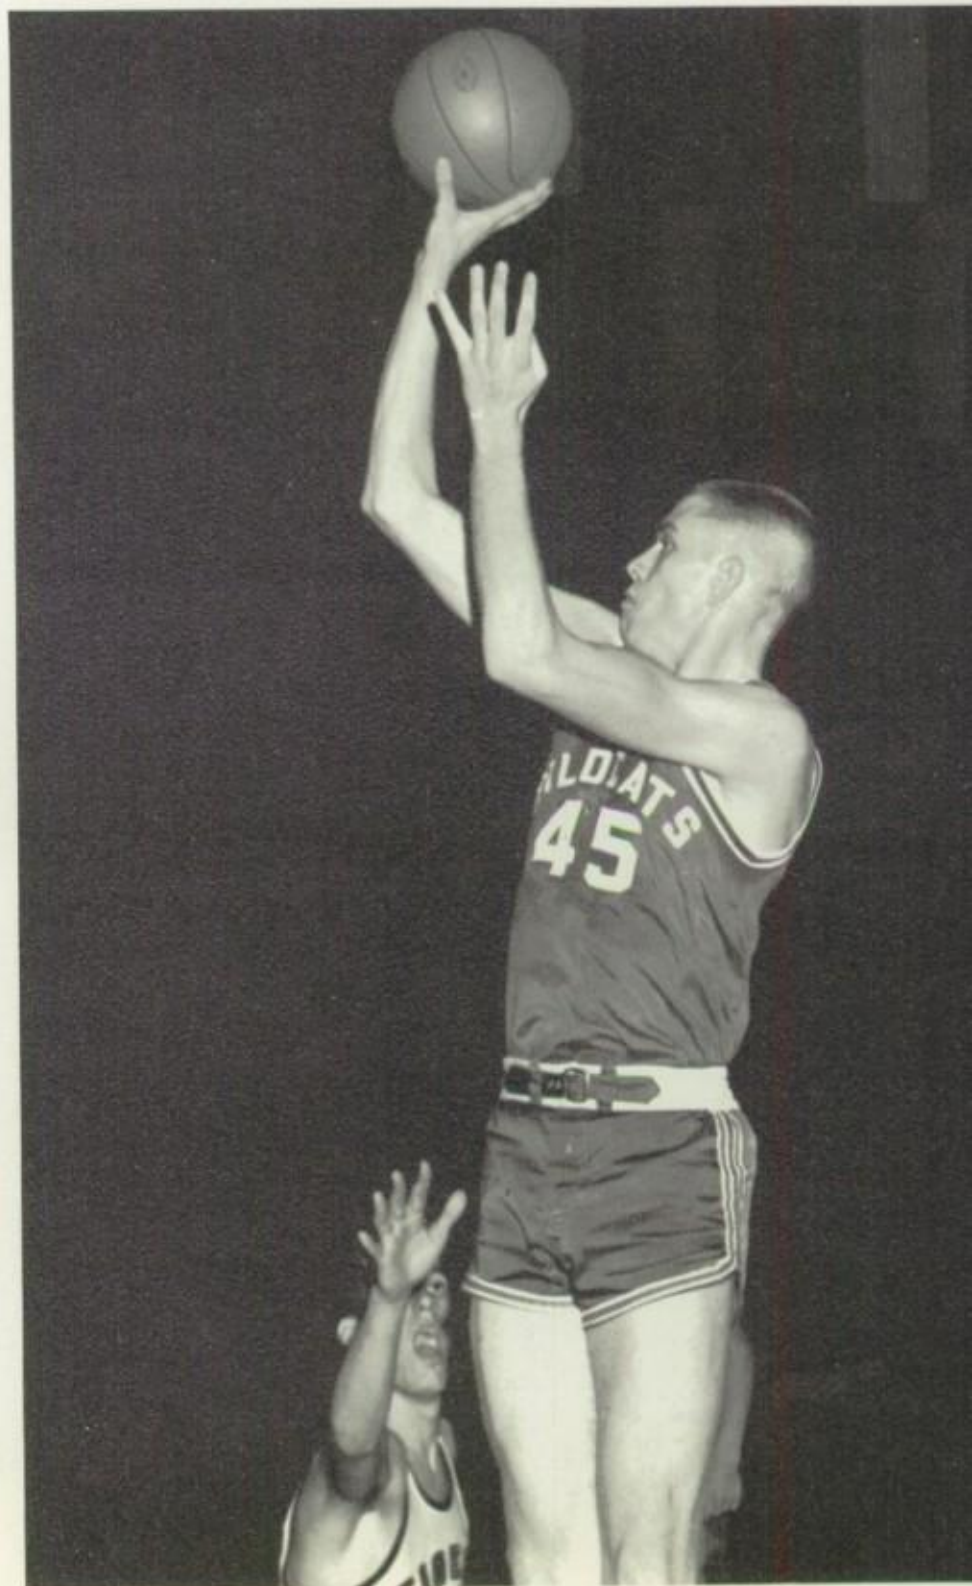

Vint and Malcolm's 14 points plus Russell's 11 helped to defeat the Hot Springs Trojans 58-39.

Ricky Tanneberger, two year all-stater, put in 18 points to defeat the Wildcats 48-37 in the semi-final clash. Both Teams made exceptional mistakes but Central's tough defense made the difference.

Bobby Vint and Danny Russell were named to the All-State Team while Ricky Tanneberger was named "outstanding player" of the tournament.

Danny Russell shows the form which got him the honor of All-State.

Big Bob fades away as he tries to score against the tough Central defense.

Wildkittens Have Successful Season 15 - 5

Under the coaching of Carol Henry, the Wildkittens compiled a record of 15-1 for the season. Although little is ever heard about the Wildkittens, they have proven that they will be good and improved in the oncoming years.

Most of the Wildkittens are made up of juniors and sophomores who are gaining experience for the varsity team next season.

The Wildkittens lost to Central twice, Blytheville, Pine Bluff, and Jacksonville. Despite these losses the Wildkittens managed to defeat the rest of major AAA B-teams.

Junior Ronnie Jones and sophomore John Salmon played the important parts in the Wildkittens successful season. David Wingfield also did an outstanding job for the kittens.

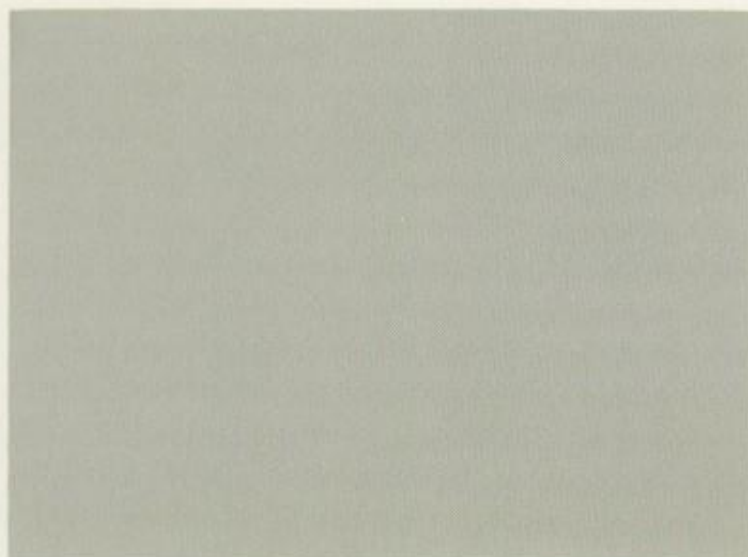

The Wildkittens made it the fourth consecutive year they have played outstanding basketball.

- 127 Girls Recreation Association

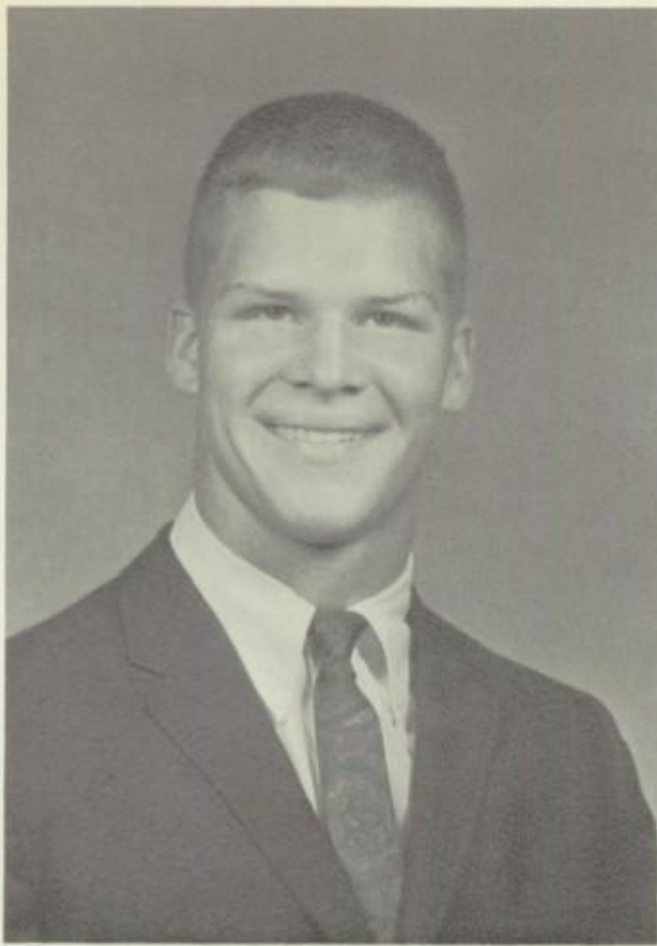

The Student Council sponsored the Thanksgiving Assembly which collected baskets of food for the Goodwill.

Student Council Governs the School

The Student Council, composed of ten members from each class, regulate and carry out the projects selected by the student body. This year under the direction of Mrs. Fleming, the sponsor, the Student Council sponsored such activities as the Catlender, Color Day, Wildcat Follies, Friendly Week, and a trip to the Student Council Convention.

Student Council officers elected by the school were Mike Reid, Mary Jane Ford, Lynn Mansfield and Terry Hartwick

Ricky Thurow, Parliamentarian

Carolyn Carver, Chaplain

Among the outstanding events sponsored by the Student Council were the Color Day Assembly pictured below, and the Wildcat Follies shown at the right.

Pep Cats and Drill Team

Pep Cats are composed of girls from all grades who wish to support the Wildcats by regular home attendance at football and basketball games. The Drill Team is made up of junior and senior girls chosen on the basis of their marching and teamwork ability. Drill Team members must also be a member of the Pep Cats.

Officers for the two clubs are: Gillis Bartholmey, Pep Cat vice president; Darla Fewell, Drill Team Leader; Anne Ballew, Pep Cat historian; Linda Terhune, Pep Cat President; and Pam Woolverton, hand drill leader.

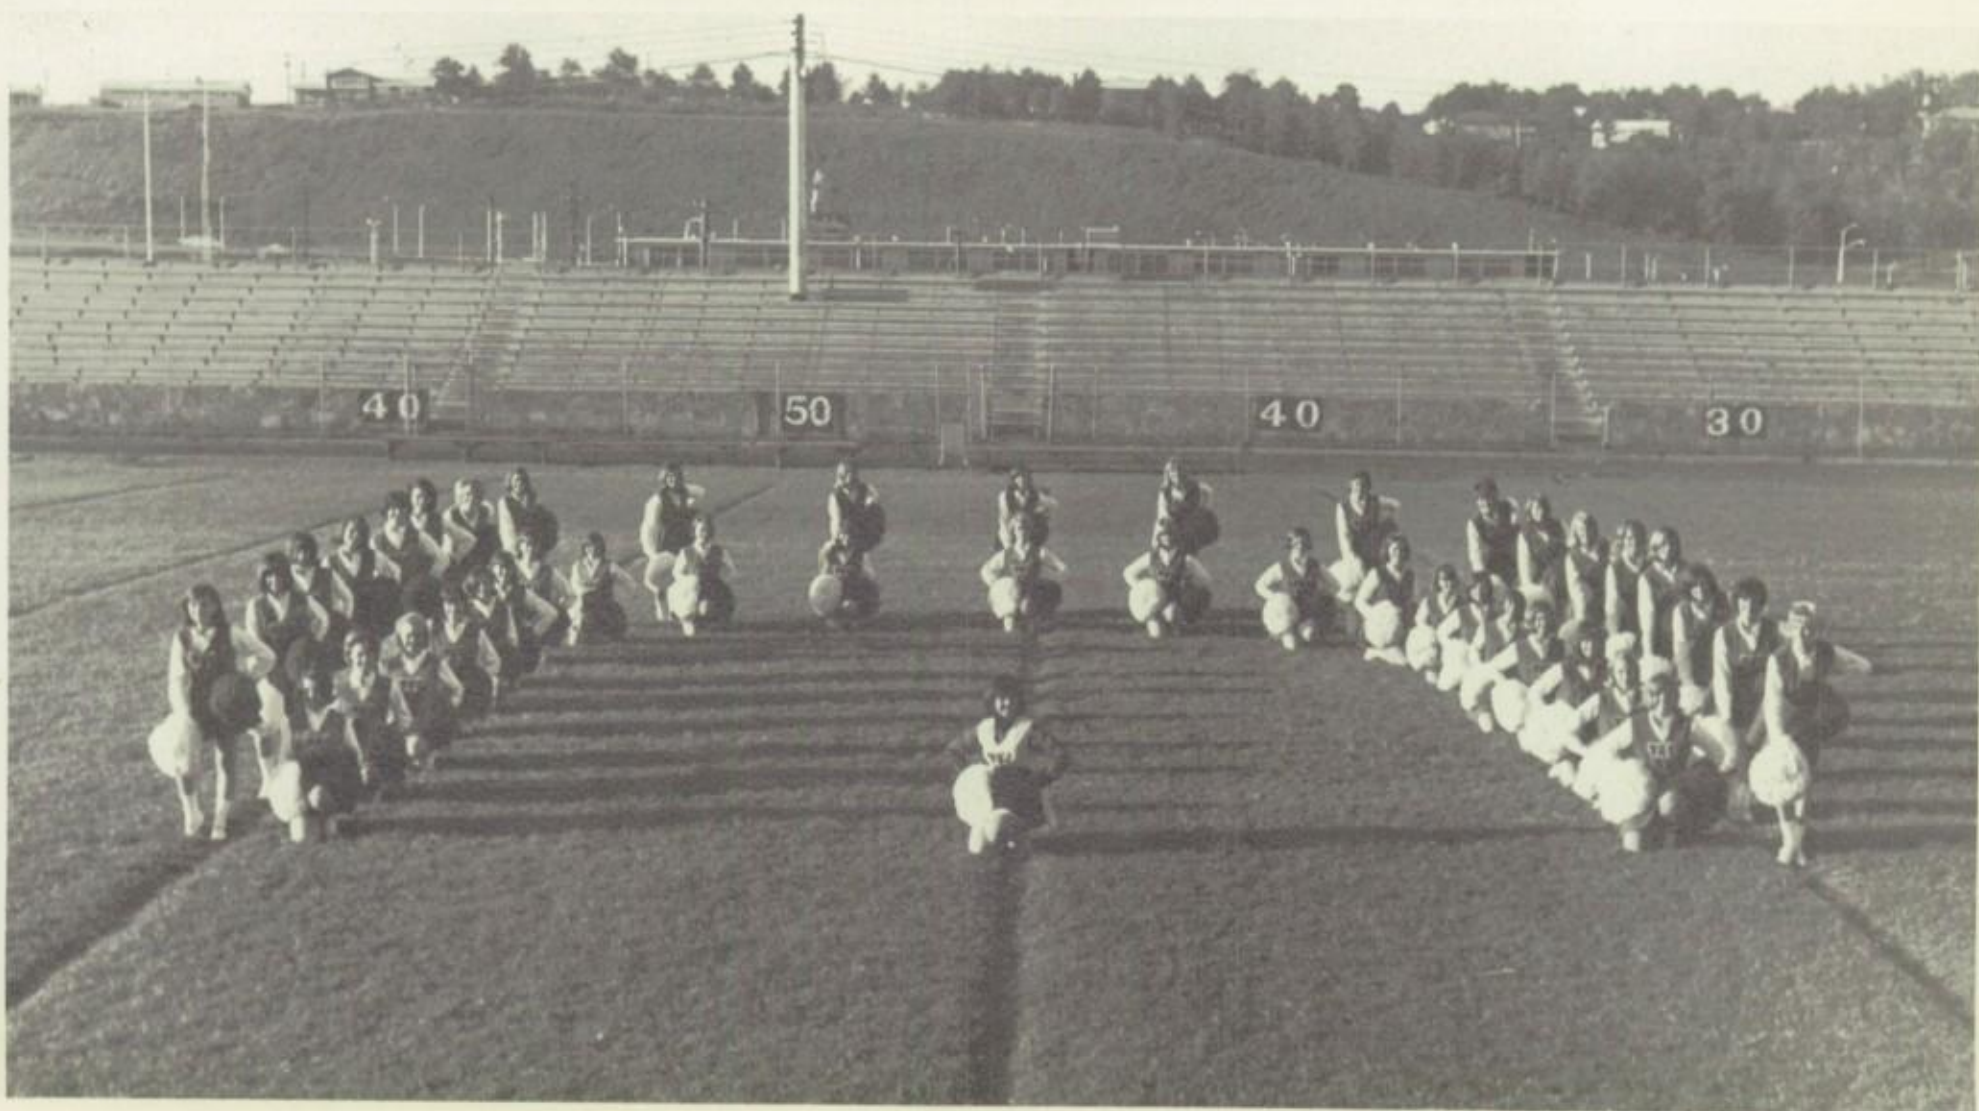

Above: Pep Cats display their spirit by hand drills and yells during the game. Below: Drill Team performs at a pre-game ceremony.

Catettes and Pep Cats personify excitement as the Cats climb to Number 1 in the defeat of Central.....A flurry of pompons at the Thanksgiving day game notified the Wildcats of the Pep Cats resounding presence....Catettes strike a pre-season pose in anticipation of performances to come.

Key Club Gives Vital Service

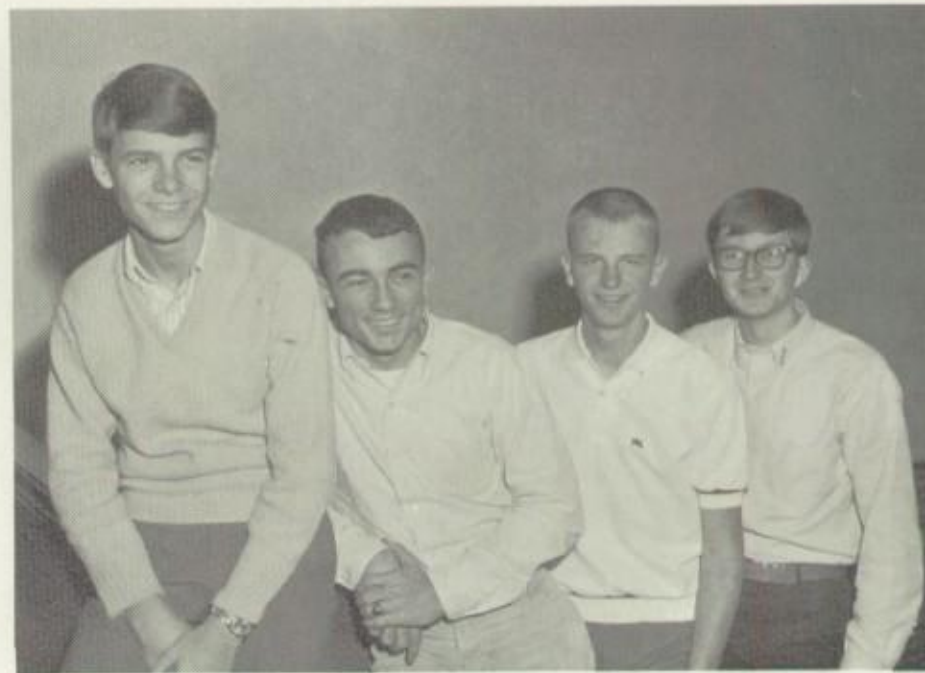

The Key Club is an honor club for junior and senior boys. The membership is awarded on the basis of scholarship, leadership, and character.

This year the Key Club sold cushions, tended the refreshment stand and put on an assembly.

Key Clubbers serve faithfully through the year by selling seat pads for football games and running the concession stand at home basketball games. It has its rewards!

The Key Club also put on an assembly in which they inducted new members for next year. This year the theme was the ever-famous 00711 series with a little Batman on the side.

Officers of Key Club are Robert Dempster, Ronnie Shelby, Rick Ault and Don Bunch.

Bookworms Keep Library Working

(Below) Bookworms have time for a discussion at a meeting. (Right) Officers for the Bookworms are, Secretary, Charlotte Garrett; Vice President, Mary Jo Hoggard, and President, June Davis. Not shown are Historian, Warren Blanchard; and Parliamentarian, Maria Worlow.

The Bookworm Club meets every first and third Wednesdays in the library. They participate in the Arkansas Student Librarians Association on the district and state levels. Bookworms' duties include checking books in and out, binding and mending books, and reading the shelves. They also construct the attractive bulletin boards in the library.

Patsy Pigg assists a student in checking out a book.

Bookworm Bill Thomas puts lettering on a new book.

Y-Teen officers for this year were Linda Terhune, Martha Brown, Sara Smith, Jane Lynch, Gillis Bartholmey, Barbara Hopkins, Linda Muncey, Marilyn Gwatney and Gwyn Brinkley.

Y-Teens Aid School and City

Understanding and friendship with people of all beliefs—these are two well-known symbols of the North Little Rock High School Y-teens.

For only \$1.00, our Y-teens participate in service drives and community activities. They learn to conduct themselves in a mannerly way and are always willing to help anyone at anytime.

Each year the Y-teens learn even more from other Y-teens. They attend city, state, and national conventions bringing back information to improve their club.

Above, Paula Kay Porter gives a gift to Phil Fisher, the sophomore dream boy. At right, the senior dream boy finalists are escorted onto the stage where they are introduced to the Student Body.

Jane Lynch and Dickie Dillion portray the heroine and hero in the play presented on the Y-Teen assembly.

Red Cross is Always Ready

The Red Cross program on Wildcat Hill helps others to help themselves. The Red Cross representatives from each homeroom collect money to be given for the aid of people overseas.

The members of Red Cross have learned the importance of medical aid at an instant and the practices to apply it.

Tommy Pitts gives information to Gwen Todd, the Red Cross representative who fills out the insurance accident form.

Marcia Brummitt, president of the Red Cross helps Mrs. Sue Perry, the sponsor, count money collected for the Red Cross drive.

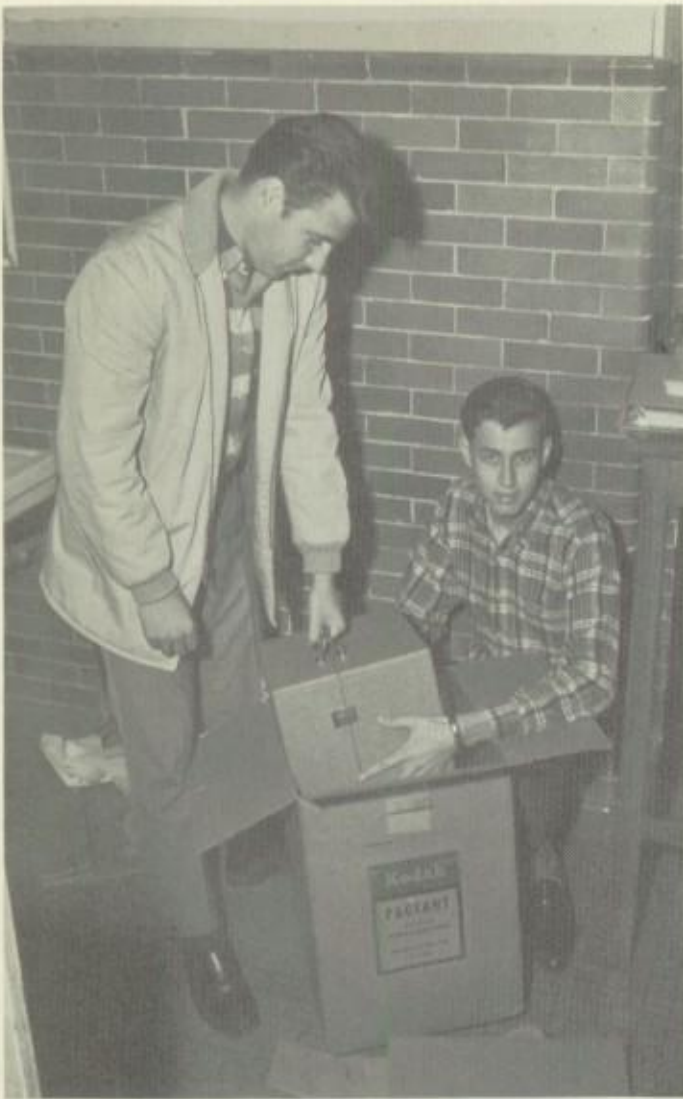

Officers Marcia Brummitt, Dean Duke and Christy Dales fill boxes to be sent overseas. Below, candystripers, Paula Boyd, Donna Hammock and Christy Rodman talk with Mrs. Syble Malczycki after her car wreck.

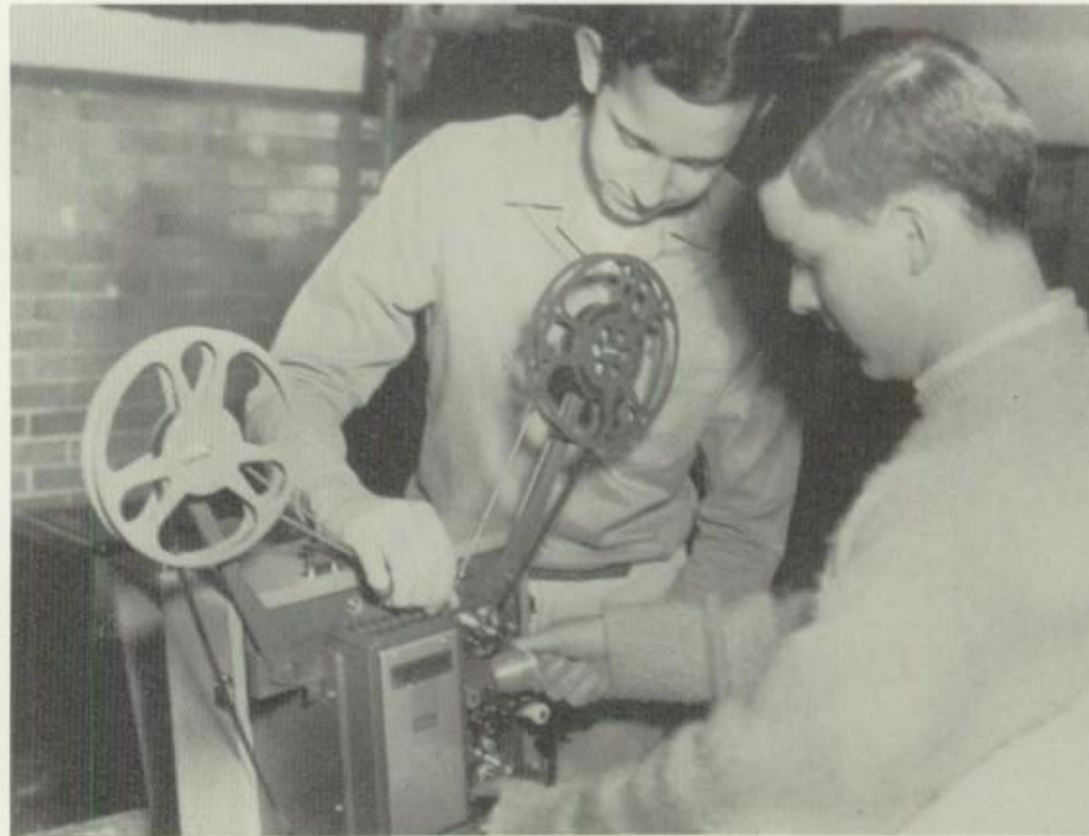

Film Crew Throws Light on the Subject

Necessary to an invaluable classroom aid, the film crew helps the teacher to instruct by means of the cliché, "seeing is believing." One period of their day is devoted to showing films that enlighten and explain in the designated classrooms.

A blessed event in the visual aids department—a new projector, being unpacked by Jerry Keller and Danny McCorkle.

Charles Stricklen helps Pat Hahn adjust a lens on the new projector.

Eyes inspecting and fingers probing, Mac Biggs, John Walters, and Jerry Keller investigate a new projector.

Stage Crew Makes Production Possible

Stage Crew consists of junior and senior boys who give their time and devotion to make production at the high school possible.

Working the spotlight, fixing props, controlling the curtain and making sure the stage is in ship-shape condition is a never ending service the stage crew supplies.

Mike Thompson and Vance Gustus control the curtains for assemblies and shows. Left, Billy Bowen and Hobert Welch work on props. Below, Mike Hedgecock controls the stagelights from the main lighting panel.

Jimmy Hall works at mastering the spotlight.

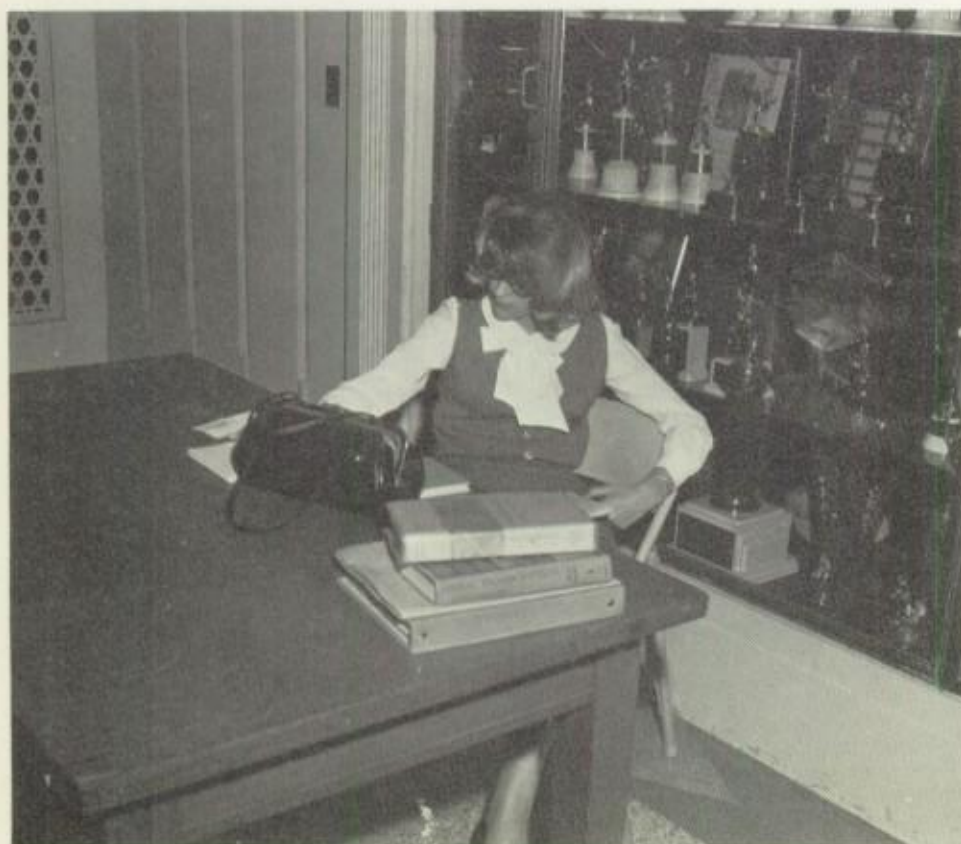

Bob Weiler and Billy Vest stay busy as monitors for Coach Montgomery, dean of boys.

Monitors Assist Faculty

Checking passes from the building is Charlotte Graue's job.

Smothered with overcrowded conditions and inadequate facilities, the faculty was greeted with a helping hand from responsible monitors in their time of need.

Work, work, and more work was their motto as they performed functions ranging from errands and library work to switchboard and office work.

Proving again Wildcat Hill has the standards of reliability, integrity, and patience when the chips are down.

Linda Hamilton peddles her bookstore wares to Joanne Blaine.

Monitors James Fisher and Sharon Thorne are a valuable asset to the Hill's central office.

Susie Meador checks passes to make sure that Tom Jones and Joe Burton are really supposed to be out of class.

C.B. Hoskins, president of the Art Club squats with brush in hand to aid the artist painting the Wildcat's eye. Other officers include Sally Sockwell and Virginia Booker.

Art Club Exhibits Fine Art

Throughout the year the art classes have been doing a double job--learning new techniques and serving the school.

Under the direction of Mrs. Searcy Thompson, Art Instructor, the students have been pursuing many categories, from individual painting to group projects. Besides constructing the enormous Wildcat which the football boys run through at each game, they also make the backdrops for many of the assemblies, decorations for Color Day, banquets and breakfasts.

Each student who takes art may not become a great artist, but when he leaves he will have a much greater knowledge of the field of art.

Steve Witkowski and John Lane saw off enough stick to bolster the Wildcat head used at the football games.

The Art Club and classes were responsible for the decorations in the front hall during the Christmas season.

Forensic League Proves Question is Debatable

Debating was once said to be simply an act of one team arguing offensively while another team counter-argues defensively. Over the years, however, debating has been drawn to a fine point and now takes much skill.

After all information on topics has been gathered it must be coupled with the main contentions in order to convince the audience and judges to cast their lot favorably.

North Little Rock's debators have long been outstanding and have brought home many wins for the school.

Lynn Mansfield

Larry Garner

Judy Massery ...

Forensic Club officers are
Steve Kilpatrick...

The Forensic League discuss the topic and the judging after the assembly until Mike tells them they can pass to their first period class.

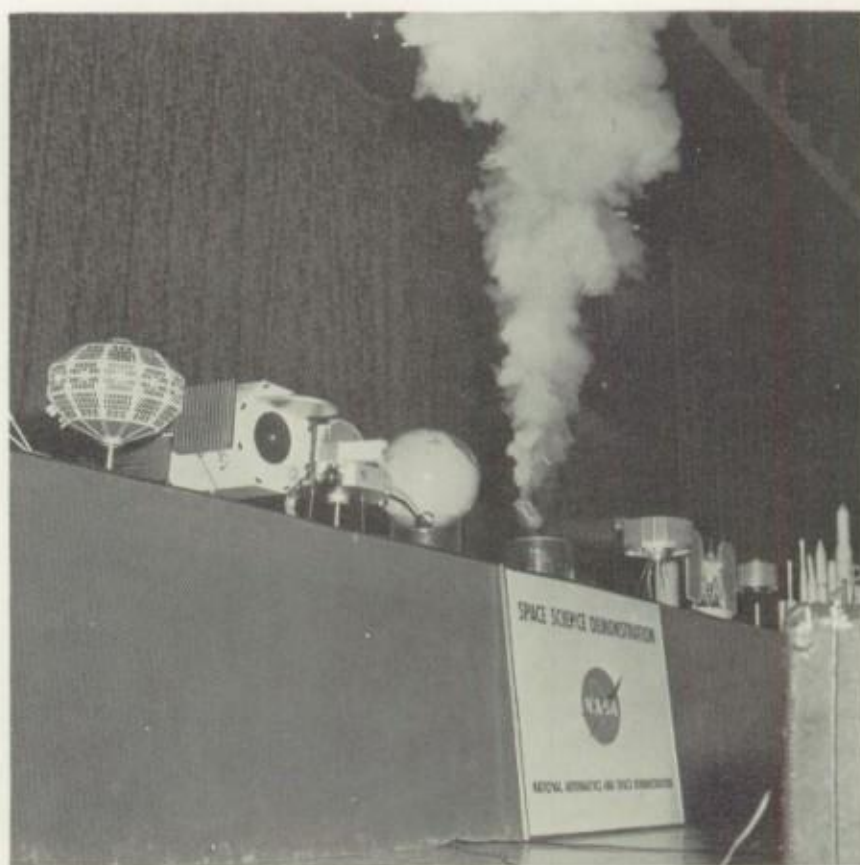

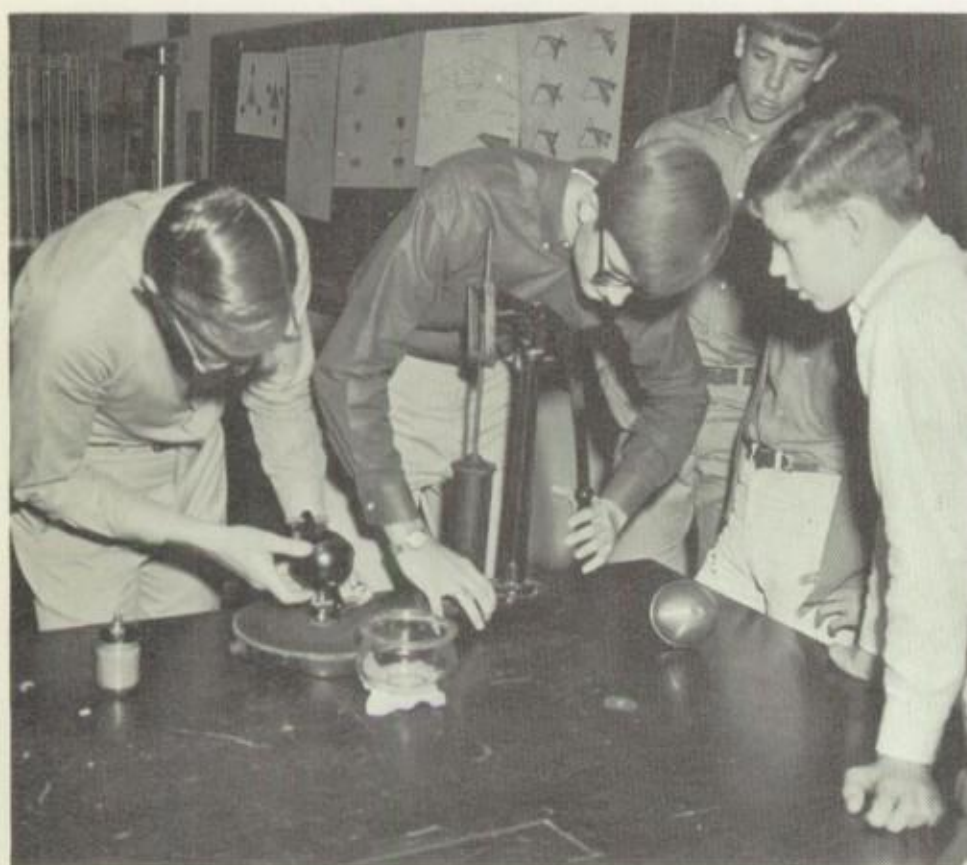

Theta Science officers are Chris Christy, corresponding secretary; Don Bunch, vice President; Groverlyn Meyers, President; Jamie Cavinee, reporter; and Marcia Brummitt, secretary.

Theta Science Opens Door For Young Scientists

Theta Science Club meets every other Friday to further students' knowledge by performing scientific experiments.

Center left: Don Bunch and fellow club members conduct an experiment concerning vacuums. Center right: No, NLR doesn't have a genie, this is a demonstration by John Glenn Parks, on the Theta Science Assembly. Bottom left: NLR students discuss principles with Theta Science assembly speaker.

Language Clubs Add Interest to Classes

Los Gatos Espanoles enjoyed a dinner at Mexico Chiquita where they ate. . .

Mrs. Bernice B. Hunt pauses during her dinner to listen to a student

and ate. . .

and ate.

Future Teachers Honor Faculty

Future Teachers of America start early in preparing to educate posterity. They listen to lectures and attend meetings to learn about their chosen profession.

Martha MacDonald, President, serves tea to Mrs. Allbright and Miss Fisher.

Treasurer Alice Jo Tarkington and Secretary Emma Kay Stogsdill serve Mrs. Julian Priddy and Mrs. John Hunt.

(Left) Mrs. Faye Billingsly is served by Vice President Lonnie Pitman. (Above) Reporter Barbara Nease and Karyn Blucker greet Mrs. Charles Carpenter and Mrs. Mary Alice Blalock.

Future Nurses Practice Their Profession

Future Nurses of America was organized to give girls interested in nursing in a chance to become acquainted with their future profession. The girls gain this experience by doing volunteer work in hospitals during their spare time, as well as other activities.

(above) Future Nurses officers are Martha Jackson, Patsy Blanton, Brenda Armbrust, and Kathy Crossman. (left and below) Volunteers Mary Anne Owen and Frances Herrick practice some aspects of nursing at Ft. Roots Veterans' Hospital during the summer months.

Mrs. Mary Hess is the faculty sponsor of Future Nurses.

FHA officers are Sandra Hogins, Jerri James, Heidi Sadler, Diane Esch, Brenda Tapley, Groverlyn Myers, and Susan Gazaway.

Future Homemakers Practice Their Art.

K.P. isn't exactly what the girls had in mind when they joined the Future Homemakers of America, and neither did their instructor. Instead, they are taught a number of things from the fundamentals of sewing and cooking to the fine art of serving as hostess at a tea.

Membership in Future Homemakers involves such things as serving tea to mothers. . .

(of which Sandra Hogins was president). . . .

Playing host to the District federation. . .

And making party food.

FBLA Prepares Community Leaders

Officers are Karen Brown, Judy Swaim, Brenda Johnson, Linda House, and Vicki Johnson.

Jimmy Glover concentrates on typewriting while the girls in the photo below learn the principles of adding machines.

Future Business Leaders of America is a club designed to prepare students to take over the positions of leadership in the community. It is composed of students from the typing, shorthand, and office practice classes, as well as any other students who are interested in the business world.

Typewriting can be humorous as well as confusing . . .

Officers of Future Journalists Prissy Petty, Bobby Vint, and Havana Gatewood view a previous annual while Diane Johnston consults Jim Robertson (lower right) about a story.

Future Journalists. . Pen of Tomorrow

The Future Journalists of America is an organization for first and second year journalism students who are interested in making journalism a future career.

The membership is based on character, leadership, scholarship and who have made some outstanding achievement in the journalism department.

(Above) Carolyn Davison and Christy Rodman prepare an issue of the Hi-Comet. Below, photographer Tim Anderson, Wildcat editor Suzi Oswald, and art editor Beverly Barrett attend an annual workshop.

Future Tradesmen Hold Key to Future

Many students in Machine Shop and Auto Mechanics class join Future Tradesmen of Arkansas each year.

Members of this organization attend a variety of activities through the year.

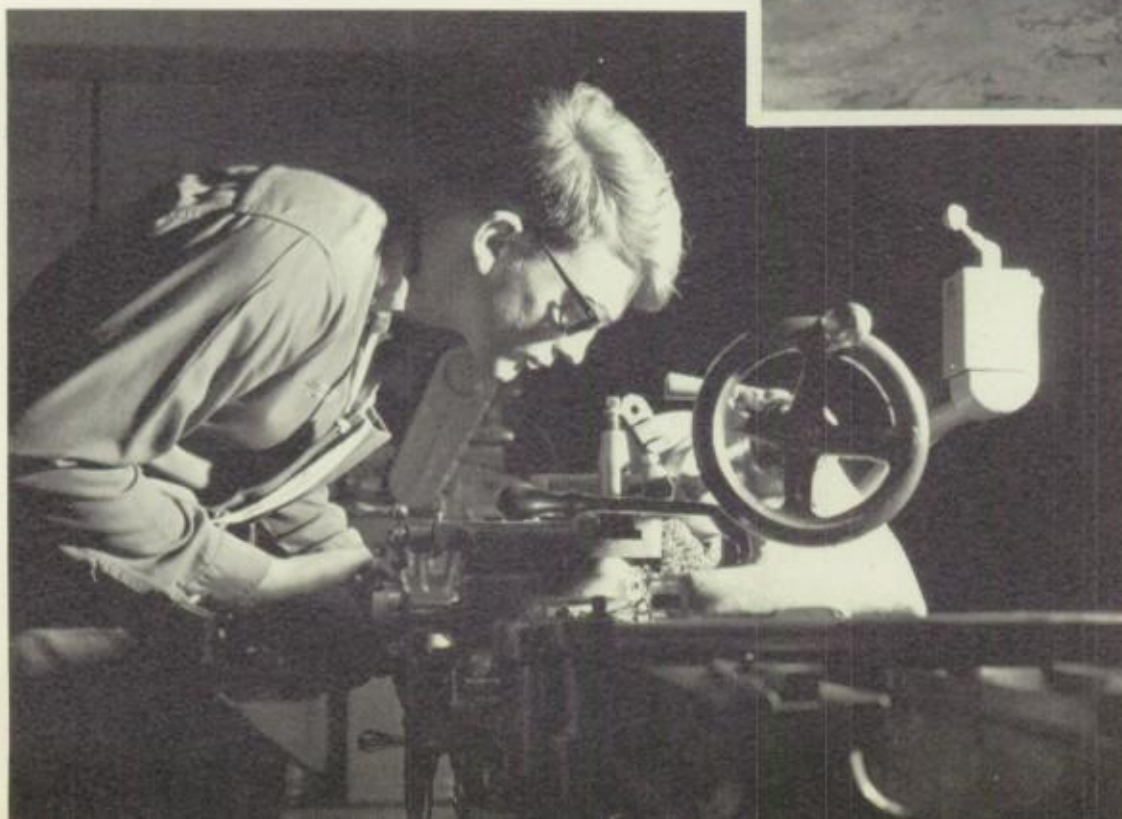

The high point of the year's activities is the state conference and banquet. At the conference prizes are awarded for excellence on projects, of which North Little Rock High School takes a Wildcat's share.

Auto Mechanics officers are Bernie Sanders, John Stricklin, Mike Campbell, Larry Bishop and at right, the machine shop officers are Jerald Bual, Jerry Haynie, David Hooten, David Emhoof, and Danny Holland.

Mr. Hasting, the FTA sponsor, practices what he preaches in benefit of the FTA boys.

Another boy works diligently on a complicated machine and learns the intricate parts.

Chapel leaders are Kay Sowell, Mike Hopkins, and Christy Rodman.

Chapel

Chapel enables all NLRHS students to start the week off with a devotion and the day with a prayer. Devotions are given by faculty members and students chosen by the chapel leaders.

Gra's Enjoy Athletic Skills

Organized to promote physical fitness and athletic skills the Girls' Recreation Association enjoys a spectrum of sports and skills. The girls play volleyball, ping pong, badminton, softball, and bowl.

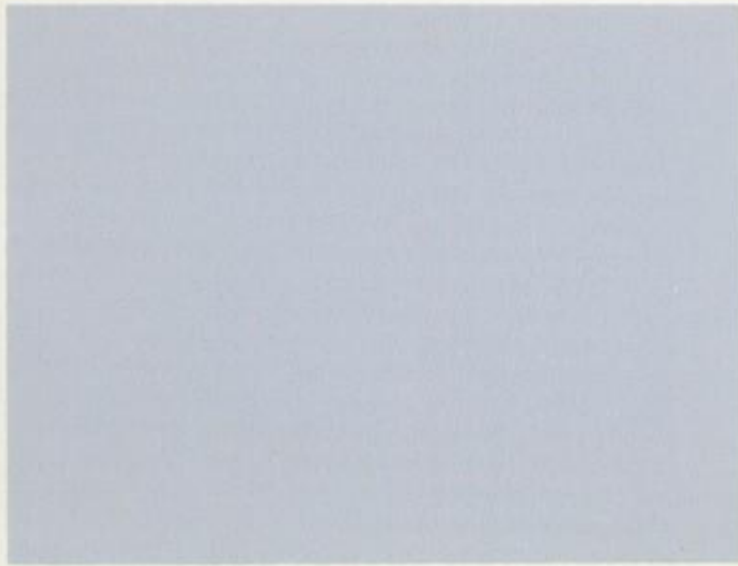

Officers are: Linda House, Becky Brown, Ann Riddle, LaVerne Burns, and Sally Cline.

Carolyn Whitfield (above left) practices in gym in preparation for bowling lanes (bottom right). Linda Pitt (above right) and volleyball player position themselves for a return.

Tri-Chem Rewards Ability

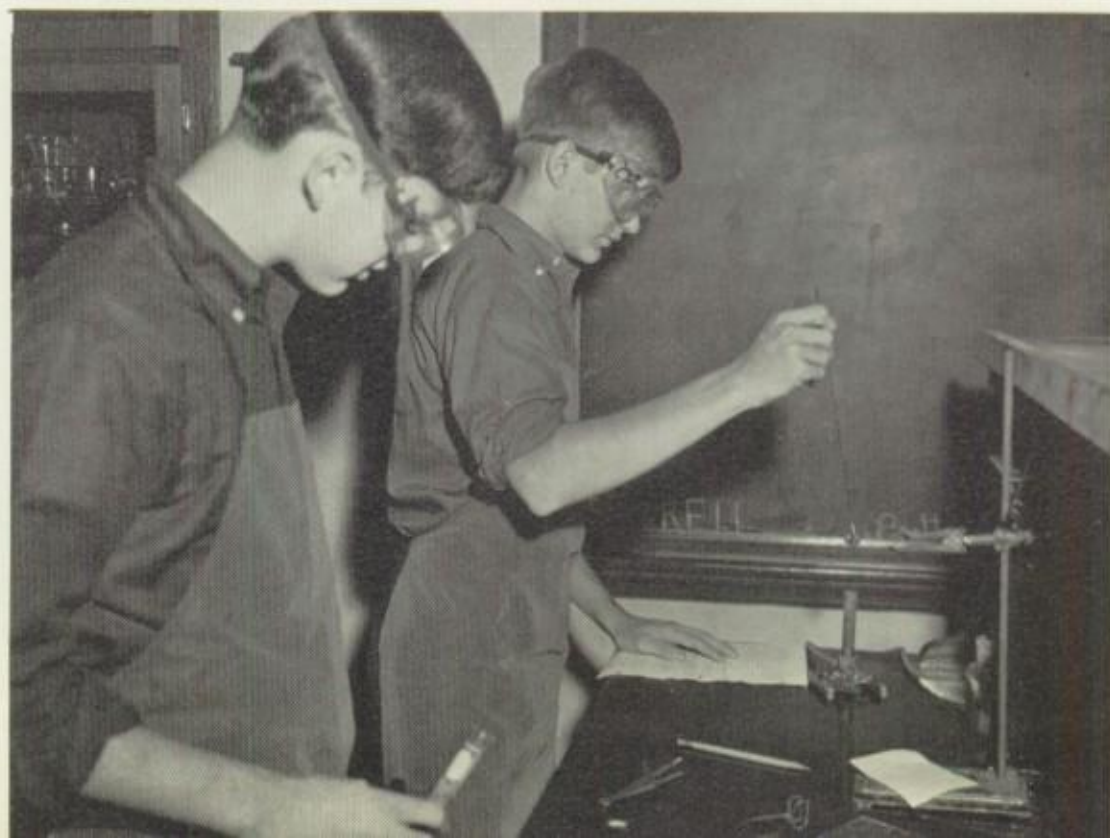

Officers of Tri-Chem are David Rakestraw, Robert Bass, Anne Brinkley, Bill Pinkston and Tommy Prince.

Mr. Jack Ward is the sponsor for Tri-Chem

Keith Brinkley and Robert Demptster conduct an open-lab experiment at one of the Tri-Chem meetings.

Jim Waters and Kenny Miller check the instructions before continuing their experiment.

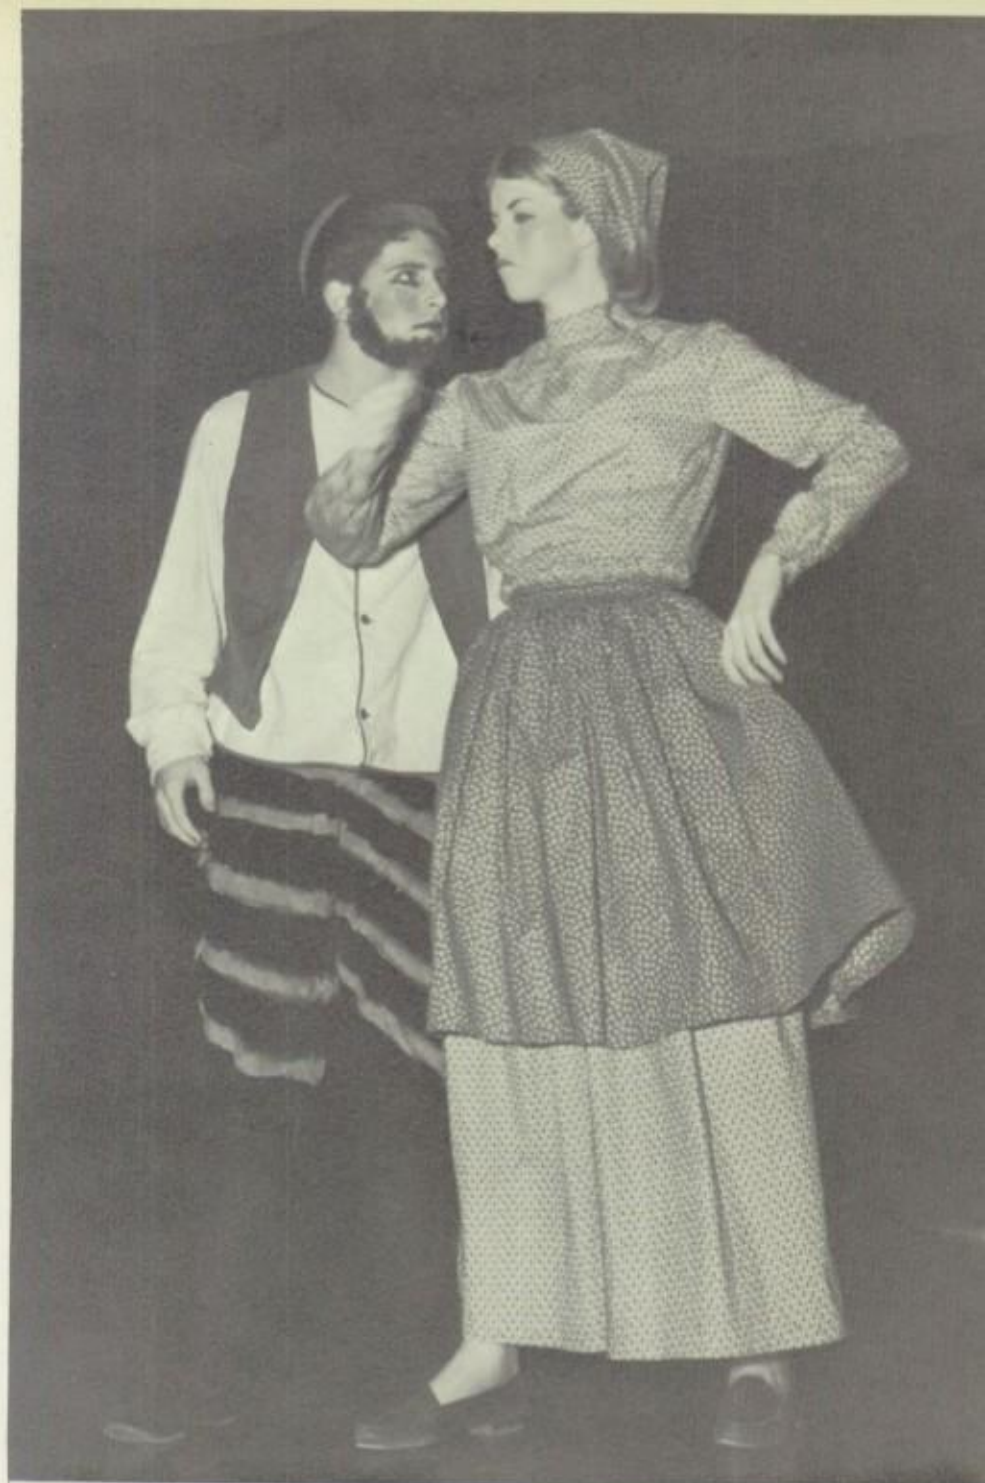

Tri-Chem is an honor club for students who are enrolled in Chemistry or have completed a year of Chemistry and who maintain a 'B' average.

Tri-Chem encourages the members to maintain and further their interest in the field of Chemistry by performing experiments and listening to professional people lecture.

Thespians Practice Drama Fundamentals

Tommy Prince learns to control his emotions in the Thespian play. Below, LeElla Ratcliff, the villain of the '66 Follies, is also the president of Thespians.

Skip Covington and Elaine Anderson, secretary of Thespians, had the lead roles in "The Doctor In Spite of Himself."

The Thespians is a national club designed for those interested in the dramatic arts. A member must have in addition to a certain amount of points, a good character, be a willing worker, and dependable. This year the Thespians produced the play 'The Doctor in Spite of Himself'.

Secretary Susanne Ketzsch looks on while Pledgemaster George Ray pins the initiation badge on new member, Jill Parker.

Quill and Scroll Honors Top Scribes

Quill and Scroll is an honorary club made up of people who have excelled in the field of journalism. The membership is awarded on the basis of scholarship, leadership, character, and ability.

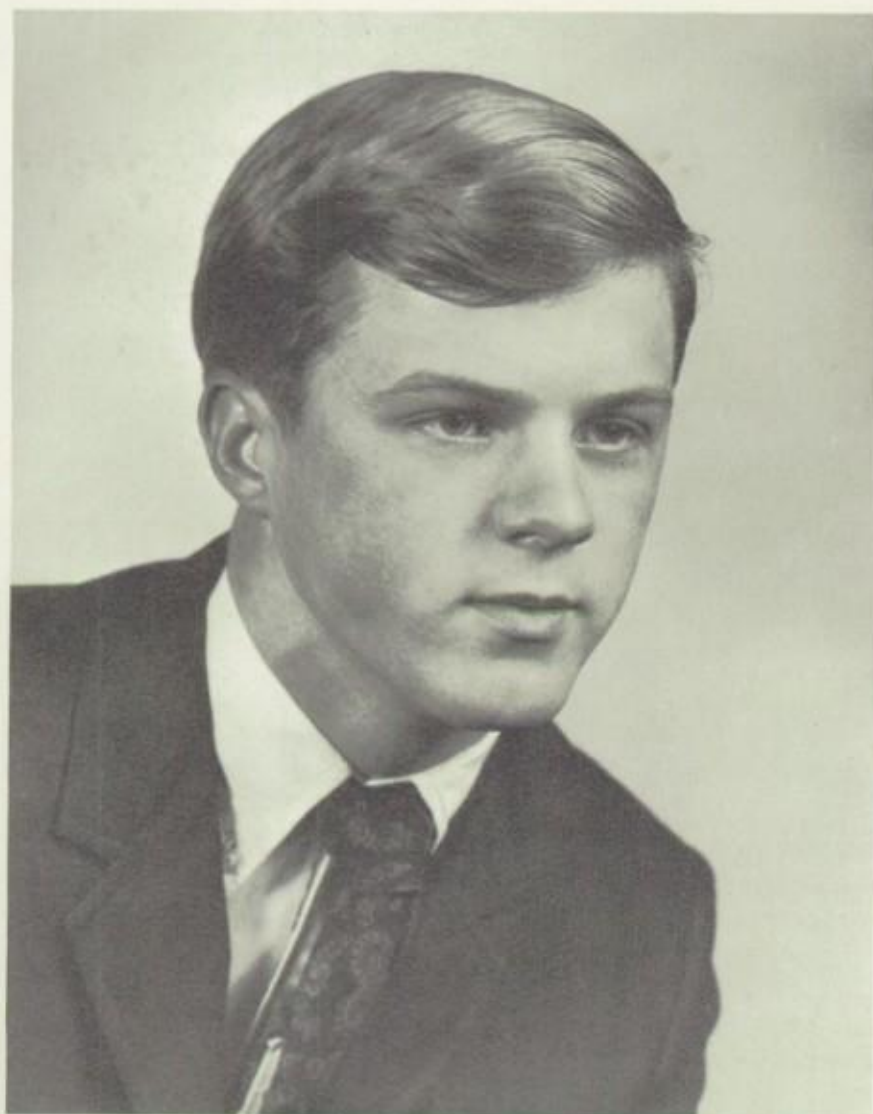

Quill and Scroll is an international organization and the membership is life-long.

Treasurer Darla Fewell poses with the Quill and Scroll Handbook. At right, Carolyn Davison, vice president, and Christy Rodman, president stand beneath the Quill and Scroll charter. The new members were inducted at the Journalism banquet last spring which is shown below.

Publications Honors

Jeral Howard
Mr. Publications

Seniors Accept Responsibility as Top Cats

Of all the Cats we're the picks, We're the class of '66.

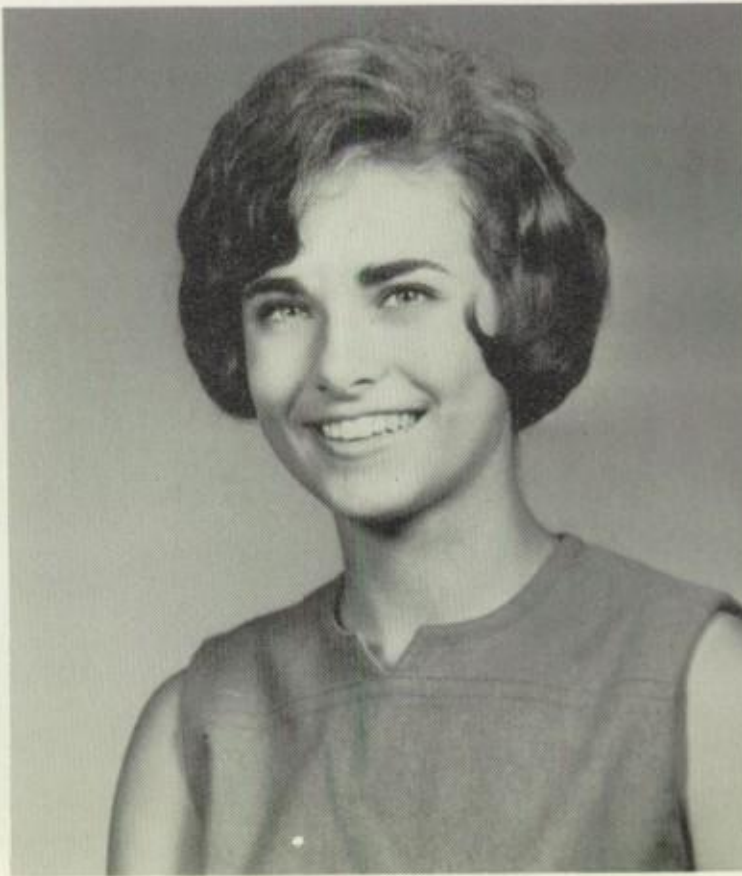

They are the cream of the kitten crop, struggling to leave the mother cat, NLRHS, yet half afraid to go. Some will wander aimlessly through a maze of jungles the rest of their lives.

Others will have glimpsed their goals darting through the crowded halls, always just out of sight or disappearing around a corner, these wildly-chased shadows never focusing until graduation, when they suddenly become reality.

Devilishly impish and unbearably cocky, the Juniors are caught in the act of growing up. They scorn kittenish things and reach eagerly for the glories of catdom.

They wear full-grown catskins, shouting, "We are the best, we are the best" ... forgetting that the skins are a little large and they still must grow to fill them.

They dream a lot, too, but they match their dreaming with doing, preparing for the day when they accept the mantle of leadership.

Then will the prophecy be fulfilled and the old halls will ring joyfully to their proud challenge, "We're the best from here to heaven, we're the Class of '67."

Class of '68 Says They're the Cats Who Rate

The young Cats awaken to a new world at North Little Rock High School, only half aware of the challenges that await them. Deep tradition overwhelms the Sophomores from every corner as they warily tread the halls, a little unsure in their first steps.

Ghosts of past glories, achievements, and dreams echo noiselessly throughout the school, whispering a challenge to all. The glories are old, the dreams used.

While the past becomes a subtle part of the Sophomore class, these Cats must look to the future achieving their own glory and crying, bravely, "We're the only Cats that rate, We're the class of '68."

The City of North Little Rock

Keeping pace with the rest of Arkansas, North Little Rock expands and progresses with new buildings and developments.

AN INVITATION

We like to feel that we render an indispensable health service to this community. Aside from the many hundreds of drugs and medicines regularly carried in stock awaiting the needs of the ill, we carry numerous sickroom and related supplies. Among these are gauze bandages, sterile cotton, adhesive tape, hot-water bottles, urinals, bedpans, ice bags, fever thermometers, and a host of other items. We offer complete drug service. Let us be your family pharmacists.

 --- HI! ---
 --- Good Luck^{xc} ---

Bruce

H.S. NORTH LITTLE ROCK ARK. - 22

Dear David;
 It's been loads of fun
 having you in Biology.
 You are very bright and
 hope you stay that way.

May (McVey)
 Soph. 65-66

Class is dull,
Subject is deep -
Would skip this class
But I need the sleep
- David Edwards

David,
I don't hardly ever
worry about my
future & I know it's
not in my hands.
I leave it all up
to God.

Sincerely,
Dorothy

6-6-66

long

David, been along hard struggle
It's made it to "Wildcat Hill"
but we finally have a wonderful personality and
you have a wonderful person. Good luck in
your J. & H. year.
Love ya
Carol Dickerson
Soph' 65

David, still think you've had
 a good picture of me I have.
 I've got most out of
 the year fun, keep out of
 trouble, stay out,
 and thanks. we
 will
 write
 soon

David,
You're a great guy and
very bright. It's been
great knowing you.
Walter

Henrietta,

Roses are red
Violets are blue,
& often wonder
if you are a few!!!

Rabbit (Bill) Wilburn

David
It's been a great year
in Geometry and I will never
forget it. Thanks for all
the help. Doug Wilburn

David,
It's been great
to have you in
English and
Biology!

"You're a
great bowler
Yvonne
Baruma

David,
You're pretty
crazy, Henrietta.
Be good and you'll
go far (as long as
you don't run into
Super Jew!).

Best of Luck,
Penn T Nixon
Class of '61"

Bill
Fred
Lester
Leon
and
Stan
Luck.
Judy
Dorothy
65-66

David,
I've enjoyed knowing
you this year. I don't
think French could have
been the same without
you!

Alana
Henderson

David

I've enjoyed knowing
you this year. ~~It's~~ It's
been great in geometry
& maybe we'll have a class together
next year.

Good luck,

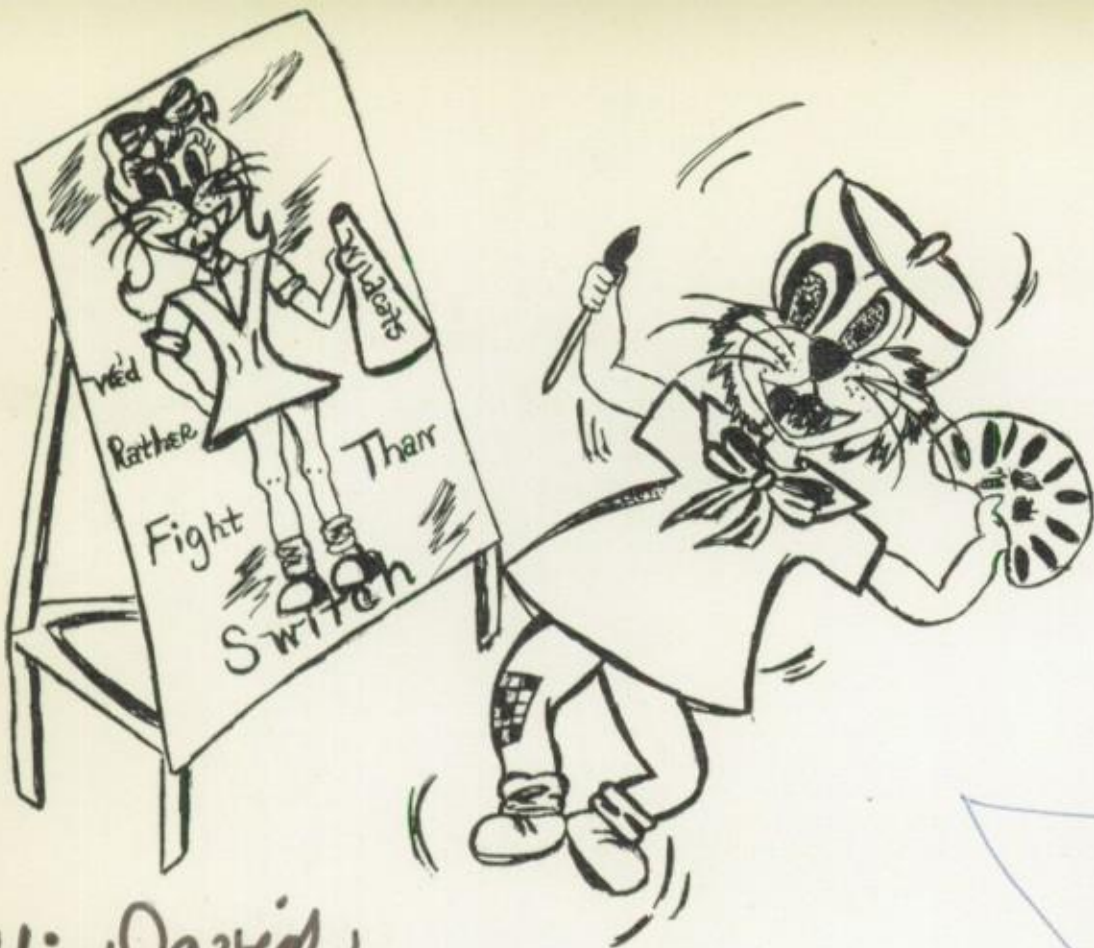

Cassidy
Harkwood

David,

It's been great knowing
you. Remember those great
days at McKae? You're
a real great kid & I wish
you all the luck in the
world.

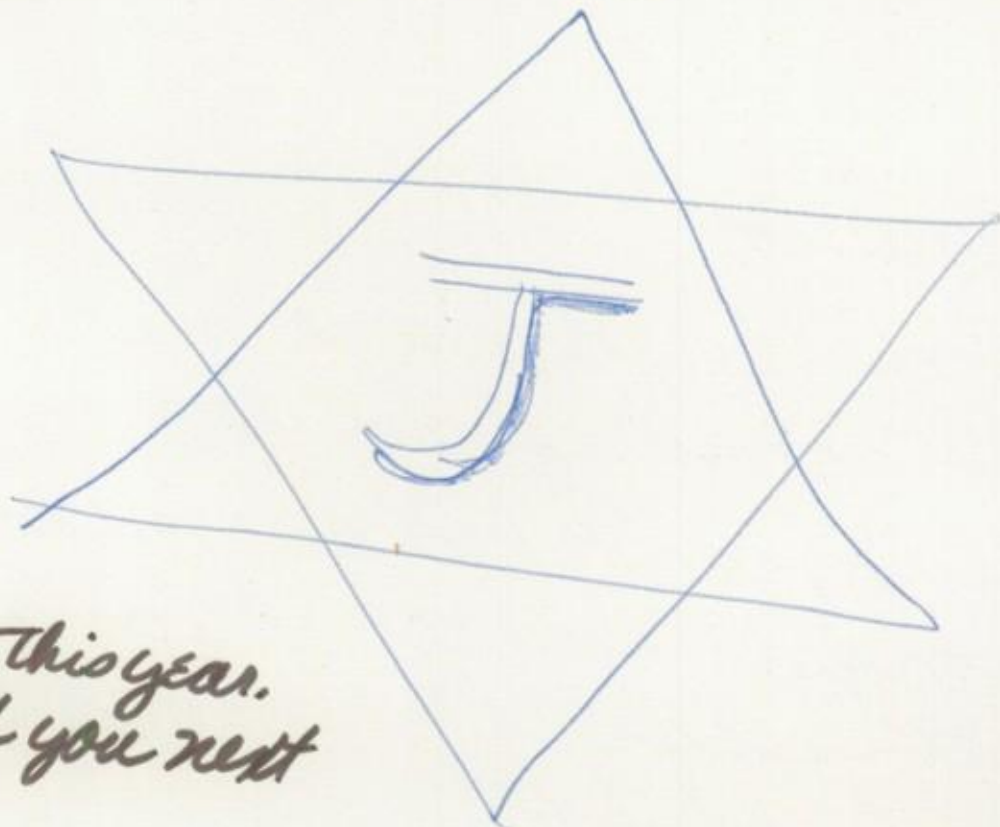

May God Bless You,
Judy Williams

Hi Pussycat

this is

Super Jew

Hi David,

You're a great guy and smart too! I've enjoyed being with you in Geometry this year. Hope I have some classes with you next year too.

Good luck always,
Becky Lyons
Sopr. 65-66

You're a great guy.
The answer of
Super Jew.
The only skin one in
the class. Hope you
stay that way.
Best friends -
Jo Arnold

lots of love
to you
and your
family
from
Jo Arnold

1966 Publication Staff

Wildcat Editors - - Prissy Petty, Susie
Oswald, Mary Ann Owen
Hi Coment Editors - - Carolyn Davison,
Christy Rodman
Assistant Editors - - Dianna Johnson, Bill
Thomas, Suzanne Ketzscher
Head Photographers - - Tim Anderson, Jay
Guiltner
Assistant Photographers - - Jim Davis,
Johnny Horton, Bob Thomas, David Martin
Art Editor - - - - - Beverly Barrett
Assistant Art Editors - - Dyanne McClusky,
Barbara Loftis
Sports Editors - - Roger Verser, George
Ray, Bobby Vint
Assistant Sports Editors - - Louis King,
Gary Haver
Cartoonists - - Bill Thomas, Sally Sockwell
Contest Editor - - - - - John Gray
Managing Editor - - - - - Darla Fewell
Assistant Managing Editors - - - - Jim
Robertson, Randy Shireman, Jeff Collins
Advertising Managers - - Melanie Holaday,
Sue Lee, Jeral Howard
Exchange Editors - - Linda Cotton, Dorothy
Logsdon
Picture Editors - - Jill Parker, Ann Ballew,
Alice Dozier
Head Typists - - Havanna Gatewood, Nina
Biggs, Alicia Alpizar
Assistant Typists - - Karin Dales, Rosemary
Baker, Kay Wright, Margaret Sadler,
Sherry Pearle
Business Manager - - - - - Wanda Wheaton
Assistant Business Managers - - Janet

Tinkle, Betty Kay Derryberry

Staff Writers - - Barbara Nease, Paula
Boyd, Pam Bullock, Bill Wilson, Becky
Barron, Brenda McCuin, Denise Peterson,
Karen Russell, Nancy Baney, Lyla Taylor,
Betty Woods, Virginia Gardner, Pat

David,
I don't know
you very well but
I do know you are
smart. That you are
and may have the
best in life. It's been
fun having you in French.
Shelia Howard
(S'lele
loph)

I guess you
know by now
that I'm a blabber-
mouth, I won't deny
it just resent it
your friend & mine,
me again
Sandie
